

the inventory process required by section 1711(a) of this title;

(2) manage, maintain and improve the condition of the public rangelands so that they become as productive as feasible for all rangeland values in accordance with management objectives and the land use planning process established pursuant to section 1712 of this title;

(3) charge a fee for public grazing use which is equitable and reflects the concerns addressed in paragraph (a)(5) above;

(4) continue the policy of protecting wild free-roaming horses and burros from capture, branding, harassment, or death, while at the same time facilitating the removal and disposal of excess wild free-roaming horses and burros which pose a threat to themselves and their habitat and to other rangeland values;

(c) The policies of this chapter shall become effective only as specific statutory authority for their implementation is enacted by this chapter or by subsequent legislation, and shall be construed as supplemental to and not in derogation of the purposes for which public rangelands are administered under other provisions of law.

SHORT TITLE

Pub. L. 95-514, §1, Oct. 25, 1978, 92 Stat. 1803, provided: "That this Act [enacting this chapter and amending sections 1739 and 1751 to 1753 of this title and sections 1332 and 1333 of Title 16, Conservation] may be cited as the 'Public Rangelands Improvement Act of 1978'."

§ 1902. Definitions

As used in this chapter—

(a) The terms "rangelands" or "public rangelands" means lands administered by the Secretary of the Interior through the Bureau of Land Management or the Secretary of Agriculture through the Forest Service in the sixteen contiguous Western States on which there is domestic livestock grazing or which the Secretary concerned determines may be suitable for domestic livestock grazing.

(b) The term "allotment management plan" is the same as defined in section 1702(k) of this title, except that as used in this chapter such term applies to the sixteen contiguous Western States.

(c) The term "grazing permit and lease" means any document authorizing use of public lands or lands in national forests in the sixteen contiguous Western States for the purpose of grazing domestic livestock.

(d) The term "range condition" means the quality of the land reflected in its ability in specific vegetative areas to support various levels of productivity in accordance with range management objectives and the land use planning process, and relates to soil quality, forage values (whether seasonal or year round), wildlife habitat, watershed and plant communities, the present state of vegetation of a range site in relation to the potential plant community for that site, and the relative degree to which the kinds, proportions, and amounts of vegetation in a plant community resemble that of the desired community for that site.

(e) The term "native vegetation" means those plant species, communities, or vegetative associations which are endemic to a given area and which would normally be identified with a healthy and productive range condition occurring as a result of the natural vegetative process of the area.

(f) The term "range improvement" means any activity or program on or relating to rangelands which is designed to improve production of forage; change vegetative composition; control patterns of use; provide water; stabilize soil and water conditions; and provide habitat for livestock and wildlife. The term includes, but is not limited to, structures, treatment projects, and use of mechanical means to accomplish the desired results.

(g) The term "court ordered environmental impact statement" means any environmental statements which are required to be prepared by the Secretary of the Interior pursuant to the final judgment or subsequent modification thereof as set forth on June 18, 1975, in the matter of Natural Resources Defense Council against Andrus.

(h) The term "Secretary" unless specifically designated otherwise, means the Secretary of the Interior.

(i) The term "sixteen contiguous Western States" means the States of Arizona, California, Colorado, Idaho, Kansas, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Utah, Washington, and Wyoming.
