

(e) Withdrawal

(1) On November 22, 2000, subject to valid existing rights, all Federal land depicted on the map as being located within Zone A, or within the boundaries of the national monument, the national park or the preserve is withdrawn from—

- (A) all forms of entry, appropriation, or disposal under the public land laws;
- (B) location, entry, and patent under the mining laws; and
- (C) disposition under all laws relating to mineral and geothermal leasing.

(2) The provisions of this subsection also shall apply to any lands—

- (A) acquired under this subchapter; or
- (B) transferred from any Federal agency after November 22, 2000, for the national monument, the national park or preserve, or the national wildlife refuge.

(f) Wilderness protection

(1) Nothing in this subchapter alters the Wilderness designation of any land within the national monument, the national park, or the preserve.

(2) All areas designated as Wilderness that are transferred to the administrative jurisdiction of the National Park Service shall remain subject to the Wilderness Act (16 U.S.C. 1131 et seq.) and the Colorado Wilderness Act of 1993 (Public Law 103-77; 16 U.S.C. 539i note). If any part of this subchapter conflicts with the provisions of the Wilderness Act or the Colorado Wilderness Act of 1993 with respect to the wilderness areas within the preserve boundaries, the provisions of those Acts shall control.

§ 410hhh-6. Acquisition of property and boundary adjustments**(a) Acquisition authority**

(1) Within the area depicted on the map as the “Acquisition Area” or the national monument, the Secretary may acquire lands and interests therein by purchase, donation, transfer from another Federal agency, or exchange: *Provided*, That lands or interests therein may only be acquired with the consent of the owner thereof.

(2) Lands or interests therein owned by the State of Colorado, or a political subdivision thereof, may only be acquired by donation or exchange.

(b) Boundary adjustment

As soon as practicable after the acquisition of any land or interest under this section, the Secretary shall modify the boundary of the unit to which the land is transferred pursuant to subsection (b)¹ to include any land or interest acquired.

(c) Administration of acquired lands**(1) General authority**

Upon acquisition of lands under subsection (a), the Secretary shall, as appropriate—

(A) transfer administrative jurisdiction of the lands to the National Park Service—

(i) for addition to and management as part of the Great Sand Dunes National Monument, or

(ii) for addition to and management as part of the Great Sand Dunes National Park (after designation of the Park) or the Great Sand Dunes National Preserve; or

(B) transfer administrative jurisdiction of the lands to the United States Fish and Wildlife Service for addition to and administration as part of the Baca National Wildlife Refuge.

(2) Forest service administration

(A) Any lands acquired within the area depicted on the map as being located within Zone B shall be transferred to the Secretary of Agriculture and shall be added to and managed as part of the Rio Grande National Forest.

(B) For the purposes of sections 100506(c) and 200306 of title 54, the boundaries of the Rio Grande National Forest, as revised by the transfer of land under paragraph (A), shall be

§ 410hhh-7. Water rights

(a) Omitted

(b) Effect on water rights

(1) In general

Subject to the amendment made by subsection (a),¹ nothing in this subchapter affects—

- (A) the use, allocation, ownership, or control, in existence on November 22, 2000, of any water, water right, or any other valid existing right;
- (B) any vested absolute or decreed conditional water right in existence on November 22, 2000, including any water right held by the United States;
- (C) any interstate water compact in existence on November 22, 2000; or
- (D) subject to the provisions of paragraph (2), State jurisdiction over any water law.

(2) Water rights for national park and national preserve

In carrying out this subchapter, the Secretary shall obtain and exercise any water rights required to fulfill the purposes of the national park and the national preserve in accordance with the following provisions:

- (A) Such water rights shall be appropriated, adjudicated, changed, and administered pursuant to the procedural requirements and priority system of the laws of the State of Colorado.
- (B) The purposes and other substantive characteristics of such water rights shall be established pursuant to State law, except that the Secretary is specifically authorized to appropriate water under this subchapter exclusively for the purpose of maintaining ground water levels, surface water levels, and stream flows on, across, and under the national park and national preserve, in order to accomplish the purposes of the national park and the national preserve and to protect park resources and park uses.
- (C) Such water rights shall be established and used without interfering with—
 - (i) any exercise of a water right in existence on November 22, 2000, for a non-Federal purpose in the San Luis Valley, Colorado; and
 - (ii) the Closed Basin Division, San Luis Valley Project.
- (D) Except as provided in subsections (c) and (d), no Federal reservation of water may be claimed or established for the national park or the national preserve.

¹ See Codification note below.

(c) National Forest water rights

To the extent that a water right is established or acquired by the United States for the Rio Grande National Forest, the water right shall—

- (1) be considered to be of equal use and value for the national preserve; and
- (2) retain its priority and purpose when included in the national preserve.

(d) National Monument water rights

To the extent that a water right has been established or acquired by the United States for the Great Sand Dunes National Monument, the water right shall—

- (1) be considered to be of equal use and value for the national park; and
- (2) retain its priority and purpose when included in the national park.

(e) Acquired water rights and water resources

(1) In general

(A) If, and to the extent that, the Luis Maria Baca Grant No. 4 is acquired, all water rights and water resources associated with the Luis Maria Baca Grant No. 4 shall be restricted for use only within—

- (i) the national park;
- (ii) the preserve;
- (iii) the national wildlife refuge; or
- (iv) the immediately surrounding areas of Alamosa or Saguache Counties, Colorado.

(B) USE.—Except as provided in the memorandum of water service agreement and the water service agreement between the Cabeza de Vaca Land and Cattle Company, LLC, and Baca Grande Water and Sanitation District, dated August 28, 1997, water rights and water resources described in subparagraph (A) shall be restricted for use in—

- (i) the protection of resources and values for the national monument, the national park, the preserve, or the wildlife refuge;
- (ii) fish and wildlife management and protection; or
- (iii) irrigation necessary to protect water resources.

(2) State authority

If, and to the extent that, water rights associated with the Luis Maria Baca Grant No. 4 are acquired, the use of those water rights shall be changed only in accordance with the laws of the State of Colorado.

(f) Disposal

The Secretary is authorized to sell the water resources and related appurtenances and fixtures as the Secretary deems necessary to obtain the termination of obligations specified in the memorandum of water service agreement and the water service agreement between the Cabeza de Vaca Land and Cattle Company, LLC and the Baca Grande Water and Sanitation District, dated August 28, 1997. Prior to the sale, the Secretary shall determine that the sale is not detrimental to the protection of the resources of Great Sand Dunes National Monument, Great Sand Dunes National Park, and Great Sand Dunes National Preserve, and the Baca National Wildlife Refuge, and that appropriate measures to provide for such protection are included in the sale.
