

ber; removal of topsoil, sand, or gravel; dumping, storage, or piling of refuse; or any other use which would detract from the esthetic character of the Gorge area; and

(3) have the effect of providing that the Secretary shall receive advance notice of any hearing for the purpose of granting a variance and any variance granted under, and of any exception made to, the application of such law or ordinance.

(Pub. L. 95-625, title XI, §1104, Nov. 10, 1978, 92 Stat. 3546.)

§ 460m-19. Mineral lands

(a) Mining; prohibition and limitation

Notwithstanding any other provision of law, no surface mining of any kind shall be permitted on federally owned lands within the boundary of the national river where the subsurface estate is not federally owned. Underground mining on such lands may be permitted by the Secretary only if—

(1) the mining operation will have no significant adverse impact on the public use and enjoyment of the national river;

(2) the mining operation will disturb the minimum amount of surface necessary to extract the mineral; and

(3) the surface is not significantly disturbed, unless there is no technologically feasible alternative.

(b) Timber harvesting

The harvesting of timber on federally owned lands within the national river boundary is prohibited, except insofar as it is necessary for the Secretary to remove trees for river access, historic sites, primitive campgrounds, scenic vistas, or as may be necessary from time to time for reasons of public health and safety.

(c) Civil action; jurisdiction; recovery

The owner of a mineral estate subject to this section who believes he has suffered a loss by operation of this section, may bring an action only in a United States district court to recover just compensation, which shall be awarded if the court finds that such loss constitutes a taking of property compensable under the Constitution.

(Pub. L. 95-625, title XI, §1105, Nov. 10, 1978, 92 Stat. 3546.)

§ 460m-20. Hunting and fishing zones; designation; rules and regulations, consultation

The Secretary shall permit hunting and fishing on lands and waters under his jurisdiction within the boundaries of the New River Gorge National River in accordance with applicable Federal and State laws, and he may designate zones where, and establish periods when, no hunting or fishing shall be permitted for reasons of public safety, administration, fish or wildlife management, or public use and enjoyment. Except in emergencies, any rules and regulations of the Secretary pursuant to this section shall be put into effect only after consultation with the appropriate State agency responsible for hunting and fishing activities. The Secretary shall permit the State of West Virginia to undertake fish stocking activities carried out by

the State, in consultation with the Secretary, on waters within the boundaries of the national river. Nothing in this Act shall be construed as affecting the jurisdiction of the State of West Virginia with respect to fish and wildlife.

REFERENCES IN TEXT

This Act, referred to in text, is Pub. L. 95-625, Nov. 10, 1978, 92 Stat. 3467, known as the National Parks and Recreation Act of 1978. For complete classification of this Act to the Code, see Tables.

AMENDMENTS

2009—Pub. L. 111-11, which directed substitution of “shall” for “may” in first sentence, was executed by substituting “shall” for “may” the first time appearing, which was preceding “permit hunting and fishing”.

1996—Pub. L. 104-333 inserted at end “The Secretary shall permit the State of West Virginia to undertake fish stocking activities carried out by the State, in consultation with the Secretary, on waters within the boundaries of the national river. Nothing in this Act shall be construed as affecting the jurisdiction of the State of West Virginia with respect to fish and wildlife.”

REGULATIONS

Pub. L. 108-108, title I, §150, Nov. 10, 2003, 117 Stat. 1281, provided that: “The National Park Service shall issue a special regulation concerning continued hunting at New River Gorge National River in compliance with the requirements of the Administrative Procedures [Procedure] Act [see Short Title note preceding section 551 of Title 5, Government Organization and Employees], with opportunity for public comment, and shall also comply with the National Environmental Policy Act [of 1969] [42 U.S.C. 4321 et seq.] as appropriate. Notwithstanding any other provision of law, the September 25, 2003 interim final rule authorizing continued hunting at New River Gorge National River shall be in effect until the final special regulation supercedes it.”

§ 460m-21. Project work prohibition; advisement to Secretary; report to Congress

The Federal Energy Regulatory Commission shall not license the construction of any dam, water conduit, reservoir, powerhouse, transmission line, or other project works under the Federal Power Act (41 Stat. 1063) as amended (16 U.S.C. 791a et seq.), on or directly affecting the New River Gorge National River, and no department or agency of the United States shall assist by loan, grant, license, or otherwise in the construction of any water resources project that would have a direct and adverse effect on the values for which such river was established, as determined by the Secretary. Nothing contained in the foregoing sentence, however, shall preclude licensing of, or assistance to, developments below or above the New River Gorge National River or on any stream tributary thereto which will not invade the area or diminish the scenic, recreation, and fish and wildlife values present in the area on November 10, 1978. No department or agency of the United States shall recommend authorization of any water resources project that would have a direct and adverse effect on the values for which such river
