§ 391. Continuance of restrictions on alienation in patent

Zoning, building, and sanitary regulations.

ment, or other public services.

Mission San Xavier del Bac.

Prior to the expiration of the trust period of any Indian allottee to whom a trust or other patent containing restrictions upon alienation has been or shall be issued under any law or treaty the President may, in his discretion, continue such restrictions on alienation for such period as he may deem best: *Provided*, *however*, That this shall not apply to lands in the former Indian Territory.

(June 21, 1906, ch. 3504, 34 Stat. 326.)

Restrictions.

§391a. Sale for town site; removal of restriction

For the purpose of allowing any Indian allottee to sell for townsite purposes any portion of the lands allotted to him, the Secretary of the Interior may, by order, remove restrictions upon the alienation of such lands and issue fee-simple patents therefor under such rules and regulations as he may prescribe.

(June 21, 1906, ch. 3504, 34 Stat. 373.)

§ 392. Consent to or approval of alienation of allotments by Secretary of the Interior

Whenever, in any law or treaty or in any patent issued to Indian allottees for lands in severalty pursuant to such law or treaty, there appears a provision to the effect that the lands so allotted cannot be alienated without the consent of the President of the United States, the
