

(1) Hire case managers, care coordinators, providers of peer recovery support services, as described in section 290ee-2(a) of this title, or other professionals, as appropriate, to provide services that support treatment, recovery, and rehabilitation, and prevent relapse, recidivism, and overdose, including by encouraging—

(A) the development and strengthening of daily living skills; and

(B) the use of counseling, care coordination, and other services, as appropriate, to support recovery from substance use disorders.

(2) Implement or utilize innovative technologies, which may include the use of telemedicine.

(3) In coordination with the lead State agency with responsibility for a workforce investment activity or local board described in subsection (b), provide—

(A) short-term prevocational training services; and

(B) training services that are directly linked to the employment opportunities in the local area or the planning region.

(h) Support for State strategy

An eligible entity shall include in its application under subsection (f) information describing how the services and activities proposed in such application are aligned with the State, outlying area, or Tribal strategy, as applicable, for addressing issues described in such application and how such entity will coordinate with existing systems to deliver services as described in such application.

(i) Data reporting and program oversight

Each eligible entity awarded a grant under this section shall submit to the Secretary a report at such time and in such manner as the Secretary may require. Such report shall include a description of—

(1) the programs and activities funded by the grant;

(2) outcomes of the population of individuals with a substance use disorder the grantee served through activities described in subsection (g); and

(3) any other information that the Secretary may require for the purpose of ensuring that the grantee is complying with all of the requirements of the grant.

(j) Reports to Congress

(1) Preliminary report

Not later than 2 years after the end of the first year of the grant period under this section, the Secretary shall submit to Congress a preliminary report that analyzes reports submitted under subsection (i).

(2) Final report

Not later than 2 years after submitting the preliminary report required under paragraph (1), the Secretary shall submit to Congress a final report that includes—

(A) a description of how the grant funding was used, including the number of individuals who received services under subsection (g)(3) and an evaluation of the effectiveness

of the activities conducted by the grantee with respect to outcomes of the population of individuals with substance use disorder who receive services from the grantee; and

(B) recommendations related to best practices for health care professionals to support individuals in substance use disorder treatment or recovery to live independently and participate in the workforce.

(k) Authorization of appropriations

There is authorized to be appropriated \$5,000,000 for each of fiscal years 2019 through 2023 for purposes of carrying out this section.

(Pub. L. 115-271, title VII, § 7183, Oct. 24, 2018, 132 Stat. 4070.)

CODIFICATION

Section was enacted as part of the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities Act, also known as the SUPPORT for Patients and Communities Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 290ee-9. Services for families and patients in crisis

(a) In general

The Secretary of Health and Human Services may make grants to entities that focus on addiction and substance use disorders and specialize in family and patient services, advocacy for patients and families, and educational information.

(b) Allowable uses

A grant awarded under this section may be used for nonprofit national, State, or local organizations that engage in the following activities:

(1) Expansion of resource center services with professional, clinical staff that provide, for families and individuals impacted by a substance use disorder, support, access to treatment resources, brief assessments, medication and overdose prevention education, compassionate listening services, recovery support or peer specialists, bereavement and grief support, and case management.

(2) Continued development of health information technology systems that leverage new and upcoming technology and techniques for prevention, intervention, and filling resource gaps in communities that are underserved.

(3) Enhancement and operation of treatment and recovery resources, easy-to-read scientific and evidence-based education on addiction and substance use disorders, and other informational tools for families and individuals impacted by a substance use disorder and community stakeholders, such as law enforcement agencies.

(4) Provision of training and technical assistance to State and local governments, law enforcement agencies, health care systems, research institutions, and other stakeholders.

(5) Expanding upon and implementing educational information using evidence-based information on substance use disorders.

(6) Expansion of training of community stakeholders, law enforcement officers, and families across a broad-range of addiction,

health, and related topics on substance use disorders, local issues and community-specific issues related to the drug epidemic.

(7) Program evaluation.

(Pub. L. 114–198, title VII, § 709, as added Pub. L. 115–271, title VIII, § 8212, Oct. 24, 2018, 132 Stat. 4115.)

CODIFICATION

Section was enacted as part of the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities Act, also known as the SUPPORT for Patients and Communities Act, and the Substance Abuse Prevention Act of 2018, and not as part of the Public Health Service Act which comprises this chapter.

§ 290ee-10. Sobriety treatment and recovery teams

(a) In general

The Secretary may make grants to States, units of local government, or tribal governments to establish or expand Sobriety Treatment And Recovery Team (referred to in this section as “START”) or other similar programs to determine the effectiveness of pairing social workers or mentors with families that are struggling with a substance use disorder and child abuse or neglect in order to help provide peer support, intensive treatment, and child welfare services to such families.

(b) Allowable uses

A grant awarded under this section may be used for one or more of the following activities:

(1) Training eligible staff, including social workers, social services coordinators, child welfare specialists, substance use disorder treatment professionals, and mentors.

(2) Expanding access to substance use disorder treatment services and drug testing.

(3) Enhancing data sharing with law enforcement agencies, child welfare agencies, substance use disorder treatment providers, judges, and court personnel.

(4) Program evaluation and technical assistance.

(c) Program requirements

A State, unit of local government, or tribal government receiving a grant under this section shall—

(1) serve only families for which—

(A) there is an open record with the child welfare agency; and

(B) substance use disorder was a reason for the record or finding described in paragraph (1);¹ and

(2) coordinate any grants awarded under this section with any grant awarded under section 629g(f) of this title focused on improving outcomes for children affected by substance abuse.

(d) Technical assistance

The Secretary may reserve not more than 5 percent of funds provided under this section to provide technical assistance on the establishment or expansion of programs funded under

this section from the National Center on Substance Abuse and Child Welfare.

(July 1, 1944, ch. 373, title V, § 550, as added Pub. L. 115–271, title VIII, § 8214, Oct. 24, 2018, 132 Stat. 4116.)

CODIFICATION

Section 8214 of Pub. L. 115–271, which directed the addition of this section at the end of title V of the Public Health Service Act, was executed by adding this section at the end of part D of that title of the Act, to reflect the probable intent of Congress.

Another section 550 of act July 1, 1944, is classified to section 290ee-5 of this title.

PART E—CHILDREN WITH SERIOUS EMOTIONAL DISTURBANCES

§ 290ff. Comprehensive community mental health services for children with serious emotional disturbances

(a) Grants to certain public entities

(1) In general

The Secretary, acting through the Director of the Center for Mental Health Services, shall make grants to public entities for the purpose of providing comprehensive community mental health services to children with a serious emotional disturbance, which may include efforts to identify and serve children at risk.

(2) “Public entity” defined

For purposes of this part, the term “public entity” means any State, any political subdivision of a State, and any Indian tribe or tribal organization (as defined in section 5304(b) and section 5304(c)¹ of title 25).

(b) Considerations in making grants

(1) Requirement of status as grantee under part B of subchapter XVII

The Secretary may make a grant under subsection (a) to a public entity only if—

(A) in the case of a public entity that is a State, the State is a grantee under section 300x of this title;

(B) in the case of a public entity that is a political subdivision of a State, the State in which the political subdivision is located is such a grantee; and

(C) in the case of a public entity that is an Indian tribe or tribal organization, the State in which the tribe or tribal organization is located is such a grantee.

(2) Requirement of status as medicaid provider

(A) Subject to subparagraph (B), the Secretary may make a grant under subsection (a) only if, in the case of any service under such subsection that is covered in the State plan approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] for the State involved—

(i) the public entity involved will provide the service directly, and the entity has entered into a participation agreement under the State plan and is qualified to receive payments under such plan; or

(ii) the public entity will enter into an agreement with an organization under which
