§ 300mm-1. WTC Health Program Scientific/Technical Advisory Committee; WTC Health Program Steering Committees

(a) Advisory Committee

(1) Establishment

The WTC Program Administrator shall establish an advisory committee to be known as the WTC Health Program Scientific/Technical Advisory Committee (in this subsection referred to as the “Advisory Committee”) to review scientific and medical evidence and to make recommendations to the Administrator on additional WTC Program eligibility criteria and on additional WTC-related health conditions.

(2) Composition

The WTC Program Administrator shall appoint the members of the Advisory Committee and shall include at least—

(A) 4 occupational physicians, at least 2 of whom have experience treating WTC rescue and recovery workers;

(B) 1 physician with expertise in pulmonary medicine;

(C) 2 environmental medicine or environmental health specialists;

(D) 2 representatives of WTC responders;

(E) 2 representatives of certified-eligible WTC survivors;

(F) an industrial hygienist;

(G) a toxicologist;

(H) an epidemiologist; and

(I) a mental health professional.

(3) Meetings

The Advisory Committee shall meet at such frequency as may be required to carry out its duties.

(4) Reports

The WTC Program Administrator shall provide for publication of recommendations of the Advisory Committee on the public Web site established for the WTC Program.

(5) Duration

Notwithstanding any other provision of law, the Advisory Committee shall continue in operation during the period in which the WTC Program is in operation.

(6) Application of FACA

Except as otherwise specifically provided, the Advisory Committee shall be subject to the Federal Advisory Committee Act.

(b) WTC Health Program Steering Committees

(1) Consultation

The WTC Program Administrator shall consult with 2 steering committees (each in this section referred to as a “Steering Committee”) that are established as follows:

(A) WTC Responders Steering Committee

One Steering Committee, to be known as the WTC Responders Steering Committee, for the purpose of receiving input from affected stakeholders and facilitating the coordination of monitoring and treatment programs for the enrolled WTC responders under subpart 1 of part B.

(B) WTC Survivors Steering Committee

One Steering Committee, to be known as the WTC Survivors Steering Committee, for the purpose of receiving input from affected stakeholders and facilitating the coordination of initial health evaluations, monitoring, and treatment programs for screening-eligible and certified-eligible WTC survivors under subpart 2 of part B.

(2) Membership

(A) WTC Responders Steering Committee

(i) Representation

The WTC Responders Steering Committee shall include—

(I) representatives of the Centers of Excellence providing services to WTC responders;

(II) representatives of labor organizations representing firefighters, police, other New York City employees, and recovery and cleanup workers who responded to the September 11, 2001, terrorist attacks; and

(III) 3 representatives of New York City, 1 of whom will be selected by the police commissioner of New York City, 1 by the health commissioner of New York

City, and 1 by the mayor of New York City.

(ii) Initial membership

The WTC Responders Steering Committee shall initially be composed of members of the WTC Monitoring and Treatment Program Steering Committee (as in existence on the day before January 2, 2011).

(B) WTC Survivors Steering Committee

(i) Representation

The WTC Survivors Steering Committee shall include representatives of—

(I) the Centers of Excellence providing services to screening-eligible and certified-eligible WTC survivors;

(II) the population of residents, students, and area and other workers affected by the September 11, 2001, terrorist attacks;

(III) screening-eligible and certified-eligible survivors receiving initial health evaluations, monitoring, or treatment under subpart 2 of part B and organizations advocating on their behalf; and

§ 300mm-3. Uniform data collection and analysis

(a) In general

The WTC Program Administrator shall provide for the uniform collection of data, including claims data (and analysis of data and regular reports to the Administrator) on the prevalence of WTC-related health conditions and the identification of new WTC-related health conditions. Such data shall be collected for all individuals provided monitoring or treatment benefits under part B and regardless of their place of residence or Clinical Center of Excellence through which the benefits are provided. The WTC Program Administrator shall provide, through the Data Centers or otherwise, for the integration of such data into the monitoring and treatment program activities under this subchapter.

(b) Coordinating through Centers of Excellence

Each Clinical Center of Excellence shall collect data described in subsection (a) and report such data to the corresponding Data Center for analysis by such Data Center.

(c) Collaboration with WTC Health Registry

The WTC Program Administrator shall provide for collaboration between the Data Centers and the World Trade Center Health Registry described in section 300mm-52 of this title.

(d) Privacy

The data collection and analysis under this section shall be conducted and maintained in a manner that protects the confidentiality of individually identifiable health information consistent with applicable statutes and regulations, including, as applicable, HIPAA privacy and security law (as defined in section 300jj-19(a)(2) of this title) and section 552a of title 5.
