CHANGE OF NAME

“United States Geological Survey” substituted in text for “Geological Survey” pursuant to provision of

title I of Pub. L. 102-154, set out as a note under section 31 of Title 43, Public Lands.

§ 1962d-11a. Potomac River water diversion structure

(a) Consent of Congress for construction; written agreement providing schedule for allocation among parties for withdrawal of waters

(1) Subject to paragraph (2) of this subsection, the consent of Congress is granted under section 401 of title 33 to the Washington Suburban Sanitary Commission to construct a water diversion structure, with an elevation not to exceed one hundred and fifty-nine feet above sea level, from the north shore of the Potomac River at the Washington Suburban Sanitary Commission water filtration plant to the north shore of Watkins Island.

(2) The structure authorized by paragraph (1) of this subsection, may not be constructed until the Secretary of the Army, acting through the Chief of Engineers, and the State of Maryland, the Commonwealth of Virginia, the Washington Suburban Sanitary Commission, and such other governmental authorities as the Secretary of the Army, the State of Maryland, and the Commonwealth of Virginia deem desirable signatories enter into a written agreement providing an enforceable schedule for allocation among the parties to such agreement for the withdrawal of the waters of that portion of the Potomac River located between Little Falls Dam and the farthest upstream limit of the pool of water behind the Chesapeake and Ohio Canal Company rubble dam at Seneca, Maryland, during periods of low flow of such portion of such river.

(b) Authorization of Secretary of the Army to enter written agreement; amendments or revisions

The Secretary of the Army, acting through the Chief of Engineers, is authorized to enter into the agreement referred to in subsection (a)(2) of this section and any amendment to or revision of such agreement.

(c) Riparian rights or other authority of Maryland, Virginia, political subdivisions; authority of District of Columbia

Except as may be provided in the agreement referred to in subsection (a)(2) of this section, nothing in this section shall alter any riparian rights or other authority of the State of Maryland, or any political subdivision thereof, the Commonwealth of Virginia, or any political subdivision thereof, or the District of Columbia, or authority of the Corps of Engineers existing on October 22, 1976, relative to the appropriation of water from, or the use of, the Potomac River.

(Pub. L. 94-587, §181, Oct. 22, 1976, 90 Stat. 2939; Pub. L. 96-292, §2, June 28, 1980, 94 Stat. 609.)

CODIFICATION

AMENDMENTS

1980—Subsec. (a)(2). Pub. L. 96-292 struck out cl. “(A)” designation and cl. (B) which prohibited construction of the Potomac River water diversion struc-

ture should such structure be in conflict with the report of the Secretary of the Army, acting through the Chief of Engineers, issued in connection with a study of water resources development.

§ 1962d-11b. Dalecarlia Reservoir; delivery of water to metropolitan Maryland; expenses; payments; purchase of water from State or local authorities in Maryland or Virginia

(a) The Secretary, on the recommendation of the Chief of Engineers, is authorized to permit the delivery of water from the District of Columbia water system at the Dalecarlia filtration plant, or at other points on the system, to any competent State or local authority in the Washington, District of Columbia, metropolitan area in Maryland. All of the expense of installing the connection or connections and appurtenances between the water supply systems and any subsequent changes therein shall be paid by the requesting entity, which shall also pay such charges for the use of the water as the Secretary may, from time to time in advance of delivery, determine to be reasonable. Payments shall be made at such time, and pursuant to such regulations, as the Secretary prescribes. The Secretary may revoke any permit for the use of water at any time.

(b) The Secretary is authorized to purchase water from any State or local authority in Maryland or Virginia that has, at the time of purchase, completed a connection with the District of Columbia water system. The Secretary is authorized to pay such charges for the use of the water as the Secretary has agreed upon in advance of delivery.

DEFINITIONS

Secretary means the Secretary of the Army, see section 2201 of Title 33, Navigation and Navigable Waters.

§§ 1962d-12 to 1962d-14. Repealed. Pub. L. 104-58, title I, § 104(g)(3), Nov. 28, 1995, 109 Stat. 560

Section 1962d-12, act Aug. 9, 1955, ch. 682, § 1, 69 Stat. 618, authorized Secretary of the Interior to make investigations of projects for conservation, development, and utilization of Alaskan water resources and to report findings, with recommendations, to President and Congress.

Section 1962d-13, act Aug. 9, 1955, ch. 682, § 2, 69 Stat. 618, directed Secretary of the Interior, prior to transmission of report on Alaskan water resource projects to Congress, to transmit copies thereof for information and comment to Governor of Alaska and to heads of interested Federal departments and agencies, and to include copies of views of such officials along with transmission of Secretary's report to Congress.

Section 1962d-14, act Aug. 9, 1955, ch. 682, § 3, 69 Stat. 618, authorized to be appropriated not more than \$250,000 in any one fiscal year for Alaskan water resources investigation.

§ 1962d-14a. Alaska hydroelectric power development

(a) Congressional findings and declaration

(1) The Congress finds that the expeditious development of hydroelectric power generating fa-

cilities in Alaska that are environmentally sound to assist the Nation in meeting existing and future energy demands is in the national interest.

(2) The Congress therefore declares that the expertise of the Chief of Engineers can and should be utilized for the benefit of local public bodies in the development of projects which yield 90 per centum or more of the benefits of the project are attributable to hydroelectric power generation when the project is fully operational.

(b) Establishment of fund; composition

To meet the goals of this section, there is hereby established in the Treasury of the United States an Alaska Hydroelectric Power Development Fund (hereafter referred to as the "fund") to be and remain available for use by the Secretary of the Army (hereinafter referred to as the "Secretary") to make expenditures authorized by this section. The fund shall consist of (1) all receipts and collections by the Secretary of repayments in accordance with subsection (e) of this section and payments by non-Federal public authorities to the Secretary to finance the cost of construction of projects in accordance with subsection (f) of this section, and which the Secretary is hereby directed to deposit in the fund as they are received, and (2) any appropriations made by the Congress to the fund.

(c) Authorization of appropriation

There is authorized to be appropriated to the Secretary for deposit in the fund established by subsection (b) of this section the sum of \$25,000,000.

(d) Investments; deposits

(1) If the Secretary determines that moneys in the fund are in excess of current needs, he may request the investment of such amounts as he deems advisable by the Secretary of the Treasury in direct, general obligations of, or obligations guaranteed as to both principal and interest by, the United States.

(2) With the approval of the Secretary of the Treasury, the Secretary may deposit moneys of the fund in any Federal Reserve bank or other depository for funds of the United States, or in such other banks and financial institutions and under such terms and conditions as the Secretary and the Secretary of the Treasury may mutually agree.

(e) Expenditures for phase I design memorandum stage of advanced engineering and design; withholding of favorable report to Congress prior to repayment; expenditures from non-Federal funds

The Secretary is authorized to make expenditures from the fund for the phase I design memorandum stage of advanced engineering and design for any project in Alaska that meets the requirements of subsection (a)(2) of this section, if appropriate non-Federal public authorities, approved by the Secretary, agree with the Secretary, in writing, to repay the Secretary for all the separable and joint costs of preparing such design memorandum, if such report is favorable. Following the completion of the phase I design memorandum stage of advanced engineering and
