If an organization described in section 501(c) or (d) is exempt from taxation under section 501(a) for any taxable year or a political organization is exempt from taxation under section 527 for any taxable year, the application filed by the organization with respect to which the Secretary made his determination that such organization was entitled to exemption under section 501(a) or notice of status filed by the organization under section 527(i), together with any papers submitted in support of such application or notice, and any letter or other document issued by the Internal Revenue Service with respect to such application or notice shall be open to public inspection at the national office of the Internal Revenue Service. In the case of any application or notice filed after the date of the enactment of this subparagraph, a copy of such application or notice and such letter or document shall be open to public inspection at the appropriate field office of the Internal Revenue Service (determined under regulations prescribed by the Secretary). Any inspection under this subparagraph may be made at such times, and in such manner, as the Secretary shall by regulations prescribe. After the application of any organization for exemption from taxation under section 501(a) has been opened to public inspection under this subparagraph, the Secretary shall, on the request of any person with respect to such organization, furnish a statement indicating the subsection and paragraph of section 501 which it has been determined describes such organization.

(B) Pension, etc., plans

The following shall be open to public inspection at such times and in such places as the Secretary may prescribe:

(iii) any papers submitted in support of an application referred to in clause (i) or (ii), and

(iv) any letter or other document issued by the Internal Revenue Service and dealing with the qualification referred to in clause (i) or the exemption from tax referred to in clause (ii).

Except in the case of a plan participant, this subparagraph shall not apply to any plan referred to in clause (i) having not more than 25 participants.

(C) Certain names and compensation not to be opened to public inspection

In the case of any application, document, or other papers, referred to in subparagraph (B), information from which the compensation (including deferred compensation) of any individual may be ascertained shall not be open to public inspection under subparagraph (B).

(D) Withholding of certain other information

Upon request of the organization submitting any supporting papers described in subparagraph (A) or (B), the Secretary shall withhold from public inspection any information contained therein which he determines relates to any trade secret, patent, process, style of work, or apparatus, of the organization, if he determines that public disclosure of such information would adversely affect the organization. The Secretary shall withhold from public inspection any information contained in supporting papers described in subparagraph (A) or (B) the public disclosure of which he determines would adversely affect the national defense.

Nothing in this subsection shall authorize the Secretary to disclose the name or address of any contributor to any organization or trust (other than a private foundation, as defined in section 509(a) or a political organization exempt from taxation under section 527) which is required to furnish such information. In the case of an organization described in section 501(d), this subsection shall not apply to copies referred to in section 6031(b) with respect to such organization.
