

(a) as the increase in the amount of the tax required to be paid for the taxable year by reason of the enactment of this Act shall, for all purposes of the internal revenue laws, be treated as tax shown on the return. Notwithstanding the preceding sentence, that portion of the amount of increase in tax for any taxable year which is attributable to a decrease (by reason of the enactment of this Act) in the net operating loss for a succeeding taxable year shall not be treated as tax shown on the return.

“(3) WAIVER OF INTEREST IN CASE OF PAYMENT ON OR BEFORE DECEMBER 15, 1955.—If the taxpayer, on or before December 15, 1955, files the statement referred to in subsection (a) and pays in full that portion of the amount shown thereon for which the last date prescribed for payment is before December 15, 1955, then for purposes of computing interest (other than interest on overpayments) such portion shall be treated as having been paid on the last date prescribed for payment. This paragraph shall not apply if the amount shown on the statement as the increase in the amount of the tax required to be paid for the taxable year by reason of the enactment of this Act is greater than the actual increase unless the taxpayer establishes, to the satisfaction of the Secretary of the Treasury or his delegate, that his computation of the greater amount was based upon a reasonable interpretation and application of sections 452 and 462 of the Internal Revenue Code of 1986 [formerly I.R.C. 1954] [sections 452 and 462 of this title], as those sections existed before the enactment of this Act.

“(c) SPECIAL RULES.—

“(1) INTEREST FOR PERIOD BEFORE ENACTMENT.—Interest shall not be imposed on the amount of any increase in tax resulting from the enactment of this Act for any period before the day after the date of the enactment of this Act [June 15, 1955].

“(2) ESTIMATED TAX.—Any addition to the tax under section 294(d) of the Internal Revenue Code of 1939 [section 294(d) of former Title 26, Internal Revenue Code], shall be computed as if this Act had not been enacted. In the case of any installment for which the last date prescribed for payment is before December 15, 1955, any addition to the tax under section 6654 of the Internal Revenue Code of 1986 [section 6654 of this title], shall be computed as if this Act had not been enacted.

“(3) TREATMENT OF CERTAIN PAYMENTS WHICH TAXPAYER IS REQUIRED TO MAKE.—If—

“(A) the taxpayer is required to make a payment (or an additional payment) to another person by reason of the enactment of this Act, and

“(B) the Internal Revenue Code of 1986 [this title] prescribes a period, which expires after the close of the taxable year, within which the taxpayer must make such payment (or additional payment) if the amount thereof is to be taken into account (as a deduction or otherwise) in computing taxable income for such taxable year,

then, subject to such regulations as the Secretary of the Treasury or his delegate may prescribe, if such payment (or additional payment) is made on or before December 15, 1955, it shall be treated as having been made within the period prescribed by such Code.

“(4) TREATMENT OF CERTAIN DIVIDENDS.—Subject to such regulations as the Secretary of the Treasury or his delegate may prescribe, for purposes of section 561(a)(1) of the Internal Revenue Code of 1986 [section 561(a)(1) of this title], dividends paid after the 15th day of the third month following the close of the taxable year and on or before December 15, 1955, may be treated as having been paid on the last day of the taxable year, but only to the extent (A) that such dividends are attributable to an increase in taxable income for the taxable year resulting from the enactment of this Act, and (B) elected by the taxpayer.

“(5) DETERMINATION OF DATE PRESCRIBED.—For purposes of this section, the determination of the last date prescribed for payment or for filing a return shall be made without regard to any extension of

time therefor and without regard to any provision of this section.

“(6) REGULATIONS.—For requirement that the Secretary of the Treasury or his delegate shall prescribe all rules and regulations as may be necessary by reason of the enactment of this Act, see section 7805(a) of the Internal Revenue Code of 1986 [section 7805(a) of this title].”

(a) General rule

The amount of the taxable income of any new loss corporation for any post-change year which may be offset by pre-change losses shall not exceed the section 382 limitation for such year.

(b) Section 382 limitation

For purposes of this section—

(1) In general

Except as otherwise provided in this section, the section 382 limitation for any post-change year is an amount equal to—

(A) the value of the old loss corporation, multiplied by

(B) the long-term tax-exempt rate.

(2) Carryforward of unused limitation

If the section 382 limitation for any post-change year exceeds the taxable income of the new loss corporation for such year which was offset by pre-change losses, the section 382 limitation for the next post-change year shall be increased by the amount of such excess.

(3) Special rule for post-change year which includes change date

In the case of any post-change year which includes the change date—

(A) Limitation does not apply to taxable income before change

Subsection (a) shall not apply to the portion of the taxable income for such year which is allocable to the period in such year on or before the change date. Except as provided in subsection (h)(5) and in regulations, taxable income shall be allocated ratably to each day in the year.

(B) Limitation for period after change

For purposes of applying the limitation of subsection (a) to the remainder of the tax-

able income for such year, the section 382 limitation shall be an amount which bears the same ratio to such limitation (determined without regard to this paragraph) as—

- (i) the number of days in such year after the change date, bears to
- (ii) the total number of days in such year.

(c) Carryforwards disallowed if continuity of business requirements not met

(1) In general

Except as provided in paragraph (2), if the new loss corporation does not continue the business enterprise of the old loss corporation at all times during the 2-year period beginning on the change date, the section 382 limitation for any post-change year shall be zero.

(2) Exception for certain gains

The section 382 limitation for any post-change year shall not be less than the sum of—

- (A) any increase in such limitation under—
 - (i) subsection (h)(1)(A) for recognized built-in gains for such year, and
 - (ii) subsection (h)(1)(C) for gain recognized by reason of an election under section 338, plus

(d) Pre-change loss and post-change year

For purposes of this section—

(1) Pre-change loss

The term “pre-change loss” means—

(A) any net operating loss carryforward of the old loss corporation to the taxable year ending with the ownership change or in which the change date occurs, and

(B) the net operating loss of the old loss corporation for the taxable year in which the ownership change occurs to the extent such loss is allocable to the period in such year on or before the change date.

(1) In general

Except as otherwise provided in this subsection, the value of the old loss corporation is the value of the stock of such corporation (including any stock described in section 1504(a)(4)) immediately before the ownership change.

(2) Special rule in the case of redemption or other corporate contraction

If a redemption or other corporate contraction occurs in connection with an ownership change, the value under paragraph (1) shall be determined after taking such redemption or other corporate contraction into account.

(3) Treatment of foreign corporations

Except as otherwise provided in regulations, in determining the value of any old loss corporation which is a foreign corporation, there shall be taken into account only items treated as connected with the conduct of a trade or business in the United States.

(f) Long-term tax-exempt rate

For purposes of this section—

(1) In general

The long-term tax-exempt rate shall be the highest of the adjusted Federal long-term rates in effect for any month in the 3-calendar-month period ending with the calendar month in which the change date occurs.

(2) Adjusted Federal long-term rate

For purposes of paragraph (1), the term “adjusted Federal long-term rate” means the Federal long-term rate determined under section 1274(d), except that—

(A) paragraphs (2) and (3) thereof shall not apply, and

(B) such rate shall be properly adjusted for differences between rates on long-term taxable and tax-exempt obligations.

(g) Ownership change

For purposes of this section—

(1) In general

There is an ownership change if, immediately after any owner shift involving a 5-percent shareholder or any equity structure shift—

(A) the percentage of the stock of the loss corporation owned by 1 or more 5-percent shareholders has increased by more than 50 percentage points, over

(B) the lowest percentage of stock of the loss corporation (or any predecessor corporation) owned by such shareholders at any time during the testing period.

(2) Owner shift involving 5-percent shareholder

There is an owner shift involving a 5-percent shareholder if—

(A) there is any change in the respective ownership of stock of a corporation, and

(A) Treatment of less than 5-percent shareholders

Except as provided in subparagraphs (B)(i) and (C), in determining whether an ownership change has occurred, all stock owned by shareholders of a corporation who are not 5-percent shareholders of such corporation shall be treated as stock owned by 1 5-percent shareholder of such corporation.

(B) Coordination with equity structure shifts

For purposes of determining whether an equity structure shift (or subsequent transaction) is an ownership change—

(i) Less than 5-percent shareholders

Subparagraph (A) shall be applied separately with respect to each group of shareholders (immediately before such equity structure shift) of each corporation which was a party to the reorganization involved in such equity structure shift.

(ii) Acquisitions of stock

Unless a different proportion is established, acquisitions of stock after such equity structure shift shall be treated as being made proportionately from all shareholders immediately before such acquisition.

(C) Coordination with other owner shifts

Except as provided in regulations, rules similar to the rules of subparagraph (B) shall apply in determining whether there has been an owner shift involving a 5-percent shareholder and whether such shift (or subsequent transaction) results in an ownership change.

(D) Treatment of worthless stock

If any stock held by a 50-percent shareholder is treated by such shareholder as becoming worthless during any taxable year of such shareholder and such stock is held by such shareholder as of the close of such taxable year, for purposes of determining whether an ownership change occurs after the close of such taxable year, such shareholder—

(i) shall be treated as having acquired such stock on the 1st day of his 1st succeeding taxable year, and

(ii) shall not be treated as having owned such stock during any prior period.

For purposes of the preceding sentence, the term “50-percent shareholder” means any person owning 50 percent or more of the stock of the corporation at any time during the 3-year period ending on the last day of the taxable year with respect to which the stock was so treated.

(h) Special rules for built-in gains and losses and section 338 gains

For purposes of this section—

(1) In general

(A) Net unrealized built-in gain

(I) the net unrealized built-in gain, reduced by

(II) recognized built-in gains for prior years ending in the recognition period.

(B) Net unrealized built-in loss

(i) In general

(ii) Limitation

Clause (i) shall apply to recognized built-in losses for any recognition period taxable year only to the extent such losses do not exceed—

(I) the net unrealized built-in loss, reduced by

(II) recognized built-in losses for prior taxable years ending in the recognition period.

(C) Special rules for certain section 338 gains

If an election under section 338 is made in connection with an ownership change and the net unrealized built-in gain is zero by reason of paragraph (3)(B), then, with respect to such change, the section 382 limitation for the post-change year in which gain is recognized by reason of such election shall be increased by the lesser of—

(i) the recognized built-in gains by reason of such election, or

(I) the adjusted basis of such asset on the change date, over

(II) the fair market value of such asset on such date.

(A) Net unrealized built-in gain and loss

(i) In general

The terms “net unrealized built-in gain” and “net unrealized built-in loss” mean, with respect to any old loss corporation, the amount by which—

(II) the aggregate adjusted basis of such assets at such time.

If a redemption or other corporate contraction occurs in connection with an ownership change, to the extent provided in regulations, determinations under clause (i) shall be made after taking such redemption or other corporate contraction into account.

(B) Threshold requirement

(i) In general

If the amount of the net unrealized built-in gain or net unrealized built-in loss (determined without regard to this subparagraph) of any old loss corporation is not greater than the lesser of—

(I) 15 percent of the amount determined for purposes of subparagraph (A)(i)(I), or

(II) \$10,000,000,

the net unrealized built-in gain or net unrealized built-in loss shall be zero.

(ii) Cash and cash items not taken into account

In computing any net unrealized built-in gain or net unrealized built-in loss under clause (i), except as provided in regulations, there shall not be taken into account—

(I) any cash or cash item, or

(II) any marketable security which has a value which does not substantially differ from adjusted basis.

(4) Disallowed loss allowed as a carryforward

If a deduction for any portion of a recognized built-in loss is disallowed for any post-change year, such portion—

(A) shall be carried forward to subsequent taxable years under rules similar to the rules for the carrying forward of net operating losses (or to the extent the amount so disallowed is attributable to capital losses, under rules similar to the rules for the carrying forward of net capital losses), but

(B) shall be subject to limitation under this section in the same manner as a pre-change loss.

(5) Special rules for post-change year which includes change date

For purposes of subsection (b)(3)—

(A) in applying subparagraph (A) thereof, taxable income shall be computed without regard to recognized built-in gains to the extent such gains increased the section 382 limitation for the year (or recognized built-in losses to the extent such losses are treated as pre-change losses), and gain described in paragraph (1)(C), for the year, and

(B) in applying subparagraph (B) thereof, the section 382 limitation shall be computed without regard to recognized built-in gains, and gain described in paragraph (1)(C), for the year.

(6) Treatment of certain built-in items

(A) Income items

(B) Deduction items

Any amount which is allowable as a deduction during the recognition period (determined without regard to any carryover) but which is attributable to periods before the change date shall be treated as a recognized built-in loss for the taxable year for which it is allowable as a deduction.

(C) Adjustments

The amount of the net unrealized built-in gain or loss shall be properly adjusted for amounts which would be treated as recognized built-in gains or losses under this paragraph if such amounts were properly taken into account (or allowable as a deduction) during the recognition period.

(9) Tax-free exchanges or transfers

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subsection where property held on the change date was acquired (or is subsequently transferred) in a transaction where gain or loss is not recognized (in whole or in part).

(3) Shorter period where all losses arise after 3-year period begins

The testing period shall not begin before the earlier of the 1st day of the 1st taxable year from which there is a carryforward of a loss or of an excess credit to the 1st post-change year or the taxable year in which the transaction being tested occurs. “(a) FINDINGS.—Congress finds as follows:

“(1) The delegation of authority to the Secretary of the Treasury under section 382(m) of the Internal Revenue Code of 1986 does not authorize the Secretary to provide exemptions or special rules that are restricted to particular industries or classes of taxpayers.

“(2) Internal Revenue Service Notice 2008-83 is inconsistent with the congressional intent in enacting such section 382(m).

“(3) The legal authority to prescribe Internal Revenue Service Notice 2008-83 is doubtful.

“(4) However, as taxpayers should generally be able to rely on guidance issued by the Secretary of the Treasury legislation is necessary to clarify the force and effect of Internal Revenue Service Notice 2008-83 and restore the proper application under the Internal Revenue Code of 1986 of the limitation on built-in losses following an ownership change of a bank.
