§ 3117. Judicial enforcement

(a) Exhaustion of administrative remedies; civil action; parties; preliminary injunctive relief; other relief; costs and attorney's fees

Local residents and other persons and organizations aggrieved by a failure of the State or the Federal Government to provide for the priority for subsistence uses set forth in section 3114 of this title (or with respect to the State as set forth in a State law of general applicability if the State has fulfilled the requirements of section 3115(d) of this title) may, upon exhaustion of any State or Federal (as appropriate) administrative remedies which may be available, file a civil action in the United States District Court for the District of Alaska to require such actions to be taken as are necessary to provide for the priority. In a civil action filed against the State, the Secretary may be joined as a party to such action. The court may grant preliminary injunctive relief in any civil action if the granting of such relief is appropriate under the facts upon which the action is based. No order granting preliminary relief shall be issued until after an opportunity for hearing. In a civil action filed against the State, the court shall provide relief, other than preliminary relief, by directing the State to submit regulations which satisfy the requirements of section 3114 of this title; when approved by the court, such regulations shall be incorporated as part of the final judicial order, and such order shall be valid only for such period of time as normally provided by State law for the regulations at issue. Local residents and other persons and organizations who are prevailing parties in an action filed pursuant to this section shall be awarded their costs and attorney's fees.

(c) Section as sole Federal judicial remedy

This section is the sole Federal judicial remedy created by this subchapter for local residents and other residents who, and organizations which, are aggrieved by a failure of the State to provide for the priority of subsistence uses set forth in section 3114 of this title.

AMENDMENTS

1997—Subsec. (b). Pub. L. 105-83, §316(b)(7), which directed amendment of section by adding subsec. (b) reading as follows: “State agency actions may be declared invalid by the court only if they are arbitrary, capricious, or an abuse of discretion, or otherwise not in accordance with law. When reviewing any action within the specialized knowledge of a State agency, the court shall give the decision of the State agency the same deference it would give the same decision of a comparable Federal agency.”, was repealed by Pub. L. 105-83, §316(d). See Effective and Termination Dates of 1997 Amendments note below.

1984—Subsec. (b). Pub. L. 98-620 struck out subsec. (b) which had provided that a civil action filed pursuant to this section was to be assigned for hearing at the earliest possible date, was to take precedence over other matters pending on the docket of the United States district court at that time, and was to be expedited in every way by such court and any appellate court.

EFFECTIVE AND TERMINATION DATES OF 1997 AMENDMENT

Until laws are adopted in Alaska which provide for definition, preference, and participation specified in sections 3113 to 3115 of this title, amendment by Pub. L. 105-83 was effective only for purpose of determining whether State's laws provide for such definition, preference, and participation, and such amendment was repealed on Dec. 1, 1998, because such laws had not been adopted, see section 316(d) of Pub. L. 105-83 set out as a note under section 3102 of this title.

EFFECTIVE DATE OF 1984 AMENDMENT

Amendment by Pub. L. 98-620 not applicable to cases pending on Nov. 8, 1984, see section 403 of Pub. L. 98-620, set out as an Effective Date note under section 1657 of Title 28, Judiciary and Judicial Procedure.

§ 3118. Park and park monument subsistence resource commissions

(a) Appointment of members; development of subsistence hunting program; annual review of program

Within one year from December 2, 1980, the Secretary and the Governor shall each appoint three members to a subsistence resources commission for each national park or park monument within which subsistence uses are permitted by this Act. The regional advisory council established pursuant to section 3115 of this title which has jurisdiction within the area in which the park or park monument is located shall appoint three members to the commission each of whom is a member of either the regional advisory council or a local advisory committee within the region and also engages in subsistence uses within the park or park monument.

Within eighteen months from December 2, 1980, each commission shall devise and recommend to the Secretary and the Governor a program for subsistence hunting within the park or park monument. Such program shall be prepared using technical information and other pertinent data assembled or produced by necessary field studies or investigations conducted jointly or separately by the technical and administrative personnel of the State and the Department of the Interior, information submitted by, and after consultation with the appropriate local advisory committees and regional advisory councils, and any testimony received in a public hearing or hearings held by the commission prior to preparation of the plan at a convenient location or locations in the vicinity of the park or park monument. Each year thereafter, the commission, after consultation with the appropriate local committees and regional councils, considering all relevant data and holding one or more additional hearings in the vicinity of the park or park monument, shall make recommendations to the Secretary and the Governor for any changes in the program or its implementation which the commission deems necessary.

(b) Implementation of subsistence hunting program

The Secretary shall promptly implement the program and recommendations submitted to him by each commission unless he finds in writing that such program or recommendations violates recognized principles of wildlife conservation, threatens the conservation of healthy populations of wildlife in the park or park monument, is contrary to the purposes for which the park or park monument is established, or would be detrimental to the satisfaction of subsistence needs of local residents. Upon notification by the Governor, the Secretary shall take no action on a submission of a commission for sixty days during which period he shall consider any proposed changes in the program or recommendations submitted by the commission which the Governor provides him.

(c) Subsistence uses prior to implementation of subsistence hunting program

Pending the implementation of a program under subsection (a) of this section, the Secretary shall permit subsistence uses by local residents in accordance with the provisions of this subchapter and other applicable Federal and State law.

In determining whether to withdraw, reserve, lease, or otherwise permit the use, occupancy, or disposition of public lands under any provision of law authorizing such actions, the head of the Federal agency having primary jurisdiction over such lands or his designee shall evaluate the effect of such use, occupancy, or disposition on subsistence uses and needs, the availability of other lands for the purposes sought to be achieved, and other alternatives which would reduce or eliminate the use, occupancy, or disposition of public lands needed for subsistence purposes. No such withdrawal, reservation, lease, permit, or other use, occupancy or disposition of such lands which would significantly restrict subsistence uses shall be effected until the head of such Federal agency—

(b) Environmental impact statement

If the Secretary is required to prepare an environmental impact statement pursuant to section 4332(2)(C) of title 42, he shall provide the notice and hearing and include the findings required by subsection (a) as part of such environmental impact statement.

After compliance with the procedural requirements of this section and other applicable law, the head of the appropriate Federal agency may manage or dispose of public lands under his primary jurisdiction for any of those uses or purposes authorized by this Act or other law.
