Ex. Ord. No. 13126, June 12, 1999, 64 F.R. 32383, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to continue the executive branch's commitment to fighting abusive child labor practices, it is hereby ordered as follows:

SECTION. 1. Policy. It shall be the policy of the United States Government, consistent with the Tariff Act of 1930, 19 U.S.C. 1307, the Fair Labor Standards Act [of 1938], 29 U.S.C. 201 et. seq., and the Walsh-Healey Public Contracts Act [Walsh-Healey Act], [former] 41 U.S.C. 35 et seq. [see 41 U.S.C. 6501 et seq.], that executive agencies shall take appropriate actions to enforce the laws prohibiting the manufacture or importation of goods,

wares, articles, and merchandise mined, produced, or manufactured wholly or in part by forced or indentured child labor

SEC. 2. Publication of List. Within 120 days after the date of this order, the Department of Labor, in consultation and cooperation with the Department of the Treasury and the Department of State, shall publish in the Federal Register a list of products, identified by their country of origin, that those Departments have a reasonable basis to believe might have been mined, produced, or manufactured by forced or indentured child labor. The Department of Labor may conduct hearings to assist in the identification of those products.

SEC. 3. Procurement Regulations. Within 120 days after the date of this order, the Federal Acquisition Regulatory Council shall issue proposed rules to implement the following:

- (a) Required Solicitation Provisions. Each solicitation of offers for a contract for the procurement of a product included on the list published under section 2 of this order shall include the following provisions:

- (2) A provision that obligates the contractor to cooperate fully in providing reasonable access to the contractor's records, documents, persons, or premises if reasonably requested by authorized officials of the contracting agency, the Department of the Treasury, or the Department of Justice, for the purpose of determining whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract.
- (b) Investigations. Whenever a contracting officer of an executive agency has reason to believe that forced or indentured child labor was used to mine, produce, or manufacture a product furnished pursuant to a contract subject to the requirements of subsection 3(a) of this order, the head of the executive agency shall refer the matter for investigation to the Inspector General of the executive agency and, as the head of the executive agency or the Inspector General determines appropriate, to the Attorney General and the Secretary of the Treasury.
 - (c) Remedies
- (1) The head of an executive agency may impose remedies as provided in this subsection in the case of a contractor under a contract of the executive agency if the head of the executive agency finds that the contractor:
