(2) New schools

Any application which has been submitted under the Indian Self-Determination and Education Assistance Act [25 U.S.C. 5301 et seq.] by an Indian tribe for a school which is not in operation on January 8, 2002, shall be reviewed under the guidelines and regulations for applications submitted under the Indian Self-Determination and Education Assistance Act that were in effect at the time the application was submitted, unless the Indian tribe or tribal organization elects to have the application reviewed under the provisions of subsection (b).

(b) Additional requirements for Bureau-funded schools and certain electing schools

(1) Bureau-funded schools

A school that was a Bureau-funded school under title XI of the Education Amendments of 1978 [25 U.S.C. 2000 et seq.] on January 8, 2002, and any school with respect to which an election is made under subsection (a)(2), meets the requirements of this subsection if—

(ii) whether the school is eligible for assistance under this chapter.

(B) Other determinations

In considering applications submitted under paragraph (1)(A), the Secretary—

(i) shall transfer operation of the school to the Indian tribe or tribal organization, if the tribe or tribal organization is not already operating the school; and

(C) Considerations

In considering applications submitted under paragraph (1)(A), the Secretary shall consider whether the Indian tribe or tribal organization would be deficient in operating the school with respect to—

(i) equipment;

(ii) bookkeeping and accounting procedures;

(iii) ability to adequately manage a school; or

(iv) adequately trained personnel.

(c) Additional requirements for a school which is not a Bureau-funded school

(I) geographic and demographic factors in the affected areas;

(II) adequacy and comparability of programs already available;

(III) consistency of available programs with tribal education codes or tribal legislation on education; and

(IV) the history and success of these services for the proposed population to be served, as determined from all factors including, if relevant, standardized examination performance.

(C) Geographic proximity

The Secretary may not make a determination under this paragraph that is primarily based upon the geographic proximity of comparable public education.

(D) Other information

Applications submitted under paragraph (1)(A) shall include information on the factors described in subparagraph (B)(i), but the applicant may also provide the Secretary such information relative to the factors described in subparagraph (B)(ii) as the applicant considers appropriate.

(E) Deadline

If the Secretary fails to make a determination under subparagraph (A) with respect to an application within 180 days after the date on which the Secretary received the application, the Secretary shall be treated as having made a determination that the tribally controlled school is eligible for assistance under the title¹ and the grant shall become effective 18 months after the date on which the Secretary received the application, or on an earlier date, at the Secretary's discretion.

(d) Filing of applications and reports

(2) Supporting documentation

Any application that is submitted under this chapter shall be accompanied by a document indicating the action taken by the tribal governing body in authorizing such application.

(e) Effective date for approved applications

Except as provided by subsection (c)(2)(E), a grant provided under this chapter, and any transfer of the operation of a Bureau school made under subsection (b), shall become effective beginning the academic year succeeding the fiscal year in which the application for the grant or transfer is made, or at an earlier date determined by the Secretary.

(f) Denial of applications

(1) In general

Whenever the Secretary refuses to approve a grant under this chapter, to transfer operation of a Bureau school under subsection (b), or determines that a school is not eligible for assistance under this chapter, the Secretary shall—
