Section constitutes subsec. (a) of section 1 of act June 24, 1954. Subsec. (b) of section 1 amended section 2605(a) of this title.

§ 2632. Exchange of jurisdiction between Secretaries; conditions; publication in Federal Register

The Secretary of the Interior and the Secretary of Agriculture are authorized and directed, within two years after June 24, 1954, to exchange administrative jurisdiction of revested Oregon and California Railroad grant lands lying within the boundaries of any national forest or within two miles of such boundaries, and national-forest lands of approximately equal aggregate value, when by such exchange the administration of the lands will be facilitated. Such exchanges shall be made subject to outstanding contracts, permits or other existing rights: *Provided*, That the said national-forest lands, administrative jurisdiction of which is transferred to the Secretary of the Interior, shall be excluded from the national forest and shall become subject to administration under the same provisions of law as the revested lands in exchange for which they were transferred, and the revested lands, administrative jurisdiction of which is transferred to the Secretary of Agriculture, shall become a part of the national forests subject to administration under the laws applicable to national forests: *Provided further*, That subject to the requirement of approximate

equal aggregate value for the overall exchange, the revested lands and the national-forest lands, administrative jurisdiction of which is exchanged in any county, shall be approximately equal in area unless otherwise agreed to by the counties concerned. The exchanges provided for in this section shall in each case be evidenced by an order signed by the Secretary of the Interior and the Secretary of Agriculture and such orders shall be transmitted to the Division of the Federal Register for filing and publication.

§ 2801. Definitions

In this chapter—

(1) the term “Advisory Committee” means the National Geospatial Advisory Committee established under section 2803(a) of this title;

(2) the term “Committee” means the Federal Geographic Data Committee established under section 2802(a) of this title;

(3) the term “covered agency”—

(A) means—

(i) an Executive department, as defined in section 101 of title 5 that collects, produces, acquires, distributes, uses, or preserves geospatial data on paper or in electronic form to fulfill the mission of the Executive department, either directly or through a relationship with another organization, including a State, local government, Indian tribe, institution of higher education, business partner or contractor of the Federal Government, and the public;

(ii) the National Aeronautics and Space Administration; or

(iii) the General Services Administration; and

(B) does not include the Department of Defense (including 30 components and agencies performing national missions) or any element of the intelligence community;

(4) the term “GeoPlatform” means the GeoPlatform described in section 2807(a) of this title;

(5) the term “geospatial data”—

(A) means information that is tied to a location on the Earth, including by identifying the geographic location and characteristics of natural or constructed features and boundaries on the Earth, and that is generally represented in vector datasets by points, lines, polygons, or other complex geographic features or phenomena;

(B) may be derived from, among other things, remote sensing, mapping, and surveying technologies;

(C) includes images and raster datasets, aerial photographs, and other forms of geospatial data or datasets in digitized or non-digitized form; and

(D) does not include—

(i) geospatial data and activities of an Indian tribe not carried out, in whole or in part, using Federal funds, as determined by the tribal government;

(ii) classified national security-related geospatial data and activities of the Department of Defense, unless declassified;
