

(c) Requirements

Each entity receiving a grant under subsection (a) shall—

- (1) establish joint organ procurement organization and hospital designated leadership responsibility and accountability for the project;
- (2) develop mutually agreed upon overall project performance goals and outcome measures, including interim outcome targets; and
- (3) collaboratively design and implement an appropriate data collection process to provide ongoing feedback to hospital and organ procurement organization leadership on project progress and results.

(d) Rule of construction

Nothing in this section shall be construed to interfere with regulations in force on April 5, 2004.

(e) Evaluations

Within 3 years after the award of grants under this section, the Secretary shall ensure an evaluation of programs carried out pursuant to subsection (a) in order to determine the extent to which the programs have increased the rate of organ donation for the eligible hospitals involved.

(f) Matching requirement

The Secretary may not award a grant to a qualifying organ donation entity under this section unless such entity agrees that, with respect to costs to be incurred by the entity in carrying out activities for which the grant was awarded, the entity shall contribute (directly or through donations from public or private entities) non-Federal contributions in cash or in kind, in an amount equal to not less than 30 percent of the amount of the grant awarded to such entity.

(g) Funding

For the purpose of carrying out this section, there are authorized to be appropriated \$3,000,000 for fiscal year 2005, and such sums as may be necessary for each of fiscal years 2006 through 2009.

(July 1, 1944, ch. 373, title III, §377B, as added Pub. L. 108-216, § 4, Apr. 5, 2004, 118 Stat. 586.)

§ 274f-3. Studies relating to organ donation and the recovery, preservation, and transportation of organs**(a) Development of supportive information**

The Secretary, acting through the Director of the Agency for Healthcare Research and Quality, shall develop scientific evidence in support of efforts to increase organ donation and improve the recovery, preservation, and transportation of organs.

(b) Activities

In carrying out subsection (a), the Secretary shall—

- (1) conduct or support evaluation research to determine whether interventions, technologies, or other activities improve the effectiveness, efficiency, or quality of existing organ donation practice;
- (2) undertake or support periodic reviews of the scientific literature to assist efforts of

professional societies to ensure that the clinical practice guidelines that they develop reflect the latest scientific findings;

(3) ensure that scientific evidence of the research and other activities undertaken under this section is readily accessible by the organ procurement workforce; and

(4) work in coordination with the appropriate professional societies as well as the Organ Procurement and Transplantation Network and other organ procurement and transplantation organizations to develop evidence and promote the adoption of such proven practices.

(c) Research and dissemination

The Secretary, acting through the Director of the Agency for Healthcare Research and Quality, as appropriate, shall provide support for research and dissemination of findings, to—

- (1) develop a uniform clinical vocabulary for organ recovery;
- (2) apply information technology and telecommunications to support the clinical operations of organ procurement organizations;
- (3) enhance the skill levels of the organ procurement workforce in undertaking quality improvement activities; and
- (4) assess specific organ recovery, preservation, and transportation technologies.

(d) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated \$2,000,000 for fiscal year 2005, and such sums as may be necessary for each of fiscal years 2006 through 2009.

(July 1, 1944, ch. 373, title III, §377C, as added Pub. L. 108-216, § 5, Apr. 5, 2004, 118 Stat. 587.)

§ 274f-4. Report relating to organ donation and the recovery, preservation, and transportation of organs**(a) In general**

Not later than December 31, 2005, and every 2 years thereafter, the Secretary shall report to the appropriate committees of Congress on the activities of the Department carried out pursuant to this part, including an evaluation describing the extent to which the activities have affected the rate of organ donation and recovery.

(b) Requirements

To the extent practicable, each report submitted under subsection (a) shall—

- (1) evaluate the effectiveness of activities, identify effective activities, and disseminate such findings with respect to organ donation and recovery;
- (2) assess organ donation and recovery activities that are recently completed, ongoing, or planned; and
- (3) evaluate progress on the implementation of the plan required under subsection (c)(5).

(c) Initial report requirements

The initial report under subsection (a) shall include the following:

- (1) An evaluation of the organ donation practices of organ procurement organizations,
