

(i) Assessment

Not later than 18 months after May 19, 1994, the Administrator shall submit a report to Congress that—

- (1) identifies grants made under this section;
- (2) specifies the identity of grantees;
- (3) states the goals of each grant; and
- (4) contains a preliminary assessment of the effectiveness of the grant program under this section.

(j) Regulations

Not later than 90 days after May 19, 1994, the Administrator shall issue regulations to implement this section, including procedures for grant applications.

(k) Administration

The Administrator shall directly administer the grant program required by this section, and shall not enter into any contract under which the grant program or any portion of the program will be administered by another party.

(l) Purchase of American made equipment and products**(1) Sense of Congress**

It is the sense of Congress that any recipient of a grant under this section should purchase, when available and cost-effective, American made equipment and products when expending grant monies.

(2) Notice to recipients of assistance

In allocating grants under this section, the Administrator shall provide to each recipient a notice describing the statement made in paragraph (1) by the Congress.
