

**(3) Projects identified in appendix**

A project or separable element of a project identified in the appendix to the final deauthorization list shall remain subject to future deauthorization by Congress.

**(e) Special rule for projects receiving funds for post-authorization study**

A project or separable element of a project may not be identified on the interim deauthorization list developed under subsection (b), or the final deauthorization list developed under subsection (c), if the project or separable element received funding for a post-authorization study during the current fiscal year or any of the 6 preceding fiscal years.

**(f) General provisions****(1) Definitions**

In this section, the following definitions apply:

**(A) Post-authorization study**

The term “post-authorization study” means—

- (i) a feasibility report developed under section 2282 of this title;
- (ii) a feasibility study, as defined in section 2215(d) of this title; or
- (iii) a review conducted under section 549a of this title, including an initial appraisal that—
  - (I) demonstrates a Federal interest; and
  - (II) requires additional analysis for the project or separable element.

**(B) Water resources development project**

The term “water resources development project” includes an environmental infrastructure assistance project or program of the Corps of Engineers.

**(2) Treatment of project modifications**

For purposes of this section, if an authorized water resources development project or separable element of the project has been modified by an Act of Congress, the date of the authorization of the project or separable element shall be deemed to be the date of the most recent modification.

**“SECRETARY” DEFINED**

Secretary means the Secretary of the Army, see section 102 of Pub. L. 115–270, set out as a note under section 2201 of this title.

**§ 579e. Access to real estate data****(a) In general**

Using available funds, the Secretary shall make publicly available, including on a publicly accessible website, information on all Federal real estate assets in the United States that are owned, operated, or managed by, or in the custody of, the Corps of Engineers.

**(b) Requirements****(1) In general**

The real estate information made available under subsection (a) shall include—

(A) existing standardized real estate plat descriptions of assets described in subsection (a); and

(B) existing geographic information systems and geospatial information associated with such assets.

**(2) Collaboration**

In making information available under subsection (a), the Secretary shall consult with the Administrator of General Services. Such information may be made available, in whole or in part, in the Federal real property database published under section 21 of the Federal Assets Sale and Transfer Act of 2016 (Public Law 114–287), as determined appropriate by the Administrator of General Services. Nothing in this paragraph shall be construed as requiring the Administrator of General Services to add additional data elements or features to such Federal real property database if such additions are impractical or would add additional costs to such database.

**(c) Limitation**

Nothing in this section shall compel or authorize the disclosure of data or other information determined by the Secretary to be confidential, privileged, national security information, personal information, or information the disclosure of which is otherwise prohibited by law.

**(d) Timing**

The Secretary shall ensure that the implementation of subsection (a) occurs as soon as practicable.

**(e) Effect on other laws**

Nothing in this section shall be construed as modifying, or exempting the Corps of Engineers from, the requirements of the Federal real property database published under section 21 of the Federal Assets Sale and Transfer Act of 2016 (Public Law 114–287).
