

Subsec. (a)(2). Pub. L. 111-2, §5(c)(1)(B), inserted “(42 U.S.C. 2000d et seq.) (and in subsection (e)(3) of section 706 of such Act (42 U.S.C. 2000e-5), applied to claims of discrimination in compensation)” after “1964”.

EFFECTIVE DATE OF 2009 AMENDMENT

Amendment by Pub. L. 111-2 effective as if enacted May 28, 2007, and applicable to certain claims of discrimination in compensation pending on or after that date, see section 6 of Pub. L. 111-2, set out as a note under section 2000e-5 of Title 42, The Public Health and Welfare.

**§ 794b. Removal of architectural, transportation, or communication barriers; technical and financial assistance; compensation of experts or consultants; authorization of appropriations**

(a) The Secretary may provide directly or by contract with State vocational rehabilitation agencies or experts or consultants or groups thereof, technical assistance—

(1) to persons operating community rehabilitation programs; and

(2) with the concurrence of the Access Board established by section 792 of this title, to any public or nonprofit agency, institution, or organization;

for the purpose of assisting such persons or entities in removing architectural, transportation, or communication barriers. Any concurrence of the Access Board under paragraph (2) shall reflect its consideration of cost studies carried out by States.

(b) Any such experts or consultants, while serving pursuant to such contracts, shall be entitled to receive compensation at rates fixed by the Secretary, but not exceeding the daily equivalent of the rate of pay for level 4 of the Senior Executive Service Schedule under section 5382 of title 5, including travel time, and while so serving away from their homes or regular places of business, they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 for persons in the Government service employed intermittently.

(c) The Secretary, with the concurrence of the Access Board and the President, may provide, directly or by contract, financial assistance to any public or nonprofit agency, institution, or organization for the purpose of removing architectural, transportation, and communication barriers. No assistance may be provided under this subsection until a study demonstrating the need for such assistance has been conducted and submitted under section 792(i)(1) of this title.

(d) In order to carry out this section, there are authorized to be appropriated such sums as may be necessary.
