§ 1748a-2. Reporting requirements

(a) In general

Not later than 90 days after the end of the fiscal year for which additional new budget authority is used, pursuant to section 901(b)(2)(F)(i) of title 2, as added by section 102 of this division, the Secretary of the Interior or the Secretary of Agriculture (as applicable), in consultation with the Director of the Office of Management and Budget, shall—

- (1) prepare an annual report with respect to the additional new budget authority;
- (2) submit to the Committees on Appropriations, the Budget, and Natural Resources of the House of Representatives and the Committees on Appropriations, the Budget, and Energy and Natural Resources of the Senate the annual report prepared under paragraph (1); and
- (3) make the report prepared under paragraph (1) available to the public.

(b) Components

The annual report prepared under subsection (a)(1) shall—

- (1) document obligations and outlays of the additional new budget authority for wildfire suppression operations;
- (2) identify risk-based factors that influenced management decisions with respect to wildfire suppression operations;
- (3) analyze a statistically significant sample of large fires, including an analysis for each fire of—
 - (A) cost drivers;
 - (B) the effectiveness of risk management techniques and whether fire operations strategy tracked the risk assessment;
 - (C) any resulting ecological or other benefits to the landscape;
 - (D) the impact of investments in wildfire suppression operations preparedness;
 - (E) effectiveness of wildfire suppression operations, including an analysis of resources lost versus dollars invested;
 - (F) effectiveness of any fuel treatments on fire behavior and suppression expenditures;
 - (G) levels of exposure experienced by firefighters;
 - (H) suggested corrective actions; and
 - (I) any other factors the Secretary of the Interior or Secretary of Agriculture (as applicable) determines to be appropriate;

(4) include an accounting of overall fire management and spending by the Department of the Interior or the Department of Agriculture,

which shall be analyzed by fire size, cost, regional location, and other factors;

(5) describe any lessons learned in the conduct of wildfire suppression operations; and

(6) include any other elements that the Secretary of the Interior or the Secretary of Agriculture (as applicable) determines to be necessary.

§ 1748b. Cohesive wildfire management strategy

(a) Strategy required

Not later than one year after October 30, 2009, the Secretary of the Interior and the Secretary of Agriculture, acting jointly, shall submit to Congress a report that contains a cohesive wildfire management strategy, consistent with the recommendations described in recent reports of the Government Accountability Office regarding management strategies.

(b) Elements of strategy

The strategy required by subsection (a) shall provide for—

- (1) the identification of the most cost-effective means for allocating fire management budget resources;
- (2) the reinvestment in non-fire programs by the Secretary of the Interior and the Secretary of Agriculture;
- (3) employing the appropriate management response to wildfires;
- (4) assessing the level of risk to communities;
- (5) the allocation of hazardous fuels reduction funds based on the priority of hazardous fuels reduction projects;
- (6) assessing the impacts of climate change on the frequency and severity of wildfire; and
- (7) studying the effects of invasive species on wildfire risk.

(c) Revision

At least once during each five-year period beginning on the date of the submission of the cohesive wildfire management strategy under subsection (a), the Secretary of the Interior and the Secretary of Agriculture shall revise the strategy to address any changes affecting the strategy, including changes with respect to landscape, vegetation, climate, and weather.
