

ing benefits beyond those provided by the original dams and reservoirs. This chapter is not intended to preclude development of increased storage or benefits under any other authority or to preclude measures to protect fish and wildlife.

(g) Technical assistance

To carry out the purposes of this chapter, the Secretary may obtain technical assistance on a nonreimbursable basis from other departments and agencies. Notwithstanding any such technical assistance, the Dam Safety Maintenance and Repair Program established under subsection (a) shall be under the direction and control of the Bureau.

(h) Contract authority

In addition to any other authority established by law, the Secretary is authorized to contract with Indian tribes under the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.)¹ to carry out the Dam Safety Maintenance and Repair Program established under this chapter.

(i) Annual report

The Secretary shall submit an annual report on the implementation of this chapter. The report shall include—

- (1) the list of dams and their status on the maintenance action plan developed under this section; and
- (2) the projected total cost and a schedule of the projected annual cost of rehabilitation or repair for each dam under this section.

The report shall be submitted at the time the budget is required to be submitted under section 1105 of title 31 to the Subcommittee on Native American Affairs of the Committee on Natural Resources of the House of Representatives and the Committee on Indian Affairs of the Senate.
