PART E—NATIONAL CENTER FOR SPECIAL
EDUCATION RESEARCH

PRIOR PROVISIONS

A prior part E, consisting of sections 9571 to 9584, was redesignated part F of this subchapter by Pub. L. 108-446, title II, §201(a)(1), Dec. 3, 2004, 118 Stat. 2799.

§ 9567. Establishment

(a) Establishment

There is established in the Institute a National Center for Special Education Research (in this part referred to as the “Special Education Research Center”).

(b) Mission

The mission of the Special Education Research Center is—

(1) to sponsor research to expand knowledge and understanding of the needs of infants, toddlers, and children with disabilities in order to improve the developmental, educational, and transitional results of such individuals;

(2) to sponsor research to improve services provided under, and support the implementation of, the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.); and

(3) to evaluate the implementation and effectiveness of the Individuals with Disabilities Education Act in coordination with the National Center for Education Evaluation and Regional Assistance.

(c) Applicability of this subchapter

Parts A and F, and the standards for peer review of applications and for the conduct and evaluation of research under sections 9533(a) and 9534 of this title, respectively, shall apply to the Secretary, the Director, and the Commissioner in carrying out this part.

(Pub. L. 107-279, title I, §175, as added Pub. L. 108-446, title II, §201(a)(2), Dec. 3, 2004, 118 Stat. 2799.)

REFERENCES IN TEXT

The Individuals with Disabilities Education Act, referred to in subsec. (b)(2), (3), is title VI of Pub. L.

91-230, Apr. 13, 1970, 84 Stat. 175, as amended, which is classified generally to chapter 33 (§1400 et seq.) of this title. For complete classification of this Act to the Code, see section 1400 of this title and Tables.

§ 9567a. Commissioner for Special Education Research

The Special Education Research Center shall be headed by a Commissioner for Special Education Research (in this part referred to as the “Special Education Research Commissioner”) who shall have substantial knowledge of the Special Education Research Center’s activities, including a high level of expertise in the fields of research, research management, and the education of children with disabilities.

§ 9567b. Duties

(a) General duties

The Special Education Research Center shall carry out research activities under this part consistent with the mission described in section 9567(b) of this title, such as activities that—

(1) improve services provided under the Individuals with Disabilities Education Act [20 U.S.C. 1400 et seq.] in order to improve—

(A) academic achievement, functional outcomes, and educational results for children with disabilities; and

(B) developmental outcomes for infants or toddlers with disabilities;

(2) identify scientifically based educational practices that support learning and improve academic achievement, functional outcomes, and educational results for all students with disabilities;

(3) examine the special needs of preschool aged children, infants, and toddlers with disabilities, including factors that may result in developmental delays;

(4) identify scientifically based related services and interventions that promote participation and progress in the general education curriculum and general education settings;

(5) improve the alignment, compatibility, and development of valid and reliable assessments, including alternate assessments, as required by section 6311(b) of this title;

(6) examine State content standards and alternate assessments for students with significant cognitive impairment in terms of academic achievement, individualized instructional need, appropriate education settings, and improved post-school results;

(7) examine the educational, developmental, and transitional needs of children with high incidence and low incidence disabilities;

(8) examine the extent to which overidentification and underidentification of children with disabilities occurs, and the causes thereof;

(9) improve reading and literacy skills of children with disabilities;

(10) examine and improve secondary and postsecondary education and transitional outcomes and results for children with disabilities;
