SUBCHAPTER III-A—SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION

PART A—ORGANIZATION AND GENERAL AUTHORITIES

§ 290aa. Substance Abuse and Mental Health Services Administration

(a) Establishment

The Substance Abuse and Mental Health Services Administration (hereafter referred to in this subchapter as the “Administration”) is an agency of the Service.

(b) Centers

The following Centers are agencies of the Administration:

- (1) The Center for Substance Abuse Treatment.
- (2) The Center for Substance Abuse Prevention.
- (3) The Center for Mental Health Services.

(c) Assistant Secretary and Deputy Assistant Secretary

(1) Assistant Secretary

The Administration shall be headed by an official to be known as the Assistant Secretary for Mental Health and Substance Use (hereinafter in this subchapter referred to as the “Assistant Secretary”) who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) Deputy Assistant Secretary

The Assistant Secretary, with the approval of the Secretary, may appoint a Deputy Assistant Secretary and may employ and prescribe the functions of such officers and employees, including attorneys, as are necessary to administer the activities to be carried out through the Administration.

(d) Authorities

The Secretary, acting through the Assistant Secretary, shall—

(1) supervise the functions of the Centers of the Administration in order to assure that the programs carried out through each such Center receive appropriate and equitable support and that there is cooperation among the Centers in the implementation of such programs;

(2) establish and implement, through the respective Centers, a comprehensive program to improve the provision of treatment and related services to individuals with respect to substance use disorders and mental illness and to improve prevention services, promote mental health and protect the legal rights of individuals with mental illnesses and individuals with substance use disorders;

(3) carry out the administrative and financial management, policy development and planning, evaluation, knowledge dissemination, and public information functions that are required for the implementation of this subchapter;

(4) assure that the Administration conduct and coordinate demonstration projects, evaluations, and service system assessments and other activities necessary to improve the availability and quality of treatment, prevention and related services;

(5) support activities that will improve the provision of treatment, prevention and related services, including the development of national mental health and substance use disorder goals and model programs;

(6) in cooperation with the National Institutes of Health, the Centers for Disease Control and Prevention, and the Health Resources and Services Administration, develop educational materials and intervention strategies to reduce the risks of HIV, hepatitis, tuberculosis, and other communicable diseases

among individuals with mental or substance use disorders, and to develop appropriate mental health services for individuals with such diseases or disorders;

(7) coordinate Federal policy with respect to the provision of treatment services for substance use disorders, including services that utilize drugs or devices approved or cleared by the Food and Drug Administration for the treatment of substance use disorders;

(8) conduct programs, and assure the coordination of such programs with activities of the National Institutes of Health and the Agency for Healthcare Research and Quality, as appropriate, to evaluate the process, outcomes and community impact of prevention and treatment services and systems of care in order to identify the manner in which such services can most effectively be provided;

(9) collaborate with the Director of the National Institutes of Health in the development and maintenance of a system by which the relevant research findings of the National Institute on Drug Abuse, the National Institute on Alcohol Abuse and Alcoholism, the National Institute of Mental Health, and, as appropriate, the Agency for Healthcare Research and Quality are disseminated to service providers in a manner designed to improve the delivery and effectiveness of prevention, treatment, and recovery support services and are appropriately incorporated into programs carried out by the Administration;

(10) encourage public and private entities that provide health insurance to provide benefits for substance use disorder and mental health services;

(11) work with relevant agencies of the Department of Health and Human Services on integrating mental health promotion and substance use disorder prevention with general health promotion and disease prevention and integrating mental and substance use disorders treatment services with physical health treatment services;

(12) monitor compliance by hospitals and other facilities with the requirements of sections 290dd-1 and 290dd-2 of this title;

(13) with respect to grant programs authorized under this subchapter or part B of subchapter XVII, or grant programs otherwise funded by the Administration—

(A) require that all grants that are awarded for the provision of services are subject to performance and outcome evaluations;

(B) ensure that the director of each Center of the Administration consistently documents the application of criteria when awarding grants and the ongoing oversight of grantees after such grants are awarded;

(C) require that all grants that are awarded to entities other than States are awarded only after the State in which the entity intends to provide services—

(i) is notified of the pendency of the grant application; and

(ii) is afforded an opportunity to comment on the merits of the application; and

(D) inform a State when any funds are awarded through such a grant to any entity within such State;

(14) assure that services provided with amounts appropriated under this subchapter are provided bilingually, if appropriate;

(15) improve coordination among prevention programs, treatment facilities and nonhealth care systems such as employers, labor unions, and schools, and encourage the adoption of employee assistance programs and student assistance programs;

(16) maintain a clearinghouse for substance use disorder information, including evidence-based and promising best practices for prevention, treatment, and recovery support services for individuals with mental and substance use disorders, to assure the widespread dissemination of such information to States, political subdivisions, educational agencies and institutions, treatment providers, and the general public;

(17) in collaboration with the National Institute on Aging, and in consultation with the National Institute on Drug Abuse, the National Institute on Alcohol Abuse and Alcoholism and the National Institute of Mental Health, as appropriate, promote and evaluate substance use disorder services for older Americans in need of such services, and mental health services for older Americans who are seriously mentally ill;

(18) promote the coordination of service programs conducted by other departments, agencies, organizations and individuals that are or may be related to the problems of individuals suffering from mental illness or substance abuse, including liaisons with the Social Security Administration, Centers for Medicare & Medicaid Services, and other programs of the Department, as well as liaisons with the Department of Education, Department of Justice, and other Federal Departments and offices, as appropriate;

(19) consult with State, local, and tribal governments, nongovernmental entities, and individuals with mental illness, particularly adults with a serious mental illness, children with a serious emotional disturbance, and the family members of such adults and children, with respect to improving community-based and other mental health services;

(20) collaborate with the Secretary of Defense and the Secretary of Veterans Affairs to improve the provision of mental and substance use disorder services provided by the Department of Defense and the Department of Veterans Affairs to members of the Armed Forces, veterans, and the family members of such members and veterans, including through the provision of services using the telehealth capabilities of the Department of Defense and the Department of Veterans Affairs;

(21) collaborate with the heads of relevant Federal agencies and departments, States, communities, and nongovernmental experts to improve mental and substance use disorders services for chronically homeless individuals, including by designing strategies to provide such services in supportive housing;

(22) work with States and other stakeholders to develop and support activities to recruit and retain a workforce addressing mental and substance use disorders;

(23) collaborate with the Attorney General and representatives of the criminal justice system to improve mental and substance use disorders services for individuals who have been arrested or incarcerated;

(24) after providing an opportunity for public input, set standards for grant programs under this subchapter for mental and substance use disorders services and prevention programs, which standards may address—

(A) the capacity of the grantee to implement the award;

(B) requirements for the description of the program implementation approach;

(C) the extent to which the grant plan submitted by the grantee as part of its application must explain how the grantee will reach the population of focus and provide a statement of need, which may include information on how the grantee will increase access to services and a description of measurable objectives for improving outcomes;

(D) the extent to which the grantee must collect and report on required performance measures; and

(E) the extent to which the grantee is proposing to use evidence-based practices; and

(25) advance, through existing programs, the use of performance metrics, including those based on the recommendations on performance metrics from the Assistant Secretary for Planning and Evaluation under section 6021(d) of the Helping Families in Mental Health Crisis Reform Act of 2016.

(e) Associate Administrator for Alcohol Prevention and Treatment Policy

(1) In general

There may be in the Administration an Associate Administrator for Alcohol Prevention and Treatment Policy to whom the Assistant Secretary may delegate the functions of promoting, monitoring, and evaluating service programs for the prevention and treatment of alcoholism and alcohol abuse within the Center for Substance Abuse Prevention, the Center for Substance Abuse Treatment and the Center for Mental Health Services, and coordinating such programs among the Centers, and among the Centers and other public and private entities. The Associate Administrator also may ensure that alcohol prevention, education, and policy strategies are integrated into all programs of the Centers that address substance abuse prevention, education, and policy, and that the Center for Substance Abuse Prevention addresses the Healthy People 2010 goals and the National Dietary Guidelines of the Department of Health and Human Services and the Department of Agriculture related to alcohol consumption.

(2) Plan

(A) The Assistant Secretary, acting through the Associate Administrator for Alcohol Prevention and Treatment Policy, shall develop, and periodically review and as appropriate revise, a plan for programs and policies to treat and prevent alcoholism and alcohol abuse. The plan shall be developed (and reviewed and revised) in collaboration with the Directors of

the Centers of the Administration and in consultation with members of other Federal agencies and public and private entities.

(B) Not later than 1 year after July 10, 1992, the Assistant Secretary shall submit to the Congress the first plan developed under subparagraph (A).

(3) Report

(A) Not less than once during each 2 years, the Assistant Secretary, acting through the Associate Administrator for Alcohol Prevention and Treatment Policy, shall prepare a report describing the alcoholism and alcohol abuse prevention and treatment programs undertaken by the Administration and its agencies, and the report shall include a detailed statement of the expenditures made for the activities reported on and the personnel used in connection with such activities.

(B) Each report under subparagraph (A) shall include a description of any revisions in the plan under paragraph (2) made during the preceding 2 years.

(C) Each report under subparagraph (A) shall be submitted to the Assistant Secretary for inclusion in the biennial report under subsection (m).

(f) Associate Administrator for Women's Services

(1) Appointment

The Assistant Secretary, with the approval of the Secretary, shall appoint an Associate Administrator for Women's Services who shall report directly to the Assistant Secretary.

(2) Duties

The Associate Administrator appointed under paragraph (1) shall—

(A) establish a committee to be known as the Coordinating Committee for Women's Services (hereafter in this subparagraph referred to as the "Coordinating Committee"), which shall be composed of the Directors of the agencies of the Administration (or the designees of the Directors);

(B) acting through the Coordinating Committee, with respect to women's substance abuse and mental health services—

(i) identify the need for such services, and make an estimate each fiscal year of the funds needed to adequately support the services;

(ii) identify needs regarding the coordination of services;

(iii) encourage the agencies of the Administration to support such services; and

(iv) assure that the unique needs of minority women, including Native American, Hispanic, African-American and Asian women, are recognized and addressed within the activities of the Administration; and

(C) establish an advisory committee to be known as the Advisory Committee for Women's Services, which shall be composed of not more than 10 individuals, a majority of whom shall be women, who are not officers or employees of the Federal Government, to be appointed by the Assistant Secretary from among physicians, practitioners, treat-

ment providers, and other health professionals, whose clinical practice, specialization, or professional expertise includes a significant focus on women's substance abuse and mental health conditions, that shall—

(i) advise the Associate Administrator on appropriate activities to be undertaken by the agencies of the Administration with respect to women's substance abuse and mental health services, including services which require a multidisciplinary approach;

(ii) collect and review data, including information provided by the Secretary (including the material referred to in paragraph (3)), and report biannually to the Assistant Secretary regarding the extent to which women are represented among senior personnel, and make recommendations regarding improvement in the participation of women in the workforce of the Administration; and

(iii) prepare, for inclusion in the biennial report required pursuant to subsection (m), a description of activities of the Committee, including findings made by the Committee regarding—

(I) the extent of expenditures made for women's substance abuse and mental health services by the agencies of the Administration; and

(II) the estimated level of funding needed for substance abuse and mental health services to meet the needs of women;

(D) improve the collection of data on women's health by—

(i) reviewing the current data at the Administration to determine its uniformity and applicability;

(ii) developing standards for all programs funded by the Administration so that data are, to the extent practicable, collected and reported using common reporting formats, linkages and definitions; and

(iii) reporting to the Assistant Secretary a plan for incorporating the standards developed under clause (ii) in all Administration programs and a plan to assure that the data so collected are accessible to health professionals, providers, researchers, and members of the public; and

(E) shall establish, maintain, and operate a program to provide information on women's substance abuse and mental health services.

(3) Study

(A) The Secretary, acting through the Assistant Secretary for Personnel, shall conduct a study to evaluate the extent to which women are represented among senior personnel at the Administration.

(B) Not later than 90 days after July 10, 1992, the Assistant Secretary for Personnel shall provide the Advisory Committee for Women's Services with a study plan, including the methodology of the study and any sampling frames. Not later than 180 days after July 10,

1992, the Assistant Secretary shall prepare and submit directly to the Advisory Committee a report concerning the results of the study conducted under subparagraph (A).

(C) The Secretary shall prepare and provide to the Advisory Committee for Women's Services any additional data as requested.

(4) Office

Nothing in this subsection shall be construed to preclude the Secretary from establishing within the Substance Abuse and Mental Health Administration an Office of Women's Health.

(5) Definition

For purposes of this subsection, the term "women's substance abuse and mental health conditions", with respect to women of all age, ethnic, and racial groups, means all aspects of substance abuse and mental illness—

(A) unique to or more prevalent among women; or

(B) with respect to which there have been insufficient services involving women or insufficient data.

(g) Chief Medical Officer

(1) In general

The Assistant Secretary, with the approval of the Secretary, shall appoint a Chief Medical Officer to serve within the Administration.

(2) Eligible candidates

The Assistant Secretary shall select the Chief Medical Officer from among individuals who—

(A) have a doctoral degree in medicine or osteopathic medicine;

(B) have experience in the provision of mental or substance use disorder services;

(C) have experience working with mental or substance use disorder programs;

(D) have an understanding of biological, psychosocial, and pharmaceutical treatments of mental or substance use disorders; and

(E) are licensed to practice medicine in one or more States.

(3) Duties

The Chief Medical Officer shall—

(A) serve as a liaison between the Administration and providers of mental and substance use disorders prevention, treatment, and recovery services;

(B) assist the Assistant Secretary in the evaluation, organization, integration, and coordination of programs operated by the Administration;

(C) promote evidence-based and promising best practices, including culturally and linguistically appropriate practices, as appropriate, for the prevention and treatment of, and recovery from, mental and substance use disorders, including serious mental illness and serious emotional disturbances;

(D) participate in regular strategic planning with the Administration;

(E) coordinate with the Assistant Secretary for Planning and Evaluation to assess the use of performance metrics to evaluate

activities within the Administration related to mental and substance use disorders; and

(F) coordinate with the Assistant Secretary to ensure mental and substance use disorders grant programs within the Administration consistently utilize appropriate performance metrics and evaluation designs.

(h) Services of experts

(1) In general

The Assistant Secretary may obtain (in accordance with section 3109 of title 5, but without regard to the limitation in such section on the number of days or the period of service) the services of not more than 20 experts or consultants who have professional qualifications. Such experts and consultants shall be obtained for the Administration and for each of its agencies.

(2) Compensation and expenses

(A) Experts and consultants whose services are obtained under paragraph (1) shall be paid or reimbursed for their expenses associated with traveling to and from their assignment location in accordance with sections 5724, 5724a(a), 5724a(c), and 5726(c) of title 5.

(B) Expenses specified in subparagraph (A) may not be allowed in connection with the assignment of an expert or consultant whose services are obtained under paragraph (1), unless and until the expert or consultant agrees in writing to complete the entire period of assignment or one year, whichever is shorter, unless separated or reassigned for reasons beyond the control of the expert or consultant that are acceptable to the Secretary. If the expert or consultant violates the agreement, the money spent by the United States for the expenses specified in subparagraph (A) is recoverable from the expert or consultant as a debt of the United States. The Secretary may waive in whole or in part a right of recovery under this subparagraph.

(i) Peer review groups

The Assistant Secretary shall, without regard to the provisions of title 5 governing appointments in the competitive service, and without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title, relating to classification and General Schedule pay rates, establish such peer review groups and program advisory committees as are needed to carry out the requirements of this subchapter and appoint and pay members of such groups, except that officers and employees of the United States shall not receive additional compensation for services as members of such groups. The Federal Advisory Committee Act shall not apply to the duration of a peer review group appointed under this subsection.

(j) Voluntary services

The Assistant Secretary may accept voluntary and uncompensated services.

(k) Administration

The Assistant Secretary shall ensure that programs and activities assigned under this subchapter to the Administration are fully administered by the respective Centers to which such programs and activities are assigned.

(l) Strategic plan

(1) In general

Not later than September 30, 2018, and every 4 years thereafter, the Assistant Secretary shall develop and carry out a strategic plan in accordance with this subsection for the planning and operation of activities carried out by the Administration, including evidence-based programs.

(2) Coordination

In developing and carrying out the strategic plan under this subsection, the Assistant Secretary shall take into consideration the findings and recommendations of the Assistant Secretary for Planning and Evaluation under section 6021(d) of the Helping Families in Mental Health Crisis Reform Act of 2016 and the report of the Interdepartmental Serious Mental Illness Coordinating Committee under section 6031 of such Act.

(3) Publication of plan

Not later than September 30, 2018, and every 4 years thereafter, the Assistant Secretary shall—

(A) submit the strategic plan developed under paragraph (1) to the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives and the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate; and

(B) post such plan on the Internet website of the Administration.

(4) Contents

The strategic plan developed under paragraph (1) shall—

(A) identify strategic priorities, goals, and measurable objectives for mental and substance use disorders activities and programs operated and supported by the Administration, including priorities to prevent or eliminate the burden of mental and substance use disorders;

(B) identify ways to improve the quality of services for individuals with mental and substance use disorders, and to reduce homelessness, arrest, incarceration, violence, including self-directed violence, and unnecessary hospitalization of individuals with a mental or substance use disorder, including adults with a serious mental illness or children with a serious emotional disturbance;

(C) ensure that programs provide, as appropriate, access to effective and evidence-based prevention, diagnosis, intervention, treatment, and recovery services, including culturally and linguistically appropriate services, as appropriate, for individuals with a mental or substance use disorder;

(D) identify opportunities to collaborate with the Health Resources and Services Administration to develop or improve—

(i) initiatives to encourage individuals to pursue careers (especially in rural and underserved areas and with rural and underserved populations) as psychiatrists, including child and adolescent psychiatrists, psychologists, psychiatric nurse practi-

tioners, physician assistants, clinical social workers, certified peer support specialists, licensed professional counselors, or other licensed or certified mental health or substance use disorder professionals, including such professionals specializing in the diagnosis, evaluation, or treatment of adults with a serious mental illness or children with a serious emotional disturbance; and

(ii) a strategy to improve the recruitment, training, and retention of a workforce for the treatment of individuals with mental or substance use disorders, or co-occurring disorders;

(E) identify opportunities to improve collaboration with States, local governments, communities, and Indian tribes and tribal organizations (as such terms are defined in section 5304 of title 25); and

(F) specify a strategy to disseminate evidence-based and promising best practices related to prevention, diagnosis, early intervention, treatment, and recovery services related to mental illness, particularly for adults with a serious mental illness and children with a serious emotional disturbance, and for individuals with a substance use disorder.

(m) Biennial report concerning activities and progress

Not later than September 30, 2020, and every 2 years thereafter, the Assistant Secretary shall prepare and submit to the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives and the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate, and post on the Internet website of the Administration, a report containing at a minimum—

(1) a review of activities conducted or supported by the Administration, including progress toward strategic priorities, goals, and objectives identified in the strategic plan developed under subsection (1);

(2) an assessment of programs and activities carried out by the Assistant Secretary, including the extent to which programs and activities under this subchapter and part B of subchapter XVII meet identified goals and performance measures developed for the respective programs and activities;

(3) a description of the progress made in addressing gaps in mental and substance use disorders prevention, treatment, and recovery services and improving outcomes by the Administration, including with respect to serious mental illnesses, serious emotional disturbances, and co-occurring disorders;

(4) a description of the manner in which the Administration coordinates and partners with other Federal agencies and departments related to mental and substance use disorders, including activities related to—

(A) the implementation and dissemination of research findings into improved programs, including with respect to how advances in serious mental illness and serious emotional disturbance research have been incorporated into programs;

(B) the recruitment, training, and retention of a mental and substance use disorders workforce;

(C) the integration of mental disorder services, substance use disorder services, and physical health services;

(D) homelessness; and

(E) veterans;

(5) a description of the manner in which the Administration promotes coordination by grantees under this subchapter, and part B of subchapter XVII, with State or local agencies; and

(6) a description of the activities carried out under section 290aa-0(e) of this title, with respect to mental and substance use disorders, including—

(A) the number and a description of grants awarded;

(B) the total amount of funding for grants awarded;

(C) a description of the activities supported through such grants, including outcomes of programs supported; and

(D) information on how the National Mental Health and Substance Use Policy Laboratory is consulting with the Assistant Secretary for Planning and Evaluation and collaborating with the Center for Substance Abuse Treatment, the Center for Substance Abuse Prevention, the Center for Behavioral Health Statistics and Quality, and the Center for Mental Health Services to carry out such activities; and

(7) recommendations made by the Assistant Secretary for Planning and Evaluation under section 6021 of the Helping Families in Mental Health Crisis Reform Act of 2016 to improve programs within the Administration, and actions taken in response to such recommendations to improve programs within the Administration.

The Assistant Secretary may meet reporting requirements established under this subchapter by providing the contents of such reports as an addendum to the biennial report established under this subsection, notwithstanding the timeline of other reporting requirements in this subchapter. Nothing in this subsection shall be construed to alter the content requirements of such reports or authorize the Assistant Secretary to alter the timeline of any such reports to be less frequent than biennially, unless as specified in this subchapter.

(n) Applications for grants and contracts

With respect to awards of grants, cooperative agreements, and contracts under this subchapter, the Assistant Secretary, or the Director of the Center involved, as the case may be, may not make such an award unless—

(1) an application for the award is submitted to the official involved;

(2) with respect to carrying out the purpose for which the award is to be provided, the application provides assurances of compliance satisfactory to such official; and

(3) the application is otherwise in such form, is made in such manner, and contains such agreements, assurances, and information as

the official determines to be necessary to carry out the purpose for which the award is to be provided.

(o) Emergency response

(1) In general

Notwithstanding section 290aa-3 of this title and except as provided in paragraph (2), the Secretary may use not to exceed 2.5 percent of all amounts appropriated under this subchapter for a fiscal year to make noncompetitive grants, contracts or cooperative agreements to public entities to enable such entities to address emergency substance abuse or mental health needs in local communities.

(2) Exceptions

Amounts appropriated under part C shall not be subject to paragraph (1).

(3) Emergencies

The Secretary shall establish criteria for determining that a substance abuse or mental health emergency exists and publish such criteria in the Federal Register prior to providing funds under this subsection.

(4) Emergency response

Amounts made available for carrying out this subsection shall remain available through the end of the fiscal year following the fiscal year for which such amounts are appropriated.

(p) Limitation on the use of certain information

No information, if an establishment or person supplying the information or described in it is identifiable, obtained in the course of activities undertaken or supported under section 290aa-4 of this title may be used for any purpose other than the purpose for which it was supplied unless such establishment or person has consented (as determined under regulations of the Secretary) to its use for such other purpose. Such information may not be published or released in other form if the person who supplied the information or who is described in it is identifiable unless such person has consented (as determined under regulations of the Secretary) to its publication or release in other form.

(q) Authorization of appropriations

For the purpose of providing grants, cooperative agreements, and contracts under this section, there are authorized to be appropriated \$25,000,000 for fiscal year 2001, and such sums as may be necessary for each of the fiscal years 2002 and 2003.

Subsec. (f)(1). Pub. L. 114-255, § 6001(c)(2), substituted “The Assistant Secretary,” for “The Administrator,” and “the Assistant Secretary” for “the Administrator”.

Subsec. (f)(2)(C). Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator” in introductory provisions.

Subsec. (f)(2)(C)(ii). Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator”.

Subsec. (f)(2)(C)(iii). Pub. L. 114-255, § 6003(3), substituted “subsection (m)” for “subsection (k)” in introductory provisions.

Subsec. (f)(2)(D)(iii). Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator”.

Subsec. (g). Pub. L. 114-255, § 6003(4), added subsec. (g). Former subsec. (g) redesignated (h).

Subsec. (g)(1). Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator”.

Subsec. (h). Pub. L. 114-255, § 6003(1), redesignated subsec. (g) as (h). Former subsec. (h) redesignated (i).

Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator”.

Subsec. (i). Pub. L. 114-255, § 6003(1), redesignated subsec. (h) as (i). Former subsec. (i) redesignated (j).

Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator”.

Subsec. (j). Pub. L. 114-255, § 6003(1), redesignated subsec. (i) as (j). Former subsec. (j) redesignated (k).

Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator”.

Subsec. (k). Pub. L. 114-255, § 6003(1), redesignated subsec. (j) as (k). Former subsec. (k) redesignated (m).

Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator” in introductory provisions.

Subsec. (l). Pub. L. 114-255, § 6005, added subsec. (l). Former subsec. (l) redesignated (n).

Pub. L. 114-255, § 6001(c)(2), substituted “Assistant Secretary” for “Administrator” in introductory provisions.

Subsec. (m). Pub. L. 114-255, § 6006(a), amended subsec. (m) generally, substituting requirements for biennial reports beginning no later than September 30, 2020, for requirements for biennial reports beginning no later than February 10, 1994.

Pub. L. 114-255, § 6003(1), redesignated subsec. (k) as (m). Former subsec. (m) redesignated (o).

Subsec. (m)(4). Pub. L. 114-255, § 6002(3), added par. (4).

Subsecs. (n) to (q). Pub. L. 114-255, § 6003(1), redesignated subsecs. (l) to (o) as (n) to (q), respectively.

2010—Subsec. (f)(1). Pub. L. 111-148, § 3509(d)(1), inserted “who shall report directly to the Administrator” before period at end.

Subsec. (f)(4), (5). Pub. L. 111-148, § 3509(d)(2), (3), added par. (4) and redesignated former par. (4) as (5).

2003—Subsec. (d)(18). Pub. L. 108-173 substituted “Centers for Medicare & Medicaid Services” for “Health Care Financing Administration”.

2000—Subsec. (e)(1). Pub. L. 106-310, § 3401(a), reenacted heading without change and amended text generally. Prior to amendment, text read as follows: “There shall be in the Administration an Associate Administrator for Alcohol Prevention and Treatment Policy to whom the Administrator shall delegate the functions of promoting, monitoring, and evaluating service programs for the prevention and treatment of alcoholism and alcohol abuse within the Center for Substance Abuse Prevention, the Center for Substance Abuse Treatment, and the Center for Mental Health Services, and coordinating such programs among the Centers, and among the Centers and other public and private entities. The Associate Administrator also shall ensure that alcohol prevention, education, and policy strategies are integrated into all programs of the Centers that address substance abuse prevention, education, and policy, and that the Center for Substance Abuse Prevention addresses the Healthy People 2000 goals and the National Dietary Guidelines of the Department of Health and Human Services and the Department of Agriculture related to alcohol consumption.”

Subsecs. (m) to (o). Pub. L. 106-310, § 3102, added subsecs. (m) and (n), redesignated former subsec. (m) as (o), and substituted “2001, and such sums as may be necessary for each of the fiscal years 2002 and 2003” for “1993, and such sums as may be necessary for fiscal year 1994” before period at end.

1999—Subsec. (d)(8), (9). Pub. L. 106-129, which directed the substitution of “Agency for Healthcare Research and Quality” for “Agency for Health Care Policy and Research”, was not executed because the term “Agency for Health Care Policy and Research” did not appear in text and because of the amendment by Pub. L. 114-255, § 6002(2)(G)(ii), which presumed that the substitution did not take place. See 2016 Amendment note above.

1996—Subsec. (g)(2)(A). Pub. L. 104-201 substituted “5724a(a), 5724a(c)” for “5724a(a)(1), 5724a(a)(3)”.

1992—Pub. L. 102-321 amended section generally, substituting provisions relating to the Substance Abuse and Mental Health Services Administration for provisions relating to the Alcohol, Drug Abuse, and Mental Health Administration.

1989—Subsec. (b)(4). Pub. L. 101-93, § 3(f)(1), substituted “for” for “of”.

Subsec. (j). Pub. L. 101-93, § 3(f)(2), substituted “section 290aa-5 of this title, establish program advisory committees, and pay members of such groups and committees” for “section 290aa-5 of this title and appoint and pay members of such groups” and “as members of such groups or committees” for “as members of such groups”.

1988—Subsec. (b)(4). Pub. L. 100-690, § 2058(a)(2)(A), added par. (4).

Subsec. (e)(2). Pub. L. 100-690, § 2058(a)(2)(B), substituted “Not less than once each three years, the Administrator” for “The Administrator” and “shall submit” for “shall annually submit”.

Subsec. (f). Pub. L. 100-690, §2058(a)(2)(C), substituted "misconduct" for "fraud" in heading and two places in text.

Subsecs. (k) to (m). Pub. L. 100-690, §2058(a)(2)(D), (E), added subsecs. (k) to (m) and struck out former subsec. (k), which related to Alcohol, Drug Abuse, and Mental Health Advisory Board, including its duties, membership, terms of office, compensation, personnel, chairman, meetings, and reports to Congress.

1986—Pub. L. 99-570 amended section generally, revising and restating former subsecs. (a), (b), (c), (d), (e), (f), (g), and (h) as (c), (d), (k), (h), (e), (f), (g), and (i), respectively, and adding new subsecs. (a), (b), and (j).

1984—Pub. L. 98-509, §301(c)(1), amended directory language of Pub. L. 98-24, §2(b)(2). See 1983 Amendment note below.

Subsec. (c). Pub. L. 98-509, §201(a), substituted provisions relating to the Alcohol, Drug Abuse, and Mental Health Advisory Board for provisions relating to the National Panel on Alcohol, Drug Abuse, and Mental Health.

Subsecs. (g), (h). Pub. L. 98-509, §201(b), added subsecs. (g) and (h).

1983—Pub. L. 98-24, §2(b)(2), as amended by Pub. L. 98-509, §301(c)(1), renumbered section 3511 of this title as this section.

Subsec. (a). Pub. L. 98-24, §2(b)(2)(A), struck out "of Health, Education, and Welfare" after "The Secretary" and "Department".

Subsec. (c). Pub. L. 98-24, §2(b)(2)(A), (B), struck out "of Health, Education, and Welfare" after "The Secretary", and made a technical amendment to reference to section 218 of this title to reflect the transfer of this section to the Public Health Service Act.

Subsec. (d). Pub. L. 98-24, §2(b)(2)(C), substituted provisions directing the Administrator to distribute information on the hazards of alcoholism and the abuse of alcohol and drugs for provisions directing the Secretary, through the Administration, to evaluate and make recommendations regarding improved, coordinated activities, where appropriate, for public education and other prevention programs with respect to the abuse of alcohol and other substances.

Subsecs. (e), (f). Pub. L. 98-24, §2(b)(2)(D), added subsecs. (e) and (f).

1976—Subsec. (d). Pub. L. 94-371 added subsec. (d).

"(1) as of the day before the date of enactment of this Act [Dec. 13, 2016], were vested in the Administrator of the Substance Abuse and Mental Health Services Administration; and

"(2) are not terminated by this Act [division B of Pub. L. 114-255, see Tables for classification]."

TRANSFER PROVISIONS

Pub. L. 102-321, title I, subtitle D, July 10, 1992, 106 Stat. 370, as amended by Pub. L. 102-352, §2(b)(1), Aug. 26, 1992, 106 Stat. 939, provided that:

"SEC. 141. TRANSFERS.

"(a) SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION.—Except as specifically provided otherwise in this Act [see Tables for classification] or an amendment made by this Act, there are transferred to the Administrator of the Substance Abuse and Mental Health Services Administration all service related functions which the Administrator of the Alcohol, Drug Abuse and Mental Health Administration, or the Director of any entity within the Alcohol, Drug Abuse and Mental Health Administration, exercised before the date of the enactment of this Act [July 10, 1992] and all related functions of any officer or employee of the Alcohol, Drug Abuse and Mental Health Administration.

"(b) NATIONAL INSTITUTES.—Except as specifically provided otherwise in this Act or an amendment made by this Act, there are transferred to the appropriate Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health, through the Director of the National Institutes of Health, all research related functions which the Administrator of the Alcohol, Drug Abuse and Mental Health Administration exercised before the date of the enactment of this Act and all related functions of any officer or employee of the Alcohol, Drug Abuse, and Mental Health Administration.

"(c) ADEQUATE PERSONNEL AND RESOURCES.—The transfers required under this subtitle shall be effectuated in a manner that ensures that the Substance Abuse and Mental Health Services Administration has adequate personnel and resources to carry out its statutory responsibilities and that the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health have adequate personnel and resources to enable such institutes to carry out their respective statutory responsibilities.

"SEC. 142. TRANSFER AND ALLOCATIONS OF APPROPRIATIONS AND PERSONNEL.

"(a) SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION.—Except as otherwise provided in the

Public Health Service Act [42 U.S.C. 201 et seq.], all personnel employed in connection with, and all assets, liabilities, contracts, property, records, and unexpended balances of appropriations, authorizations, allocations, and other funds employed, used, held, arising from, available to, or to be made available in connection with the functions transferred to the Administrator of the Substance Abuse and Mental Health Services Administration by this subtitle, subject to section 1531 of title 31, United States Code, shall be transferred to the Substance Abuse and Mental Health Services Administration. Unexpended funds transferred pursuant to this subsection shall be used only for the purposes for which the funds were originally authorized and appropriated.

“(b) NATIONAL INSTITUTES.—Except as otherwise provided in the Public Health Service Act, all personnel employed in connection with, and all assets, liabilities, contracts, property, records, and unexpended balances of appropriations, authorizations, allocations, and other funds employed, used, held, arising from, available to, or to be made available in connection with the functions transferred to the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health by this subtitle, subject to section 1531 of title 31, United States Code, shall be transferred to the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health. Unexpended funds transferred pursuant to this subsection shall be used only for the purposes for which the funds were originally authorized and appropriated.

“(c) CUSTODY OF BALANCES.—The actual transfer of custody of obligation balances is not required in order to implement this section.

“SEC. 143. INCIDENTAL TRANSFERS.

“Prior to October 1, 1992, the Secretary of Health and Human Services is authorized to make such determinations as may be necessary with regard to the functions transferred by this subtitle, and to make such additional incidental dispositions of personnel, assets, liabilities, grants, contracts, property, records, and unexpended balances of appropriations, authorizations, allocations, and other funds held, used, arising from, available to, or to be made available in connection with such functions, as may be necessary to carry out the provisions of this subtitle and the Public Health Service Act [42 U.S.C. 201 et seq.]. Such Secretary shall provide for the termination of the affairs of all entities terminated by this subtitle and for such further measures and dispositions as may be necessary to effectuate the purposes of this subtitle.

“SEC. 144. EFFECT ON PERSONNEL.

“(a) IN GENERAL.—Except as otherwise provided by this subtitle and the Public Health Service Act [42 U.S.C. 201 et seq.], the transfer pursuant to this subtitle of full-time personnel (except special Government employees) and part-time personnel holding permanent positions shall not cause any such employee to be separated or reduced in grade or compensation for one year after the date of transfer of such employee under this subtitle.

“(b) EXECUTIVE SCHEDULE POSITIONS.—Any person who, on the day preceding the effective date of this Act [see Effective Date of 1992 Amendment note set out under section 236 of this title], held a position compensated in accordance with the Executive Schedule prescribed in chapter 53 of title 5, United States Code, and who, without a break in service, is appointed in the Substance Abuse and Mental Health Services Administration to a position having duties comparable to the duties performed immediately preceding such appointment shall continue to be compensated in such new position at not less than the rate provided for such previous position, for the duration of the service of such person in such new position.

“SEC. 145. SAVINGS PROVISIONS.

“(a) EFFECT ON PREVIOUS DETERMINATIONS.—All orders, determinations, rules, regulations, permits, contracts, certificates, licenses, and privileges that—

“(1) have been issued, made, granted, or allowed to become effective by the President, any Federal agency or official thereof, or by a court of competent jurisdiction, in the performance of functions which are transferred by this subtitle; and

“(2) are in effect on the date of enactment of this Act [July 10, 1992];

shall continue in effect according to their terms until modified, terminated, superseded, set aside, or revoked in accordance with law by the President, the Director of the National Institutes of Health, or the Administrator of the Substance Abuse and Mental Health Services Administration, as appropriate, a court of competent jurisdiction, or by operation of law.

“(b) CONTINUATION OF PROCEEDINGS.—

“(1) IN GENERAL.—The provisions of this subtitle shall not affect any proceedings, including notices of proposed rule making, or any application for any license, permit, certificate, or financial assistance pending on the date of enactment of this Act before the Department of Health and Human Services, which relates to the Alcohol, Drug Abuse and Mental Health Administration or the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse, or the National Institute of Mental Health, or any office thereof with respect to functions transferred by this subtitle. Such proceedings or applications, to the extent that they relate to functions transferred, shall be continued. Orders shall be issued in such proceedings, appeals shall be taken therefrom, and payments shall be made under such orders, as if this Act [see Tables for classification] had not been enacted, and orders issued in any such proceedings shall continue in effect until modified, terminated, superseded, or revoked by the Administrator of the Substance Abuse and Mental Health Services Administration or the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health by a court of competent jurisdiction, or by operation of law. Nothing in this subsection prohibits the discontinuance or modification of any such proceeding under the same terms and conditions and to the same extent that such proceeding could have been discontinued or modified if this subtitle had not been enacted.

“(2) REGULATIONS.—The Secretary of Health and Human Services is authorized to issue regulations providing for the orderly transfer of proceedings continued under paragraph (1).

“(c) EFFECT ON LEGAL ACTIONS.—Except as provided in subsection (e)—

“(1) the provisions of this subtitle do not affect actions commenced prior to the date of enactment of this Act [July 10, 1992]; and

“(2) in all such actions, proceedings shall be had, appeals taken, and judgments rendered in the same manner and effect as if this Act had not been enacted.

“(d) NO ABATEMENT OF ACTIONS OR PROCEEDINGS.—No action or other proceeding commenced by or against any officer in his official capacity as an officer of the Department of Health and Human Services with respect to functions transferred by this subtitle shall abate by reason of the enactment of this Act [see Tables for classification]. No cause of action by or against the Department of Health and Human Services with respect to functions transferred by this subtitle, or by or against any officer thereof in his official capacity, shall abate by reason of the enactment of this Act. Causes of action and actions with respect to a function transferred by this subtitle, or other proceedings may be asserted by or against the United States or the Administrator of the Alcohol, Drug Abuse and Mental Health Administration or the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse, and the National Institute of Mental Health, as may be appropriate, and, in an action pending when this Act takes effect [see Effective Date of 1992 Amendment note set out under section 236 of this title], the court may at any time, on its own motion or

that of any party, enter an order which will give effect to the provisions of this subsection.

“(e) SUBSTITUTION.—If, before the date of enactment of this Act [July 10, 1992], the Department of Health and Human Services, or any officer thereof in the official capacity of such officer, is a party to an action, and under this subtitle any function of such Department, Office, or officer is transferred to the Administrator of the Substance Abuse and Mental Health Services Administration or the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health, then such action shall be continued with the Administrator of the Substance Abuse and Mental Health Services Administration or the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health, as the case may be, substituted or added as a party.

“(f) JUDICIAL REVIEW.—Orders and actions of the Administrator of the Substance Abuse and Mental Health Services Administration or the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health in the exercise of functions transferred to the Directors by this subtitle shall be subject to judicial review to the same extent and in the same manner as if such orders and actions had been by the Administrator of the Alcohol, Drug Abuse and Mental Health Administration or the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse, and the National Institute of Mental Health, or any office or officer thereof, in the exercise of such functions immediately preceding their transfer. Any statutory requirements relating to notice, hearings, action upon the record, or administrative review that apply to any function transferred by this subtitle shall apply to the exercise of such function by the Administrator of the Substance Abuse and Mental Health Services Administration or the Directors.

“SEC. 146. TRANSITION.

“With the consent of the Secretary of Health and Human Services, the Administrator of the Substance Abuse and Mental Health Services Administration and the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health are authorized to utilize—

“(1) the services of such officers, employees, and other personnel of the Department with respect to functions transferred to the Administrator of the Substance Abuse and Mental Health Services Administration and the Director of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health by this subtitle; and

“(2) funds appropriated to such functions for such period of time as may reasonably be needed to facilitate the orderly implementation of this subtitle.

“SEC. 147. PEER REVIEW.

“With respect to fiscal years 1993 through 1996, the peer review systems, advisory councils and scientific advisory committees utilized, or approved for utilization, by the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse and the National Institute of Mental Health prior to the transfer of such Institutes to the National Institute of Health shall be utilized by such Institutes.

“SEC. 148. MERGERS.

“Notwithstanding the provisions of section 401(c)(2) of the Public Health Service Act (42 U.S.C. 281(c)(2)), the Secretary of Health and Human Services may not merge the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse or the National Institute of Mental Health with any other institute or entity (or with each other) within the national research institutes for a 5-year period beginning on the date of enactment of this Act [July 10, 1992].

“SEC. 149. CONDUCT OF MULTI-YEAR RESEARCH PROJECTS.

“With respect to multi-year grants awarded prior to fiscal year 1993 by the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse, and the National Institute of Mental Health with amounts received under section 1911(b) [former 42 U.S.C. 300x(b)], as such section existed one day prior to the date of enactment of this Act [July 10, 1992], such grants shall be continued for the entire period of the grant through the utilization of funds made available pursuant to sections 464H, 464L, and 464R [42 U.S.C. 285n, 285o, 285p], as appropriate, subject to satisfactory performance.

“SEC. 150. SEPARABILITY.

“If a provision of this subtitle or its application to any person or circumstance is held invalid, neither the remainder of this Act [see Tables for classification] nor the application of the provision to other persons or circumstances shall be affected.

“SEC. 151. BUDGETARY AUTHORITY.

“With respect to fiscal years 1994 and 1995, the Directors of the National Institute on Alcohol Abuse and Alcoholism, the National Institute on Drug Abuse, and the National Institute of Mental Health shall notwithstanding section 405(a) [42 U.S.C. 284(a)], prepare and submit, directly to the President for review and transmittal to Congress, an annual budget estimate (including an estimate of the number and type of personnel needs for the Institute) for their respective Institutes, after reasonable opportunity for comment (but without change) by the Secretary of Health and Human Services, the Director of the National Institutes of Health, and the Institute’s advisory council.”

“(J) at least one such member shall be a public safety officer with extensive experience in interacting with adults with a substance use disorder; and

“(K) at least one such member shall be an individual with experience providing services for homeless individuals with a substance use disorder.

“(c) TERMS.—

“(1) IN GENERAL.—A member of the Committee appointed under subsection (b)(2) shall be appointed for a term of 3 years and may be reappointed for one or more 3-year terms.

“(2) VACANCIES.—A vacancy on the Committee shall be filled in the same manner in which the original appointment was made. Any individual appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term and may serve after the expiration of such term until a successor has been appointed.

“(d) MEETINGS.—The Committee shall meet not fewer than two times each year.

“(e) DUTIES.—The Committee shall—

“(1) identify areas for improved coordination of activities, if any, related to substance use disorders, including research, services, supports, and prevention activities across all relevant Federal agencies;

“(2) identify and provide to the Secretary recommendations for improving Federal programs for the prevention and treatment of, and recovery from, substance use disorders, including by expanding access to prevention, treatment, and recovery services;

“(3) analyze substance use disorder prevention and treatment strategies in different regions of and populations in the United States and evaluate the extent to which Federal substance use disorder prevention and treatment strategies are aligned with State and local substance use disorder prevention and treatment strategies;

“(4) make recommendations to the Secretary regarding any appropriate changes with respect to the activities and strategies described in paragraphs (1) through (3);

“(5) make recommendations to the Secretary regarding public participation in decisions relating to substance use disorders and the process by which public feedback can be better integrated into such decisions; and

“(6) make recommendations to ensure that substance use disorder research, services, supports, and prevention activities of the Department of Health and Human Services and other Federal agencies are not unnecessarily duplicative.

“(f) ANNUAL REPORT.—Not later than 1 year after the date of the enactment of this Act [Oct. 24, 2018], and an-

nually thereafter for the life of the Committee, the Committee shall publish on the Internet website of the Department of Health and Human Services, which may include the public information dashboard established under section 1711 of the Public Health Service Act [42 U.S.C. 300u-16], as added by section 7021, a report summarizing the activities carried out by the Committee pursuant to subsection (e), including any findings resulting from such activities.

“(g) WORKING GROUPS.—The Committee may establish working groups for purposes of carrying out the duties described in subsection (e). Any such working group shall be composed of members of the Committee (or the designees of such members) and may hold such meetings as are necessary to enable the working group to carry out the duties delegated to the working group.

“(h) FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act (5 U.S.C. App.) shall apply to the Committee only to the extent that the provisions of such Act do not conflict with the requirements of this section.

“(i) SUNSET.—The Committee shall terminate on the date that is 6 years after the date on which the Committee is established under subsection (a).”

IMPROVING OVERSIGHT OF MENTAL AND SUBSTANCE USE DISORDERS PROGRAMS THROUGH THE ASSISTANT SECRETARY FOR PLANNING AND EVALUATION

Pub. L. 114-255, div. B, title VI, § 6021, Dec. 13, 2016, 130 Stat. 1215, provided that:

“(a) IN GENERAL.—The Secretary of Health and Human Services, acting through the Assistant Secretary for Planning and Evaluation, shall ensure efficient and effective planning and evaluation of mental and substance use disorders prevention and treatment programs and related activities.

“(b) EVALUATION STRATEGY.—In carrying out subsection (a), the Assistant Secretary for Planning and Evaluation shall, not later than 180 days after the date of enactment of this Act [Dec. 13, 2016], develop a strategy for conducting ongoing evaluations that identifies priority programs to be evaluated by the Assistant Secretary for Planning and Evaluation and priority programs to be evaluated by other relevant offices and agencies within the Department of Health and Human Services. The strategy shall—

“(1) include a plan for evaluating programs related to mental and substance use disorders, including co-occurring disorders, across agencies, as appropriate, including programs related to—

“(A) prevention, intervention, treatment, and recovery support services, including such services for adults with a serious mental illness or children with a serious emotional disturbance;

“(B) the reduction of homelessness and incarceration among individuals with a mental or substance use disorder; and

“(C) public health and health services; and

“(2) include a plan for assessing the use of performance metrics to evaluate activities carried out by entities receiving grants, contracts, or cooperative agreements related to mental and substance use disorders prevention and treatment services under title V or title XIX of the Public Health Service Act (42 U.S.C. 290aa et seq.; 42 U.S.C. 300w et seq.).

“(c) CONSULTATION.—In carrying out this section, the Assistant Secretary for Planning and Evaluation shall consult, as appropriate, with the Assistant Secretary for Mental Health and Substance Use, the Chief Medical Officer of the Substance Abuse and Mental Health Services Administration appointed under section 501(g) of the Public Health Service Act (42 U.S.C. 290aa(g)), as amended by section 6003, the Behavioral Health Coordinating Council of the Department of Health and Human Services, other agencies within the Department of Health and Human Services, and other relevant Federal departments and agencies.

“(d) RECOMMENDATIONS.—In carrying out this section, the Assistant Secretary for Planning and Evaluation shall provide recommendations to the Secretary of

Health and Human Services, the Assistant Secretary for Mental Health and Substance Use, and the Congress on improving the quality of prevention and treatment programs and activities related to mental and substance use disorders, including recommendations for the use of performance metrics. The Assistant Secretary for Mental Health and Substance Use shall include such recommendations in the biennial report required by subsection 501(m) of the Public Health Service Act [42 U.S.C. 290aa(m)], as redesignated by section 6003 of this Act.”

ASSISTED OUTPATIENT TREATMENT GRANT PROGRAM
FOR INDIVIDUALS WITH SERIOUS MENTAL ILLNESS

Pub. L. 113-93, title II, § 224, Apr. 1, 2014, 128 Stat. 1083, as amended by Pub. L. 114-255, div. B, title IX, § 9014, Dec. 13, 2016, 130 Stat. 1245, provided that:

“(a) IN GENERAL.—The Secretary shall establish a 4-year pilot program to award not more than 50 grants each year to eligible entities for assisted outpatient treatment programs for individuals with serious mental illness.

“(b) CONSULTATION.—The Secretary shall carry out this section in consultation with the Director of the National Institute of Mental Health, the Attorney General of the United States, the Administrator of the Administration for Community Living, and the Administrator of the Substance Abuse and Mental Health Services Administration.

“(c) SELECTING AMONG APPLICANTS.—The Secretary—

“(1) may only award grants under this section to applicants that have not previously implemented an assisted outpatient treatment program; and

“(2) shall evaluate applicants based on their potential to reduce hospitalization, homelessness, incarceration, and interaction with the criminal justice system while improving the health and social outcomes of the patient.

“(d) USE OF GRANT.—An assisted outpatient treatment program funded with a grant awarded under this section shall include—

“(1) evaluating the medical and social needs of the patients who are participating in the program;

“(2) preparing and executing treatment plans for such patients that—

“(A) include criteria for completion of court-ordered treatment; and

“(B) provide for monitoring of the patient’s compliance with the treatment plan, including compliance with medication and other treatment regimens;

“(3) providing for such patients case management services that support the treatment plan;

“(4) ensuring appropriate referrals to medical and social service providers;

“(5) evaluating the process for implementing the program to ensure consistency with the patient’s needs and State law; and

“(6) measuring treatment outcomes, including health and social outcomes such as rates of incarceration, health care utilization, and homelessness.

“(e) REPORT.—Not later than the end of each of fiscal years 2016, 2017, 2018, 2019, 2020, 2021, and 2022, the Secretary shall submit a report to the appropriate congressional committees on the grant program under this section. Each such report shall include an evaluation of the following:

“(1) Cost savings and public health outcomes such as mortality, suicide, substance abuse, hospitalization, and use of services.

“(2) Rates of incarceration by patients.

“(3) Rates of homelessness among patients.

“(4) Patient and family satisfaction with program participation.

“(f) DEFINITIONS.—In this section:

“(1) The term ‘assisted outpatient treatment’ means medically prescribed mental health treatment that a patient receives while living in a community under the terms of a law authorizing a State or local court to order such treatment.

“(2) The term ‘eligible entity’ means a county, city, mental health system, mental health court, or any other entity with authority under the law of the State in which the grantee is located to implement, monitor, and oversee assisted outpatient treatment programs.

“(3) The term ‘Secretary’ means the Secretary of Health and Human Services.

“(g) FUNDING.—

“(1) AMOUNT OF GRANTS.—A grant under this section shall be in an amount that is not more than \$1,000,000 for each of fiscal years 2015 through 2022. Subject to the preceding sentence, the Secretary shall determine the amount of each grant based on the population of the area, including estimated patients, to be served under the grant.

“(2) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$15,000,000 for each of fiscal years 2015 through 2017, \$20,000,000 for fiscal year 2018, \$19,000,000 for each of fiscal years 2019 and 2020, and \$18,000,000 for each of fiscal years 2021 and 2022.”

CONGRESSIONAL STATEMENT OF POLICY FOR ALCOHOL
AND DRUG ABUSE AMENDMENTS OF 1983

Pub. L. 98-24, § 1(b), Apr. 26, 1983, 97 Stat. 175, provided that: “It is the policy of the United States and the purpose of this Act [see Short Title of 1983 Amendment note set out under section 201 of this title] to provide leadership in the national effort to reduce the incidence of alcoholism and alcohol-related problems and drug abuse through—

“(1) a continued Federal commitment to research into the behavioral and biomedical etiology, the treatment, and the mental and physical health and social and economic consequences of alcohol abuse and alcoholism and drug abuse;

“(2) a commitment to—

“(A) extensive dissemination to States, units of local government, community organizations, and private groups of the most recent information and research findings with respect to alcohol abuse and alcoholism and drug abuse, including information with respect to the application of research findings; and

“(B) the accomplishment of such dissemination through up-to-date publications, demonstrations, educational programs, and other appropriate means;

“(3) the provision of technical assistance to research personnel; services personnel, and prevention personnel in the field of alcohol abuse and alcoholism and drug abuse;

“(4) the development and encouragement of prevention programs designed to combat the spread of alcoholism, alcohol abuse, drug abuse, and the abuse of other legal and illegal substances;

“(5) the development and encouragement of effective occupational prevention and treatment programs within Government and in cooperation with the private sector; and

“(6) the provision of a Federal response to alcohol abuse and alcoholism and drug abuse which encourages the greatest participation by the private sector, both financially and otherwise, and concentrates on carrying out functions relating to alcohol abuse and alcoholism and drug abuse which are truly national in scope.”

ALCOHOL AND DRUG ABUSE AND MENTAL HEALTH
REPORTS BY THE SECRETARY

Pub. L. 98-24, § 3, Apr. 26, 1983, 97 Stat. 182, directed Secretary of Health and Human Services to submit to Congress, on or before Jan. 15, 1984, a report describing the extent to which Federal and State programs, departments, and agencies are concerned and are dealing effectively with problems of alcohol abuse and alcoholism, problems of drug abuse, and mental illness.

NARCOTIC HOSPITALS, TO SURPLUS FUND

Act July 8, 1947, ch. 210, title II, § 201, 61 Stat. 269, provided: “That as of June 30, 1947, and the end of each fiscal year thereafter any balances in the ‘Working capital fund, narcotic hospitals,’ in excess of \$150,000 shall be transferred to the surplus fund of the Treasury.”

[Section 201 of act July 8, 1947, set out above, was formerly classified to section 258a of this title.]

§ 290aa-0. National Mental Health and Substance Use Policy Laboratory

(a) In general

There shall be established within the Administration a National Mental Health and Substance Use Policy Laboratory (referred to in this section as the “Laboratory”).

(b) Responsibilities

The Laboratory shall—

(1) continue to carry out the authorities and activities that were in effect for the Office of Policy, Planning, and Innovation as such Office existed prior to December 13, 2016;

(2) identify, coordinate, and facilitate the implementation of policy changes likely to have a significant effect on mental health, mental illness, recovery supports, and the prevention and treatment of substance use disorder services;

(3) work with the Center for Behavioral Health Statistics and Quality to collect, as appropriate, information from grantees under programs operated by the Administration in order to evaluate and disseminate information on evidence-based practices, including culturally and linguistically appropriate services, as appropriate, and service delivery models;

(4) provide leadership in identifying and coordinating policies and programs, including evidence-based programs, related to mental and substance use disorders;

(5) periodically review programs and activities operated by the Administration relating to the diagnosis or prevention of, treatment for, and recovery from, mental and substance use disorders to—

(A) identify any such programs or activities that are duplicative;

(B) identify any such programs or activities that are not evidence-based, effective, or efficient; and

(C) formulate recommendations for coordinating, eliminating, or improving programs or activities identified under subparagraph (A) or (B) and merging such programs or activities into other successful programs or activities;

(6) issue and periodically update information for entities applying for grants or cooperative agreements from the Substance Abuse and Mental Health Services Administration in order to—

(A) encourage the implementation and replication of evidence-based practices; and

(B) provide technical assistance to applicants for funding, including with respect to justifications for such programs and activities; and

(7) carry out other activities as deemed necessary to continue to encourage innovation and disseminate evidence-based programs and practices.

(c) Evidence-based practices and service delivery models

(1) In general

In carrying out subsection (b)(3), the Laboratory—

(A) may give preference to models that improve—

(i) the coordination between mental health and physical health providers;

(ii) the coordination among such providers and the justice and corrections system; and

(iii) the cost effectiveness, quality, effectiveness, and efficiency of health care services furnished to adults with a serious mental illness, children with a serious emotional disturbance, or individuals in a mental health crisis; and

(B) may include clinical protocols and practices that address the needs of individuals with early serious mental illness.

(2) Consultation

In carrying out this section, the Laboratory shall consult with—

(A) the Chief Medical Officer appointed under section 290aa(g) of this title;
