SUBCHAPTER VIII—POPULATION RESEARCH AND VOLUNTARY FAMILY PLANNING PROGRAMS

§ 300. Project grants and contracts for family planning services

(a) Authority of Secretary

The Secretary is authorized to make grants to and enter into contracts with public or non-profit private entities to assist in the establishment and operation of voluntary family planning projects which shall offer a broad range of acceptable and effective family planning methods and services (including natural family planning methods, infertility services, and services for adolescents). To the extent practical, entities which receive grants or contracts under this subsection shall encourage family¹ participation in projects assisted under this subsection.

(b) Factors determining awards; establishment and preservation of rights of local and regional entities

In making grants and contracts under this section the Secretary shall take into account the number of patients to be served, the extent to which family planning services are needed locally, the relative need of the applicant, and its capacity to make rapid and effective use of such assistance. Local and regional entities shall be assured the right to apply for direct grants and contracts under this section, and the Secretary shall by regulation fully provide for and protect such right.

(c) Reduction of grant amount

The Secretary, at the request of a recipient of a grant under subsection (a), may reduce the amount of such grant by the fair market value

¹ So in original. Probably should be “family”.
