§ 1439. Procedural safeguards

(a) Minimum procedures

The procedural safeguards required to be included in a statewide system under section 1435(a)(13) of this title shall provide, at a minimum, the following:

(1) The timely administrative resolution of complaints by parents. Any party aggrieved by the findings and decision regarding an administrative complaint shall have the right to bring a civil action with respect to the complaint in any State court of competent jurisdiction or in a district court of the United States without regard to the amount in controversy. In any action brought under this paragraph, the court shall receive the records of the administrative proceedings, shall hear additional evidence at the request of a party, and, basing its decision on the preponderance of the evidence, shall grant such relief as the court determines is appropriate.

(2) The right to confidentiality of personally identifiable information, including the right of parents to written notice of and written consent to the exchange of such information among agencies consistent with Federal and State law.

(3) The right of the parents to determine whether they, their infant or toddler, or other family members will accept or decline any early intervention service under this subchapter in accordance with State law without jeopardizing other early intervention services under this subchapter.

(4) The opportunity for parents to examine records relating to assessment, screening, eligibility determinations, and the development and implementation of the individualized family service plan.

(5) Procedures to protect the rights of the infant or toddler whenever the parents of the infant or toddler are not known or cannot be found or the infant or toddler is a ward of the State, including the assignment of an individual (who shall not be an employee of the State lead agency, or other State agency, and who shall not be any person, or any employee of a person, providing early intervention services to the infant or toddler or any family member of the infant or toddler) to act as a surrogate for the parents.

(6) Written prior notice to the parents of the infant or toddler with a disability whenever the State agency or service provider proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or placement of the infant or toddler with a disability, or the provision of appropriate early intervention services to the infant or toddler.

(7) Procedures designed to ensure that the notice required by paragraph (6) fully informs the parents, in the parents' native language, unless it clearly is not feasible to do so, of all procedures available pursuant to this section.

(8) The right of parents to use mediation in accordance with section 1415 of this title, except that—

(A) any reference in the section to a State educational agency shall be considered to be a reference to a State's lead agency established or designated under section 1435(a)(10) of this title;

(B) any reference in the section to a local educational agency shall be considered to be a reference to a local service provider or the State's lead agency under this subchapter, as the case may be; and

(C) any reference in the section to the provision of a free appropriate public education to children with disabilities shall be considered to be a reference to the provision of appropriate early intervention services to infants and toddlers with disabilities.

(b) Services during pendency of proceedings

During the pendency of any proceeding or action involving a complaint by the parents of an infant or toddler with a disability, unless the State agency and the parents otherwise agree, the infant or toddler shall continue to receive the appropriate early intervention services currently being provided or, if applying for initial services, shall receive the services not in dispute.

§ 1440. Payor of last resort

(a) Nonsubstitution

Funds provided under section 1443 of this title may not be used to satisfy a financial commitment for services that would have been paid for from another public or private source, including any medical program administered by the Secretary of Defense, but for the enactment of this subchapter, except that whenever considered necessary to prevent a delay in the receipt of appropriate early intervention services by an infant, toddler, or family in a timely fashion, funds provided under section 1443 of this title may be used to pay the provider of services pending reimbursement from the agency that has ultimate responsibility for the payment.

(b) Obligations related to and methods of ensuring services

(1) Establishing financial responsibility for services

(A) In general

The Chief Executive Officer of a State or designee of the officer shall ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each public agency and the designated lead agency, in order to ensure—

(i) the provision of, and financial responsibility for, services provided under this subchapter; and

(ii) such services are consistent with the requirements of section 1435 of this title and the State's application pursuant to section 1437 of this title, including the provision of such services during the pendency of any such dispute.

(B) Consistency between agreements or mechanisms under subchapter II

The Chief Executive Officer of a State or designee of the officer shall ensure that the terms and conditions of such agreement or mechanism are consistent with the terms and conditions of the State's agreement or mechanism under section 1412(a)(12) of this title, where appropriate.

(2) Reimbursement for services by public agency

(A) In general

If a public agency other than an educational agency fails to provide or pay for the services pursuant to an agreement required under paragraph (1), the local educational agency or State agency (as determined by the Chief Executive Officer or designee) shall provide or pay for the provision of such services to the child.

(B) Reimbursement

Such local educational agency or State agency is authorized to claim reimbursement for the services from the public agency that failed to provide or pay for such services and such public agency shall reimburse the local educational agency or State agency pursuant to the terms of the interagency agreement or other mechanism required under paragraph (1).
