the Federal Register a schedule for submitting the plans required under subsection (b).

(2) Progress reports

(A) Not later than the deadlines specified in subparagraph (B), the Secretary of Energy shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Energy and Commerce of the House of Representatives a progress report containing the following:

(i) An identification, by facility, of the plans that have been submitted to States or the Administrator of the Environmental Protection Agency pursuant to subsection (b).

(ii) The status of State and Environmental Protection Agency review and approval of each such plan.

(iii) The number of orders requiring compliance with such plans that are in effect.

(iv) For the first 2 reports required under this paragraph, an identification of the plans required under such subsection (b) that the Secretary expects to submit in the 12-month period following submission of the report.

(B) The Secretary of Energy shall submit a report under subparagraph (A) not later than 12 months after October 6, 1992, 24 months after October 6, 1992, and 36 months after October 6, 1992.

(Pub. L. 89–272, title II, § 3021, as added Pub. L. 102–386, title I, § 105(a)(1), Oct. 6, 1992, 106 Stat. 1508.)

CHANGE OF NAME

Committee on Energy and Commerce of House of Representatives treated as referring to Committee on Commerce of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

GAO REPORT

Pub. L. 102–386, title I, § 105(c), Oct. 6, 1992, 106 Stat. 1512, provided that:

''(1) REQUIREMENT.—Not later than 18 months after the date of the enactment of this Act [Oct. 6, 1992], the Comptroller General shall submit to Congress a report on the Department of Energy's progress in complying with section 3021(b) of the Solid Waste Disposal Act [42 U.S.C. 6939c(b)].

''(2) MATTERS TO BE INCLUDED.—The report required under paragraph (1) shall contain, at a minimum, the following:

''(A) The Department of Energy's progress in submitting to the States or the Administrator of the Environmental Protection Agency a plan for each facility for which a plan is required under section 3021(b) of the Solid Waste Disposal Act and the status of State or Environmental Protection Agency review and approval of each such plan.

''(B) The Department of Energy's progress in entering into orders requiring compliance with any such plans that have been approved.

''(C) An evaluation of the completeness and adequacy of each such plan as of the date of submission of the report required under paragraph (1).

''(D) An identification of any recurring problems among the Department of Energy's submitted plans.

''(E) A description of treatment technologies and capacity that have been developed by the Department of Energy since the date of the enactment of this Act and a list of the wastes that are expected to be treated by such technologies and the facilities at which the wastes are generated or stored.

''(F) The progress made by the Department of Energy in characterizing its mixed waste streams at each such facility by sampling and analysis.

''(G) An identification and analysis of additional actions that the Department of Energy must take to—

''(i) complete submission of all plans required under such section 3021(b) for all such facilities;

''(ii) obtain the adoption of orders requiring compliance with all such plans; and

''(iii) develop mixed waste treatment capacity and technologies.''

§ 6939d. Public vessels

(a) Waste generated on public vessels

Any hazardous waste generated on a public vessel shall not be subject to the storage, manifest, inspection, or recordkeeping requirements of this chapter until such waste is transferred to a shore facility, unless—

(1) the waste is stored on the public vessel for more than 90 days after the public vessel is placed in reserve or is otherwise no longer in service; or

(2) the waste is transferred to another public vessel within the territorial waters of the United States and is stored on such vessel or another public vessel for more than 90 days after the date of transfer.

(b) Computation of storage period

For purposes of subsection (a), the 90-day period begins on the earlier of—

(1) the date on which the public vessel on which the waste was generated is placed in reserve or is otherwise no longer in service; or

(2) the date on which the waste is transferred from the public vessel on which the waste was generated to another public vessel within the territorial waters of the United States;

and continues, without interruption, as long as the waste is stored on the original public vessel (if in reserve or not in service) or another public vessel.

(c) Definitions

For purposes of this section:

(1) The term ''public vessel'' means a vessel owned or bareboat chartered and operated by the United States, or by a foreign nation, except when the vessel is engaged in commerce.

(2) The terms ''in reserve'' and ''in service'' have the meanings applicable to those terms under section 8663 and sections 8674 through 8678 of title 10 and regulations prescribed under those sections.

(d) Relationship to other law

Nothing in this section shall be construed as altering or otherwise affecting the provisions of section 8681 of title 10.

(Pub. L. 89–272, title II, § 3022, as added Pub. L. 102–386, title I, § 106(a), Oct. 6, 1992, 106 Stat. 1513; amended Pub. L. 115–232, div. A, title VIII, § 809(n)(2), Aug. 13, 2018, 132 Stat. 1844.)

AMENDMENTS

2018—Subsec. (c)(2). Pub. L. 115–232, § 809(n)(2)(A), substituted ''section 8663 and sections 8674 through 8678 of title 10'' for ''section 7293 and sections 7304 through 7308 of title 10''.

Subsec. (d). Pub. L. 115–232, § 809(n)(2)(B), substituted ''section 8681 of title 10'' for ''section 7311 of title 10''.

EFFECTIVE DATE OF 2018 AMENDMENT

Amendment by Pub. L. 115–232 effective Feb. 1, 2019, with provision for the coordination of amendments and special rule for certain redesignations, see section 800 of Pub. L. 115–232, set out as a note preceding section 3001 of Title 10, Armed Forces.

§ 6939e. Federally owned treatment works

(a) In general

For purposes of section 6903(27) of this title, the phrase ''but does not include solid or dissolved material in domestic sewage'' shall apply to any solid or dissolved material introduced by a source into a federally owned treatment works if—

(1) such solid or dissolved material is subject to a pretreatment standard under section 1317 of title 33, and the source is in compliance with such standard;

(2) for a solid or dissolved material for which a pretreatment standard has not been promulgated pursuant to section 1317 of title 33, the Administrator has promulgated a schedule for establishing such a pretreatment standard which would be applicable to such solid or dissolved material not later than 7 years after October 6, 1992, such standard is promulgated on or before the date established in the schedule, and after the effective date of such standard the source is in compliance with such standard;

(3) such solid or dissolved material is not covered by paragraph (1) or (2) and is not prohibited from land disposal under subsections[1] (d), (e), (f), or (g) of section 6924 of this title because such material has been treated in accordance with section 6924(m) of this title; or

(4) notwithstanding paragraphs[1] (1), (2), or (3), such solid or dissolved material is generated by a household or person which generates less than 100 kilograms of hazardous waste per month unless such solid or dissolved material would otherwise be an acutely hazardous waste and subject to standards, regulations, or other requirements under this chapter notwithstanding the quantity generated.

(b) Prohibition

It is unlawful to introduce into a federally owned treatment works any pollutant that is a hazardous waste.

(c) Enforcement

(1) Actions taken to enforce this section shall not require closure of a treatment works if the hazardous waste is removed or decontaminated and such removal or decontamination is adequate, in the discretion of the Administrator or, in the case of an authorized State, of the State, to protect human health and the environment.

(2) Nothing in this subsection shall be construed to prevent the Administrator or an authorized State from ordering the closure of a treatment works if the Administrator or State determines such closure is necessary for protection of human health and the environment.

(3) Nothing in this subsection shall be construed to affect any other enforcement authorities available to the Administrator or a State under this subchapter.

(d) "Federally owned treatment works" defined

For purposes of this section, the term ''federally owned treatment works'' means a facility that is owned and operated by a department, agency, or instrumentality of the Federal Government treating wastewater, a majority of which is domestic sewage, prior to discharge in accordance with a permit issued under section 1342 of title 33.

(e) Savings clause

Nothing in this section shall be construed as affecting any agreement, permit, or administrative or judicial order, or any condition or requirement contained in such an agreement, permit, or order, that is in existence on October 6, 1992, and that requires corrective action or closure at a federally owned treatment works or solid waste management unit or facility related to such a treatment works.

(Pub. L. 89–272, title II, § 3023, as added Pub. L. 102–386, title I, § 108(a), Oct. 6, 1992, 106 Stat. 1514.)

§ 6939f. Long-term storage

(a) Designation of facility

(1) In general

Not later than January 1, 2010, the Secretary of Energy (referred to in this section as the ''Secretary'') shall designate a facility or facilities of the Department of Energy, which shall not include the Y–12 National Security Complex or any other portion or facility of the Oak Ridge Reservation of the Department of Energy, for the purpose of long-term management and storage of elemental mercury generated within the United States.

(2) Operation of facility

Not later than January 1, 2019, the facility designated in paragraph (1) shall be operational and shall accept custody, for the purpose of long-term management and storage, of elemental mercury generated within the United States and delivered to such facility.

(b) Fees

(1) In general

(A) Assessment and collection

After consultation with persons who are likely to deliver elemental mercury to a designated facility for long-term management and storage under the program prescribed in subsection (a), and with other interested persons, the Secretary shall assess and collect a fee at the time of delivery for providing such management and storage, based on the pro rata cost of long-term management and storage of elemental mercury delivered to the facility.

(B) Amount

The amount of the fees described in subparagraph (A)—

[1] So in original. Probably should be singular.
