§ 762. National Institute on Disability, Independent Living, and Rehabilitation Research

(a) Establishment; Director as principal officer

(1) There is established within the Administration for Community Living of the Department of Health and Human Services a National Institute on Disability, Independent Living, and Rehabilitation Research (referred to in this subchapter as the "Institute"), which shall be headed by a Director (hereinafter in this subchapter referred to as the "Director"), in order to—

- (A) promote, coordinate, and provide for—
 - (i) research;
 - (ii) demonstration projects, training, and technical assistance;
 - (iii) outreach and information that clarifies research implications for policy and practice; and
 - (iv) related activities,

with respect to individuals with disabilities;

(B) more effectively carry out activities through the programs under section 764 of this title and activities under this section;

(C) widely disseminate information from the activities described in subparagraphs (A) and (B); and

(D) provide leadership in advancing the quality of life of individuals with disabilities.

(2) In the performance of the functions of the office, the Director shall be directly responsible to the Administrator for the Administration for Community Living of the Department of Health and Human Services.

(b) Duties of Director

The Director, through the Institute, shall be responsible for—

(1) administering the programs described in section 764 of this title and activities under this section;

(2) widely disseminating findings, conclusions, and recommendations, resulting from research, demonstration projects, training, and related activities (referred to in this subchapter as "covered activities") funded by the Institute, to—

- (A) other Federal, State, tribal, and local public agencies;
- (B) private organizations engaged in research relating to—
 - (i) independent living;
 - (ii) rehabilitation; or
 - (iii) providing rehabilitation or independent living services;
- (C) rehabilitation practitioners; and
- (D) individuals with disabilities and the individuals' representatives;

(3) coordinating, through the Interagency Committee established by section 763 of this title, all Federal programs and policies relating to research on disability, independent living, and rehabilitation;

(4) widely disseminating educational materials and research results, concerning ways to maximize the full inclusion and integration into society, employment, independent living, education, health and wellness, family support, and economic and social self-sufficiency of individuals with disabilities, to—

- (A) public and private entities, including—
 - (i) elementary schools and secondary schools (as defined in section 7801 of title 20); and
 - (ii) institutions of higher education;

(B) rehabilitation practitioners;

(C) employers and organizations representing employers with respect to employment-based educational materials or research;

(D) individuals with disabilities (especially such individuals who are members of minority groups or of populations that are underserved or underserved by programs under this chapter);

(E) the individuals' representatives for the individuals described in subparagraph (D); and

(F) the Committee on Education and the Workforce of the House of Representatives, the Committee on Appropriations of the House of Representatives, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Appropriations of the Senate;

(5)(A) conducting an education program to inform the public about ways of providing for the rehabilitation of individuals with disabilities, including information relating to—

- (i) family care;
- (ii) self-care; and
- (iii) assistive technology devices and assistive technology services; and

(B) as part of the program, disseminating engineering information about assistive technology devices;

(6) conducting conferences, seminars, and workshops (including in-service training programs and programs for individuals with disabilities) concerning advances in disability, independent living, and rehabilitation research and rehabilitation technology (including advances concerning the selection and use of assistive technology devices and assistive technology services), pertinent to the full inclusion and integration into society, employment, independent living, education, health and wellness, family support, and economic and social self-sufficiency of individuals with disabilities;

(7) producing, in conjunction with the Department of Labor, the National Center for Health Statistics, the Bureau of the Census, the Centers for Medicare & Medicaid Services, the Social Security Administration, the Bureau of Indian Affairs, the Indian Health Service, and other Federal departments and agencies, as may be appropriate, statistical reports and studies on the employment, self-employ-
