

102 Stat. 2887; amended Pub. L. 104-182, title V, §501(d), (f)(11), Aug. 6, 1996, 110 Stat. 1691, 1692, related to Federal assistance for State programs regarding lead contamination in school drinking water, prior to repeal by Pub. L. 114-322, title II, §2107(b), Dec. 16, 2016, 130 Stat. 1728.

### § 300j-26. Certification of testing laboratories

The Administrator of the Environmental Protection Agency shall assure that programs for the certification of testing laboratories which test drinking water supplies for lead contamination certify only those laboratories which provide reliable accurate testing. The Administrator (or the State in the case of a State to which certification authority is delegated under this subsection) shall publish and make available to the public upon request the list of laboratories certified under this subsection.<sup>1</sup>

(Pub. L. 100-572, §4, Oct. 31, 1988, 102 Stat. 2889.)

#### CODIFICATION

Section was enacted as part of the Lead Contamination Control Act of 1988, and not as part of the Public Health Service Act which comprises this chapter.

### § 300j-27. Registry for lead exposure and Advisory Committee

#### (a) Definitions

In this section:

##### (1) City

The term “City” means a city exposed to lead contamination in the local drinking water system.

##### (2) Committee

The term “Committee” means the Advisory Committee established under subsection (c).

##### (3) Secretary

The term “Secretary” means the Secretary of Health and Human Services.

#### (b) Lead exposure registry

The Secretary shall establish within the Agency for Toxic Substances and Disease Registry or the Centers for Disease Control and Prevention at the discretion of the Secretary, or establish through a grant award or contract, a lead exposure registry to collect data on the lead exposure of residents of a City on a voluntary basis.

#### (c) Advisory Committee

##### (1) Membership

###### (A) In general

The Secretary shall establish, within the Agency for Toxic Substances and Disease Registry an Advisory Committee in coordination with the Director of the Centers for Disease Control and Prevention and other relevant agencies as determined by the Secretary consisting of Federal members and non-Federal members, and which shall include—

- (i) an epidemiologist;
- (ii) a toxicologist;
- (iii) a mental health professional;
- (iv) a pediatrician;

- (v) an early childhood education expert;
- (vi) a special education expert;
- (vii) a dietician; and
- (viii) an environmental health expert.

##### (B) Requirements

Membership in the Committee shall not exceed 15 members and not less than ½ of the members shall be Federal members.

##### (2) Chair

The Secretary shall designate a chair from among the Federal members appointed to the Committee.

##### (3) Terms

Members of the Committee shall serve for a term of not more than 3 years and the Secretary may reappoint members for consecutive terms.

##### (4) Application of FACA

The Committee shall be subject to the Federal Advisory Committee Act (5 U.S.C. App.).

##### (5) Responsibilities

The Committee shall, at a minimum—

(A) review the Federal programs and services available to individuals and communities exposed to lead;

(B) review current research on lead poisoning to identify additional research needs;

(C) review and identify best practices, or the need for best practices, regarding lead screening and the prevention of lead poisoning;

(D) identify effective services, including services relating to healthcare, education, and nutrition for individuals and communities affected by lead exposure and lead poisoning, including in consultation with, as appropriate, the lead exposure registry as established in subsection (b); and

(E) undertake any other review or activities that the Secretary determines to be appropriate.

##### (6) Report

Annually for 5 years and thereafter as determined necessary by the Secretary or as required by Congress, the Committee shall submit to the Secretary, the Committees on Finance, Health, Education, Labor, and Pensions, and Agriculture, Nutrition, and Forestry of the Senate and the Committees on Education and the Workforce, Energy and Commerce, and Agriculture of the House of Representatives a report that includes—

(A) an evaluation of the effectiveness of the Federal programs and services available to individuals and communities exposed to lead;

(B) an evaluation of additional lead poisoning research needs;

(C) an assessment of any effective screening methods or best practices used or developed to prevent or screen for lead poisoning;

(D) input and recommendations for improved access to effective services relating to health care, education, or nutrition for individuals and communities impacted by lead exposure; and

(E) any other recommendations for communities affected by lead exposure, as appropriate.

<sup>1</sup> So in original. Probably should be “section.”
