§ 801. Copyright Royalty Judges; appointment and functions

(a) APPOINTMENT.—The Librarian of Congress shall appoint 3 full-time Copyright Royalty Judges, and shall appoint 1 of the 3 as the Chief Copyright Royalty Judge. The Librarian shall make appointments to such positions after consultation with the Register of Copyrights.

(b) FUNCTIONS.—Subject to the provisions of this chapter, the functions of the Copyright Royalty Judges shall be as follows:

(1) To make determinations and adjustments of reasonable terms and rates of royalty payments as provided in sections 112(e), 114, 115, 116, 118, 119, and 1004.

(2) To make determinations concerning the adjustment of the copyright royalty rates under section 111 solely in accordance with the following provisions:

(A) The rates established by section 111(d)(1)(B) may be adjusted to reflect—

(i) national monetary inflation or deflation; or

(ii) changes in the average rates charged cable subscribers for the basic service of providing secondary transmissions to maintain the real constant dollar level of the royalty fee per subscriber which existed as of the date of October 19, 1976,

except that—

(I) if the average rates charged cable system subscribers for the basic service of providing secondary transmissions are changed so that the average rates exceed national monetary inflation, no change in the rates established by section 111(d)(1)(B) shall be permitted; and

(II) no increase in the royalty fee shall be permitted based on any reduction in the average number of distant signal equivalents per subscriber.

The Copyright Royalty Judges may consider all factors relating to the maintenance of such level of payments, including, as an extenuating factor, whether the industry has been restrained by subscriber rate regulating authorities from increasing the rates for the basic service of providing secondary transmissions.

(B) In the event that the rules and regulations of the Federal Communications Commission are amended at any time after April 15, 1976, to permit the carriage by cable systems of additional television broadcast signals beyond the local service area of the primary transmitters of such signals, the royalty rates established by section 111(d)(1)(B) may be adjusted to ensure that the rates for the additional distant signal equivalents resulting from such carriage are reasonable in the light of the changes effected by the amendment to such rules and regulations. In determining the reasonableness of rates proposed following an amendment of Federal Communications Commission rules and regulations, the Copyright Royalty Judges shall consider, among other factors, the economic impact on copyright owners and users; except that no adjustment in royalty rates shall be made under this subparagraph with respect to any distant signal equivalent or fraction thereof represented by—

(i) carriage of any signal permitted under the rules and regulations of the Federal Communications Commission in effect on April 15, 1976, or the carriage of a signal of the same type (that is, independent, network, or noncommercial educational) substituted for such permitted signal; or
