

§ 30104. Improved investigative and forensic resources for enforcement of laws related to intellectual property crimes

(a) In general

Subject to the availability of appropriations to carry out this subsection, the Attorney General, in consultation with the Director of the Federal Bureau of Investigation, shall, with respect to crimes related to the theft of intellectual property—

(1) ensure that there are at least 10 additional operational agents of the Federal Bureau of Investigation designated to support the Computer Crime and Intellectual Property Section of the Criminal Division of the Department of Justice in the investigation and coordination of intellectual property crimes;

(2) ensure that any Computer Hacking and Intellectual Property Crime Unit in the Department of Justice is supported by at least 1 agent of the Federal Bureau of Investigation (in addition to any agent supporting such unit as of October 13, 2008) to support such unit for the purpose of investigating or prosecuting intellectual property crimes;

(3) ensure that all Computer Hacking and Intellectual Property Crime Units located at an office of a United States Attorney are assigned at least 2 Assistant United States Attorneys responsible for investigating and prosecuting computer hacking or intellectual property crimes; and

(4) ensure the implementation of a regular and comprehensive training program—

(A) the purpose of which is to train agents of the Federal Bureau of Investigation in the investigation and prosecution of such crimes and the enforcement of laws related to intellectual property crimes; and

(B) that includes relevant forensic training related to investigating and prosecuting intellectual property crimes.

(b) Organized crime plan

Subject to the availability of appropriations to carry out this subsection, and not later than 180 days after October 13, 2008, the Attorney General, through the United States Attorneys' Offices, the Computer Crime and Intellectual Property section, and the Organized Crime and Racketeering section of the Department of Justice, and in consultation with the Federal Bureau of Investigation and other Federal law enforcement agencies, such as the Department of Homeland Security, shall create and implement a comprehensive, long-range plan to investigate and prosecute international organized crime syndicates engaging in or supporting crimes relating to the theft of intellectual property.

(c) Authorization

There are authorized to be appropriated to carry out this section \$10,000,000 for each of fiscal years 2009 through 2013.

§ 30105. Additional funding for resources to investigate and prosecute intellectual property crimes and other criminal activity involving computers

(a) Additional funding for resources

(1) Authorization

In addition to amounts otherwise authorized for resources to investigate and prosecute intellectual property crimes and other criminal activity involving computers, there are authorized to be appropriated for each of the fiscal years 2009 through 2013—

(A) \$10,000,000 to the Director of the Federal Bureau of Investigation; and

(B) \$10,000,000 to the Attorney General for the Criminal Division of the Department of Justice.

(2) Availability

Any amounts appropriated under paragraph (1) shall remain available until expended.

(b) Use of additional funding

Funds made available under subsection (a) shall be used by the Director of the Federal Bureau of Investigation and the Attorney General, for the Federal Bureau of Investigation and the Criminal Division of the Department of Justice, respectively, to—

(1) hire and train law enforcement officers to—

(A) investigate intellectual property crimes and other crimes committed through the use of computers and other information technology, including through the use of the Internet; and

(B) assist in the prosecution of such crimes; and

(2) enable relevant units of the Department of Justice, including units responsible for investigating computer hacking or intellectual property crimes, to procure advanced tools of forensic science and expert computer forensic assistance, including from non-governmental entities, to investigate, prosecute, and study such crimes.

(Pub. L. 110–403, title IV, § 403, Oct. 13, 2008, 122 Stat. 4273.)
