§ 5044. Special limitations

(a) Volunteer activities; limitation

The Director shall prescribe regulations and shall carry out the provisions of this chapter so as to assure that the service of volunteers assigned, referred, or serving pursuant to grants, contracts, or agreements made under this chapter is limited to activities which would not otherwise be performed by employed workers or other volunteers (not including participants under this chapter and the National and Community Service Act of 1990 (42 U.S.C. 12501 et seq.)), and which will not supplant the hiring of or result in the displacement of employed workers or other volunteers (not including participants under this chapter and the National and Community Service Act of 1990 (42 U.S.C. 12501 et seq.)),¹ or impair existing contracts for service.

(b) Support costs

All support, including transportation provided to volunteers under this chapter, shall be furnished at the lowest possible costs consistent with the effective operation of volunteer programs.

(c) Compensation of supervising agencies or organizations

No agency or organization to which volunteers are assigned hereunder, or which operates or supervises any volunteer program hereunder, shall request or receive any compensation from such

(f) Government assistance; eligibility; special limitations

(2) Notwithstanding any other provision of law, a person enrolled for full-time service as a volunteer under subchapter I of this chapter who was otherwise entitled to receive assistance or services under any governmental program prior to such volunteer's enrollment shall not be denied such assistance or services because of such volunteer's failure or refusal to register for, seek, or accept employment or training during the period of such service.
