

No. 13313, July 31, 2003, 68 F.R. 46074, set out as a note under section 301 of Title 3, The President.

**§ 6729. United States assistance in inspections at private facilities**

**(a) Assistance in preparation for inspections**

At the request of an owner of a facility not owned or operated by the United States Government, or contracted for use by or for the United States Government, the Secretary of Defense may assist the facility to prepare the facility for possible inspections pursuant to the Convention.

**(b) Reimbursement requirement**

**(1) In general**

Except as provided in paragraph (2), the owner of a facility provided assistance under subsection (a) shall reimburse the Secretary for the costs incurred by the Secretary in providing the assistance.

**(2) Exception**

In the case of assistance provided under subsection (a) to a facility owned by a person described in subsection (c), the United States National Authority shall reimburse the Secretary for the costs incurred by the Secretary in providing the assistance.

**(c) Owners covered by United States National Authority reimbursements**

Subsection (b)(2) applies in the case of assistance provided to the following:

**(1) Small business concerns**

A small business concern as defined in section 632 of title 15.

**(2) Domestic producers of Schedule 3 or unscheduled discrete organic chemicals**

Any person located in the United States that—

(A) does not possess, produce, process, consume, import, or export any Schedule 1 or Schedule 2 chemical; and

(B) in the calendar year preceding the year in which the assistance is to be provided, produced—

(i) more than 30 metric tons of Schedule 3 or unscheduled discrete organic chemicals that contain phosphorous, sulfur, or fluorine; or

(ii) more than 200 metric tons of unscheduled discrete organic chemicals.

SUBCHAPTER III—REPORTS

**§ 6741. Reports required by United States National Authority**

**(a) Regulations on recordkeeping**

**(1) Requirements**

The United States National Authority shall ensure that regulations are prescribed that require each person located in the United States who produces, processes, consumes, exports, or imports, or proposes to produce, process, consume, export, or import, a chemical substance that is subject to the Convention to—

(A) maintain and permit access to records related to that production, processing, con-

sumption, export, or import of such substance; and

(B) submit to the Director of the United States National Authority such reports as the United States National Authority may reasonably require to provide to the Organization, pursuant to subparagraph 1(a) of the Annex on Confidentiality of the Convention, the minimum amount of information and data necessary for the timely and efficient conduct by the Organization of its responsibilities under the Convention.

**(2) Rulemaking**

The Director of the United States National Authority shall ensure that regulations pursuant to this section are prescribed expeditiously.

**(b) Coordination**

**(1) Avoidance of duplication**

To the extent feasible, the United States Government shall not require the submission of any report that is unnecessary or duplicative of any report required by or under any other law. The head of each Federal agency shall coordinate the actions of that agency with the heads of the other Federal agencies in order to avoid the imposition of duplicative reporting requirements under this chapter or any other law.

**(2) Definition**

As used in paragraph (1), the term “Federal agency” has the meaning given the term “agency” in section 551(1) of title 5.
