(B) establishing a drug-free awareness program to inform employees about—

(i) the dangers of drug abuse in the workplace;

(ii) the person’s policy of maintaining a drug-free workplace;

(iii) available drug counseling, rehabilitation, and employee assistance programs; and

(iv) the penalties that may be imposed on employees for drug abuse violations;

(C) making it a requirement that each employee to be engaged in the performance of the contract be given a copy of the statement required by subparagraph (A);

(D) notifying the employee in the statement required by subparagraph (A) that as a condition of employment on the contract the employee will—

(i) abide by the terms of the statement; and

(ii) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after the conviction;

(E) notifying the contracting agency within 10 days after receiving notice under subparagraph (D)(ii) from an employee or otherwise receiving actual notice of a conviction;

(F) imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is convicted, as required by section 8104 of this title; and

(G) making a good faith effort to continue to maintain a drug-free workplace through implementation of subparagraphs (A) to (F).

(1) **GROUND FOR SUSPENSION, TERMINATION, OR DEBARMENT.**—Payment under a contract awarded by a Federal agency may be suspended and the contract may be terminated, and the contractor or individual who made the contract with the agency may be suspended or debarred in accordance with the requirements of this section, if the head of the agency determines that—

(2) **CONDUCT OF SUSPENSION, TERMINATION, AND DEBARMENT PROCEEDINGS.**—A contracting officer who determines in writing that cause for suspension of payments, termination, or suspension or debarment exists shall initiate an appropriate action, to be conducted by the agency concerned in accordance with the Federal Acquisition Regulation and applicable agency procedures. The Federal Acquisition Regulation shall be revised to include rules for conducting suspension and debarment proceedings under this subsection, including rules providing notice, opportunity to respond in writing or in person, and other procedures as may be necessary to provide a full and fair proceeding to a contractor or individual.
