SUBTITLE C—TERMINATIONS

§ 1341. Termination of single-employer plans

(a) General rules governing single-employer plan terminations

(1) Exclusive means of plan termination

Except in the case of a termination for which proceedings are otherwise instituted by the corporation as provided in section 1342 of this title, a single-employer plan may be terminated only in a standard termination under subsection (b) or a distress termination under subsection (c).

(2) 60-day notice of intent to terminate

Not less than 60 days before the proposed termination date of a standard termination under subsection (b) or a distress termination under subsection (c), the plan administrator shall provide to each affected party (other than the corporation in the case of a standard termination) a written notice of intent to terminate stating that such termination is intended and the proposed termination date. The written notice shall include any related additional information required in regulations of the corporation.

(3) Adherence to collective bargaining agreements

The corporation shall not proceed with a termination of a plan under this section if the termination would violate the terms and conditions of an existing collective bargaining agreement. Nothing in the preceding sentence shall be construed as limiting the authority of the corporation to institute proceedings to involuntarily terminate a plan under section 1342 of this title.

(b) Standard termination of single-employer plans

(1) General requirements

A single-employer plan may terminate under a standard termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to

affected parties required under subsection (a)(2),

(B) the requirements of subparagraphs (A) and (B) of paragraph (2) are met,

(C) the corporation does not issue a notice of noncompliance under subparagraph (C) of paragraph (2), and

(D) when the final distribution of assets occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(2) Termination procedure

(A) Notice to the corporation

As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2), the plan administrator shall send a notice to the corporation setting forth—

(i) certification by an enrolled actuary—

(I) of the projected amount of the assets of the plan (as of a proposed date of final distribution of assets),

(II) of the actuarial present value (as of such date) of the benefit liabilities (determined as of the proposed termination date) under the plan, and

(III) that the plan is projected to be sufficient (as of such proposed date of final distribution) for such benefit liabilities,

(ii) such information as the corporation may prescribe in regulations as necessary to enable the corporation to make determinations under subparagraph (C), and

(iii) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certification under clause (i) is accurate and complete, and

(II) the information provided to the corporation under clause (ii) is accurate and complete.

Clause (i) and clause (iii)(I) shall not apply to a plan described in section 412(i)¹ of title 26.

(B) Notice to participants and beneficiaries of benefit commitments²

No later than the date on which a notice is sent by the plan administrator under subparagraph (A), the plan administrator shall send a notice to each person who is a participant or beneficiary under the plan—

(i) specifying the amount of the benefit liabilities (if any) attributable to such person as of the proposed termination date and the benefit form on the basis of which such amount is determined, and

(ii) including the following information used in determining such benefit liabilities:
