EX. ORD. NO. 13294. REGULATIONS RELATING TO HAZARDOUS DUTY INCENTIVE PAY, AVIATION CAREER INCENTIVE PAY, AND SUBMARINE DUTY INCENTIVE PAY

Ex. Ord. No. 13294, Mar. 28, 2003, 68 F.R. 15919, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including sections 301, 301a, and 301c of title 37, United States Code, and section 301 of title 3, United States Code, it is hereby ordered as follows:

SECTION 1. The Secretary of Defense, the Secretary of Commerce, the Secretary of Health and Human Services, and the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy, with respect to members of the uniformed services under their respective jurisdictions, are hereby designated and empowered to exercise, without approval, ratification, or other action by the President, the authority vested in the President by sections 301, 301a, and 301c of title 37, United States Code. The Secretaries shall consult each other in the exercise of such authority to ensure similar treatment for similarly situated members of the uniformed services unless the needs of their respective uniformed services require differing treatment.

SEC. 2. Executive Order 11157 of June 22, 1964, as amended, and Executive Order 11800 of August 17, 1974, as amended, are hereby revoked.

SEC. 3. This order is not intended to create, nor does it create, any right, benefit, or privilege, substantive or procedural, enforceable at law by a party against the United States, its agencies, officers, employees, or any other person.

GEORGE W. BUSH.

§ 301a. Incentive pay: aviation career

(a)(1) Subject to regulations prescribed by the President, a member of a uniformed service who is entitled to basic pay is also entitled to aviation career incentive pay in the amount set forth in subsection (b) for the frequent and regular performance of operational or proficiency flying duty required by orders.

(2) Aviation career incentive pay shall be restricted to regular and reserve officers who hold, or are in training leading to, an aeronautical rating or designation and who engage and remain in aviation service on a career basis.

(3) Under regulations prescribed by the Secretary of Defense, the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy, or the Secretary of Commerce and the Secretary of Health and Human Services with respect to members under their respective jurisdiction, an officer (except a flight surgeon or other medical officer) who is entitled to basic pay, holds an aeronautical rating or designation, and is qualified for aviation service under regulations prescribed by the Secretary concerned, is entitled

to continuous monthly incentive pay in the amount set forth in subsection (b) that is applicable to him. A flight surgeon or other medical officer who is entitled to basic pay, holds an aeronautical rating or designation, and is qualified for aviation service under regulations prescribed by the Secretary concerned, is not entitled to continuous monthly incentive pay but is entitled to monthly incentive pay in the amounts set forth in subsection (b) for the frequent and regular performance of operational flying duty.

(4) To be entitled to continuous monthly incentive pay, an officer must perform the prescribed operational flying duties (including flight training but excluding proficiency flying) for 8 of the first 12, and 12 of the first 18 years of the aviation service of the officer. However, if an officer performs the prescribed operational flying duties (including flight training but excluding proficiency flying) for at least 10 but less than 12 of the first 18 years of the aviation service of the officer, the officer will be entitled to continuous monthly incentive pay for the first 22 years of aviation service of the officer. Entitlement to continuous monthly incentive pay ceases for an officer (other than a warrant officer) upon completion of 25 years of aviation service, but such an officer in a pay grade below pay grade O-7 remains entitled to monthly incentive pay under subsection (b)(1) for the performance of operational flying duty.

(5) If upon completion of either 12 or 18 years of aviation service it is determined that an officer has failed to perform the minimum prescribed operational flying duty requirements during the prescribed periods of time, his entitlement to continuous monthly incentive pay ceases. For the needs of the service, the Secretary concerned may permit, on a case by case basis, an officer to continue to receive continuous monthly incentive pay despite the failure of the officer to perform the prescribed operational flying duty requirements during the prescribed periods of time so long as the officer has performed those requirements for not less than 6 years of aviation service. The Secretary concerned may not delegate the authority in the preceding sentence to permit the payment of incentive pay under this subsection. If at the completion of 12 years of aviation service entitlement to continuous monthly incentive pay ceases, entitlement to that pay may again commence at the completion of 18 years of aviation service upon completion of the minimum operational flying duty requirements, such pay to continue for a period of time as prescribed in accordance with this section. However, if entitlement to continuous monthly incentive pay ceases in the case of any officer at the completion of either 12 or 18 years of aviation service, such officer remains entitled to monthly incentive pay for the performance of subsequent operational or proficiency flying duties up to the maximum period of time prescribed in accordance with this section.

(6) In this section:

(A) The term "aviation service" means service performed by an officer (except a flight surgeon or other medical officer) while holding

an aeronautical rating or designation or while in training to receive an aeronautical rating or designation.

(B) The term “operational flying duty” means flying performed under competent orders by rated or designated members while serving in assignments in which basic flying skills normally are maintained in the performance of assigned duties as determined by the Secretary concerned, and flying performed by members in training that leads to the award of an aeronautical rating or designation.

(C) The term “proficiency flying duty” means flying performed under competent orders by rated or designated members while serving in assignments in which such skills would normally not be maintained in the performance of assigned duties.

(D) The term “officer” includes an individual enlisted, and designated, as an aviation cadet under section 8411 of title 10.

(b)(1) A member who satisfies the requirements described in subsection (a) is entitled to monthly incentive pay as follows:

Years of aviation service (including flight training) as an officer:	Monthly rate
2 or less	\$125
Over 2	\$156
Over 3	\$188
Over 4	\$206
Over 6	\$650
Over 14	\$840
Over 22	\$585
Over 23	\$495
Over 24	\$385
Over 25	\$250

(2) An officer in a pay grade above O-6 is entitled, until the officer completes 25 years of aviation service, to be paid at the rates set forth in the table in paragraph (1), except that—

(A) an officer in pay grade O-7 may not be paid at a rate greater than \$200 a month; and

(B) an officer in pay grade O-8 or above may not be paid at a rate greater than \$206 a month.

(3) For a warrant officer with over 22, 23, 24, or 25 years of aviation service who is qualified under subsection (a), the rate prescribed in the table in paragraph (1) for officers with over 14 years of aviation service shall continue to apply to the warrant officer.

(4) An officer serving as an air battle manager who is entitled to aviation career incentive pay under this section and who, before becoming entitled to aviation career incentive pay, was entitled to incentive pay under section 301(a)(13) of this title, shall be paid the monthly incentive pay at the higher of the following rates:

(A) The rate otherwise applicable to the member under this subsection.

(B) The rate at which the member was receiving incentive pay under section 301(c)(2)(A) of this title immediately before the member's entitlement to aviation career incentive pay under this section.

(c) In time of war, the President may suspend the payment of aviation career incentive pay.

(d) Under regulations prescribed by the President and to the extent provided for by appro-

priations, when a member of a reserve component of a uniformed service, or of the National Guard, who is entitled to compensation under section 206 of this title, performs, under orders, duty described in subsection (a) for members entitled to basic pay, he is entitled to an increase in compensation equal to $\frac{1}{30}$ of the monthly incentive pay authorized by subsection (b) for the performance of that duty by a member with corresponding years of aviation service who is entitled to basic pay. Such member is entitled to the increase for as long as he is qualified for it, for each regular period of instruction, or period of appropriate duty, at which he is engaged for at least two hours, including that performed on a Sunday or holiday, or for the performance of such other equivalent training, instruction, duty or appropriate duties, as the Secretary may prescribe under section 206(a) of this title. This subsection does not apply to a member who is entitled to basic pay under section 204 of this title.
