

and Colville Reservations, including sites of agency and school buildings and related structures and unsold lands in the Klaxta town site, as may be designated therefor by the Secretary of the Interior from time to time: *Provided*, That no lands shall be taken for reservoir purposes above the elevation of one thousand three hundred and ten feet above sea level as shown by Bureau of Land Management surveys, except in Klaxta town site and except where in the judgment of the Secretary of the Interior, special circumstances concerning the reservoir or its operation and maintenance require the taking of land above that elevation; and (b) such other interests in or to any such lands and property within these reservations as may be required and as may be designated by the Secretary of the Interior from time to time for the construction of pipe lines, highways, railroads, telegraph, telephone, and electric-transmission lines in connection with the project, or for the relocation or reconstruction of such facilities made necessary by the construction of the project.

The Secretary of the Interior, in lieu of reserving rights of hunting, fishing, and boating to the Indians in the areas granted under this section and sections 835e to 835h of this title, shall set aside approximately one-quarter of the entire reservoir area for the paramount use of the Indians of the Spokane and Colville Reservations for hunting, fishing, and boating purposes, which rights shall be subject only to such reasonable regulations as the Secretary may prescribe for the protection and conservation of fish and wildlife: *Provided*, That the exercise of the Indians' rights shall not interfere with project operations. The Secretary shall also, where necessary, grant to the Indians reasonable rights of access to such area or areas across any project lands.

### § 835e. Payment for lands acquired from Spokane and Colville Reservations

As lands or interests in lands are designated from time to time under sections 835d to 835h of this title, the Secretary of the Interior shall determine the amount of money to be paid to the Indians as just and equitable compensation therefor. As to the tribal lands, the amounts so determined shall be transferred in the Treasury of the United States from the funds now or hereafter made available for the construction of the Columbia Basin project to the credit of the appropriate tribe pursuant to the provisions of section 155 of title 25. The amounts due individual landowners or their heirs or devisees shall be paid from funds now or hereafter made available for the construction of said project to the superintendent of the Colville Indian Agency or such other officer as shall be designated by the Secretary of the Interior for credit on the books of said agency to the accounts of the individuals concerned.
