(2) Priority for occupancy

In determining priority for admission to public housing projects (or portions of projects) that are designated for occupancy as provided in paragraph (1), the public housing agency may make units in such projects (or portions) available only to the types of families for whom the project is designated.

(3) Eligibility of near-elderly families

If a public housing agency determines that there are insufficient numbers of elderly families to fill all the units in a project (or portion of a project) designated under paragraph (1) for occupancy by only elderly families, the agency may provide that near-elderly families may occupy dwelling units in the project (or portion).

(b) Standards regarding evictions

Except as provided in section 1437n(e)(1)(B)¹ of this title, any tenant who is lawfully residing in a dwelling unit in a public housing project may not be evicted or otherwise required to vacate such unit because of the designation of the project (or portion of a project) pursuant to this section or because of any action taken by the Secretary or any public housing agency pursuant to this section.

(c) Relocation assistance

A public housing agency that designates any existing project or building, or portion thereof, for occupancy as provided under subsection (a)(1) shall provide, to each person and family who agrees to be relocated in connection with such designation—

The Secretary shall conduct a limited review of each plan under subsection (d) that is submitted to the Secretary to ensure that the plan is complete and complies with the requirements of subsection (d). (2) Notice of reasons for determination of non-compliance

If the Secretary determines that a plan, as submitted, does not comply with the requirements under subsection (d), the Secretary shall specify in the notice under paragraph (1) the reasons for the noncompliance and any modifications necessary for the plan to meet such requirements.

(3) Standards for determination of noncompliance

The Secretary may determine that a plan does not comply with the requirements under subsection (d) only if—

(A) the plan is incomplete in significant matters required under such subsection; or

(B) there is evidence available to the Secretary that challenges, in a substantial manner, any information provided in the plan.

(4) Treatment of existing plans

Notwithstanding any other provision of this section, a public housing agency shall be considered to have submitted a plan under this subsection if the agency has submitted to the Secretary an application and allocation plan under this section (as in effect before March 28, 1996) that have not been approved or disapproved before March 28, 1996.
