**(e) Use of Government facilities, etc.**

The Board may, for the purpose of carrying out its responsibilities under this subchapter, use any facility, contractor, or employee of any other department or agency of the Federal Government with the consent of and under appropriate support arrangements with the head of such department or agency and, in the case of a contractor, with the consent of the contractor.

**(f) Assistance from certain agencies of Federal Government**

With the consent of and under appropriate support arrangements with the Nuclear Regulatory Commission, the Board may obtain the advice and recommendations of the staff of the Commission on matters relating to the Board's responsibilities and may obtain the advice and recommendations of the Advisory Committee on Reactor Safeguards on such matters.

**(g) Assistance from organizations outside Federal Government**

Notwithstanding any other provision of law relating to the use of competitive procedures, the Board may enter into an agreement with the National Research Council of the National Academy of Sciences or any other appropriate group or organization of experts outside the Federal Government chosen by the Board to assist the Board in carrying out its responsibilities under this subchapter.

**(h) Resident inspectors**

The Board may assign staff to be stationed at any Department of Energy defense nuclear facility to carry out the functions of the Board.

**(i) Special studies**

The Board may conduct special studies pertaining to adequate protection of public health and safety at any Department of Energy defense nuclear facility.

**(j) Evaluation of information**

The Board may evaluate information received from the scientific and industrial communities, and from the interested public, with respect to—

- (1) events or practices at any Department of Energy defense nuclear facility; or
- (2) suggestions for specific measures to improve the content of standards described in section 2286a(b)(1) of this title, the implementation of such standards, or research relating to such standards at Department of Energy defense nuclear facilities.

**§ 2286c. Responsibilities of Secretary of Energy**

**(a) Cooperation**

The Secretary of Energy shall fully cooperate with the Board and provide the Board with ready access to such facilities, personnel, and information as the Board considers necessary to carry out its responsibilities under this subchapter. Each contractor operating a Department of Energy defense nuclear facility under a contract awarded by the Secretary shall, to the extent provided in such contract or otherwise with the contractor's consent, fully cooperate with the Board and provide the Board with ready access to such facilities, personnel, and information of the contractor as the Board considers necessary to carry out its responsibilities under this subchapter.

**(b) Access to information**

The Secretary of Energy may deny access to information provided to the Board to any person who—

- (1) has not been granted an appropriate security clearance or access authorization by the Secretary of Energy; or
- (2) does not need such access in connection with the duties of such person.
