§ 290bb-34. Suicide prevention technical assistance center

(a) Program authorized

The Secretary, acting through the Assistant Secretary, shall establish a research, training, and technical assistance resource center to provide appropriate information, training, and technical assistance to States, political subdivisions of States, federally recognized Indian tribes, tribal organizations, institutions of higher education, public organizations, or private nonprofit organizations regarding the prevention of suicide among all ages, particularly among groups that are at a high risk for suicide.

(b) Responsibilities of the Center

The center established under subsection (a) shall conduct activities for the purpose of—

(1) developing and continuing statewide or tribal suicide early intervention and prevention strategies for all ages, particularly among groups that are at a high risk for suicide;

(2) ensuring the surveillance of suicide early intervention and prevention strategies for all ages, particularly among groups that are at a high risk for suicide;

(3) studying the costs and effectiveness of statewide and tribal suicide early intervention and prevention strategies in order to provide information concerning relevant issues of im-

portance to State, tribal, and national policy-makers;

(4) further identifying and understanding causes and associated risk factors for suicide;

(5) analyzing the efficacy of new and existing suicide early intervention and prevention techniques and technology;

(6) ensuring the surveillance of suicidal behaviors and nonfatal suicidal attempts;

(7) studying the effectiveness of State-sponsored statewide and tribal suicide early intervention and prevention strategies on the overall wellness and health promotion strategies related to suicide attempts;

(8) promoting the sharing of data regarding suicide with Federal agencies involved with suicide early intervention and prevention, and State-sponsored statewide or tribal suicide early intervention and prevention strategies for the purpose of identifying previously unknown mental health causes and associated risk factors for suicide;

(9) evaluating and disseminating outcomes and best practices of mental health and substance use disorder services at institutions of higher education; and

(10) conducting other activities determined appropriate by the Secretary.

(c) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated \$5,988,000 for each of fiscal years 2018 through 2022.

(d) Annual report

Not later than 2 years after December 13, 2016, the Secretary shall submit to Congress a report on the activities carried out by the center established under subsection (a) during the year involved, including the potential effects of such activities, and the States, organizations, and institutions that have worked with the center.
