(2) Rule requirements

In carrying out paragraph (1), the Board—

(A) shall include in the auditing standards that it adopts, requirements that each registered public accounting firm shall—

(i) prepare, and maintain for a period of not less than 7 years, audit work papers, and other information related to any audit report, in sufficient detail to support the conclusions reached in such report;

(ii) provide a concurring or second partner review and approval of such audit report (and other related information), and concurring approval in its issuance, by a qualified person (as prescribed by the Board) associated with the public accounting firm, other than the person in charge of the audit, or by an independent reviewer (as prescribed by the Board); and

(vii) such other requirements as the Board may prescribe, subject to subsection (a)(1).

(3) Authority to adopt other standards**(A) In general**

In carrying out this subsection, the Board—

(ii) notwithstanding clause (i), shall retain full authority to modify, supplement, revise, or subsequently amend, modify, or repeal, in whole or in part, any portion of any statement described in clause (i).

(B) Initial and transitional standards

The Board shall adopt standards described in subparagraph (A)(i) as initial or transitional standards, to the extent the Board determines necessary, prior to a determination of the Commission under section 7211(d) of this title, and such standards shall be separately approved by the Commission at the time of that determination, without regard to the procedures required by section 7217 of this title that otherwise would apply to the approval of rules of the Board.

(C) Transition period for emerging growth companies

Any rules of the Board requiring mandatory audit firm rotation or a supplement to the auditor's report in which the auditor would be required to provide additional information about the audit and the financial statements of the issuer (auditor discussion and analysis) shall not apply to an audit of an emerging growth company, as defined in section 78c of this title. Any additional rules adopted by the Board after April 5, 2012, shall not apply to an audit of any emerging growth company, unless the Commission determines that the application of such additional requirements is necessary or appropriate in the public interest, after considering the protection of investors and whether the action will promote efficiency, competition, and capital formation.

(4) Advisory groups

The Board shall convene, or authorize its staff to convene, such expert advisory groups as may be appropriate, which may include practicing accountants and other experts, as well as representatives of other interested groups, subject to such rules as the Board may prescribe to prevent conflicts of interest, to make recommendations concerning the content (including proposed drafts) of auditing, quality control, ethics, independence, or other standards required to be established under this section.

(2) Board responses

The Board shall respond in a timely fashion to requests from designated professional groups of accountants and advisory groups referred to in paragraph (1) for any changes in standards over which the Board has authority.

(d) Evaluation of standard setting process

The Board shall include in the annual report required by section 7211(h) of this title the results of its standard setting responsibilities during the period to which the report relates, including a discussion of the work of the Board with any designated professional groups of accountants and advisory groups described in

paragraphs (3)(A) and (4) of subsection (a), and its pending issues agenda for future standard setting projects.

§ 7214. Inspections of registered public accounting firms

(a) In general

(1) Inspections generally

The Board shall conduct a continuing program of inspections to assess the degree of compliance of each registered public accounting firm and associated persons of that firm with this Act, the rules of the Board, the rules of the Commission, or professional standards, in connection with its performance of audits, issuance of audit reports, and related matters involving issuers.

(2) Inspections of audit reports for brokers and dealers

(A) The Board may, by rule, conduct and require a program of inspection in accordance with paragraph (1), on a basis to be determined by the Board, of registered public accounting firms that provide one or more audit reports for a broker or dealer. The Board, in establishing such a program, may allow for differentiation among classes of brokers and dealers, as appropriate.

(B) If the Board determines to establish a program of inspection pursuant to subparagraph (A), the Board shall consider in establishing any inspection schedules whether differing schedules would be appropriate with respect to registered public accounting firms that issue audit reports only for one or more brokers or dealers that do not receive, handle, or hold customer securities or cash or are not a member of the Securities Investor Protection Corporation.
