

sive procedures, except for emergency situations when the patient's life or limb is in danger, have been instituted in the State. State guidelines shall apply to health professionals practicing within the State and shall be consistent with Federal law. Compliance with such guidelines shall be the responsibility of the State Public Health Official. Said responsibilities shall include a process for determining what appropriate disciplinary or other actions shall be taken to ensure compliance. If such certification is not provided under this section within the one-year period, the State shall be ineligible to receive assistance under the Public Health Service Act (42 U.S.C. 301 [201] et seq.) until such certification is provided, except that the Secretary may extend the time period for a State, upon application of such State, that additional time is required for instituting said guidelines."

§ 300ee-3. Continuing education for health care providers

(a) In general

The Secretary of Health and Human Services (hereafter in this section referred to as the "Secretary") may make grants to nonprofit organizations composed of, or representing, health care providers to assist in the payment of the costs of projects to train such providers concerning—

(1) appropriate infection control procedures to reduce the transmission of the etiologic agent for acquired immune deficiency syndrome; and

(2) the provision of care and treatment to individuals with such syndrome or related illnesses.

(b) Limitation

The Secretary may make a grant under subsection (a) to an entity only if the entity will provide services under the grant in a geographic area, or to a population of individuals, not served by a program substantially similar to the program described in subsection (a).

(c) Requirement of matching funds

(1) The Secretary may not make a grant under subsection (a) unless the applicant for the grant agrees, with respect to the costs to be incurred by the applicant in carrying out the purpose described in such subsection, to make available, directly or through donations from public or private entities, non-Federal contributions (in cash or in kind under paragraph (2)) toward such costs in an amount equal to not less than \$2 for each \$1 of Federal funds provided in such payments.

(2) Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(d) Requirement of application

The Secretary may not make a grant under subsection (a) unless—

(1) an application for the grant is submitted to the Secretary;

(2) with respect to carrying out the purpose for which the grant is to be made, the applica-

tion provides assurances of compliance satisfactory to the Secretary; and

(3) the application otherwise is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

(e) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 1989 through 1991.
