§ 294c. Education and training relating to geriatrics**(a) Geriatric education centers****(1) In general**

The Secretary shall award grants or contracts under this section to entities described in paragraphs¹ (1), (3), or (4) of section 295p of this title, and section 296(2) of this title, for

the establishment or operation of geriatric education centers.

(2) Requirements

A geriatric education center is a program that—

(A) improves the training of health professionals in geriatrics, including geriatric residencies, traineeships, or fellowships;

(B) develops and disseminates curricula relating to the treatment of the health problems of elderly individuals;

(C) supports the training and retraining of faculty to provide instruction in geriatrics;

(D) supports continuing education of health professionals who provide geriatric care; and

(E) provides students with clinical training in geriatrics in nursing homes, chronic and acute disease hospitals, ambulatory care centers, and senior centers.

(b) Geriatric training regarding physicians and dentists**(1) In general**

The Secretary may make grants to, and enter into contracts with, schools of medicine, schools of osteopathic medicine, teaching hospitals, and graduate medical education programs, for the purpose of providing support (including residencies, traineeships, and fellowships) for geriatric training projects to train physicians, dentists and behavioral and mental health professionals who plan to teach geriatric medicine, geriatric behavioral or mental health, or geriatric dentistry.

(2) Requirements

Each project for which a grant or contract is made under this subsection shall—

(A) be staffed by full-time teaching physicians who have experience or training in geriatric medicine or geriatric behavioral or mental health;

(B) be staffed, or enter into an agreement with an institution staffed by full-time or part-time teaching dentists who have experience or training in geriatric dentistry;

(C) be staffed, or enter into an agreement with an institution staffed by full-time or part-time teaching behavioral mental health professionals who have experience or training in geriatric behavioral or mental health;

(D) be based in a graduate medical education program in internal medicine or family medicine or in a department of geriatrics or behavioral or mental health;

(E) provide training in geriatrics and exposure to the physical and mental disabilities of elderly individuals through a variety of service rotations, such as geriatric consultation services, acute care services, dental services, geriatric behavioral or mental health units, day and home care programs, rehabilitation services, extended care facilities, geriatric ambulatory care and comprehensive evaluation units, and community care programs for elderly individuals with intellectual disabilities; and

(F) provide training in geriatrics through one or both of the training options described in subparagraphs (A) and (B) of paragraph (3).

¹ So in original. Probably should be "paragraph".
