

(c) Certain training

The Director of the Peace Corps shall ensure that each Peace Corps medical officer serving in a malaria-endemic country receives training in the recognition of the side effects of such medications.

(d) Review and evaluation**(1) In general**

The Director of the Peace Corps, acting through the Associate Director of the Office of Health Services and the country directors, shall review and evaluate the performance and health care delivery of all Peace Corps medical staff, including medical officers, to—

(A) ensure compliance with all relevant Peace Corps policies, practices, and guidelines; and

(B) ensure that medical staff complete the necessary continuing medical education to maintain their skills and satisfy licensing and credentialing standards, as designated by the Director.

(2) Report to Congress

The Director of the Peace Corps shall include, in the annual Peace Corps congressional budget justification, a confirmation that the review and evaluation of all Peace Corps medical staff required under paragraph (1) has been completed.

(e) Antimalarial drugs

The Director of the Peace Corps shall consult with experts at the Centers for Disease Control and Prevention regarding recommendations for prescribing malaria prophylaxis, in order to provide the best standard of care within the context of the Peace Corps environment.

§ 2505. Peace Corps volunteer leaders; number; applicability of chapter; benefits

The President may enroll in the Peace Corps qualified citizens or nationals of the United States whose services are required for supervisory or other special duties or responsibilities in connection with programs under this chapter (referred to in this chapter as “volunteer leaders”). The ratio of the total number of volunteer leaders to the total number of volunteers in service at any one time shall not exceed one to twenty-five. Except as otherwise provided in this chapter, all of the provisions of this chapter applicable to volunteers shall be applicable to volunteer leaders, and the term “volunteers” shall include “volunteer leaders”: *Provided, however, That—*

(1) volunteer leaders shall be entitled to receive a readjustment allowance at a rate not less than \$125 for each month of satisfactory service as determined by the President;

(2) spouses and minor children of volunteer leaders may receive such living, travel, and leave allowances, and such housing, transportation, subsistence, and essential special items of clothing, as the President may determine, but the authority contained in this paragraph shall be exercised only under exceptional circumstances;

(3) spouses and minor children of volunteer leaders accompanying them may receive such health care as the President may determine and upon such terms as he may determine, including health care in any facility referred to in section 2504(e) of this title, subject to such conditions as the President may prescribe and subject to reimbursement of appropriations as provided in section 2504(e) of this title; and

(4) spouses and minor children of volunteer leaders accompanying them may receive such orientation, language, and other training necessary to accomplish the purposes of this chapter as the President may determine.
