Sec.	
2701.	Control of noxious plants on Federal lands; State programs; terms of entry.
2702.	Reimbursement of States for expenses.
2703.	Authorization of appropriations.

§ 2701. Control of noxious plants on Federal lands; State programs; terms of entry

The heads of Federal departments or agencies are authorized and directed to permit the commissioner of agriculture or other proper agency head of any State in which there is in effect a program for the control of noxious plants to enter upon any lands under their control or jurisdiction and destroy noxious plants growing on such land if—

- (1) such entry is in accordance with a program submitted to and approved by such department or agency: *Provided*, That no entry shall occur when the head of such Federal department or agency, or his designee, shall have certified that entry is inconsistent with national security;
- (2) the means by which noxious plants are destroyed are acceptable to the head of such department or agency; and
- (3) the same procedure required by the State program with respect to privately owned land has been followed.

§ 2801. Definitions

In this chapter—

(1) the term “Advisory Committee” means the National Geospatial Advisory Committee established under section 2803(a) of this title;

(2) the term “Committee” means the Federal Geographic Data Committee established under section 2802(a) of this title;

(3) the term “covered agency”—

(A) means—

(i) an Executive department, as defined in section 101 of title 5 that collects, produces, acquires, distributes, uses, or preserves geospatial data on paper or in electronic form to fulfill the mission of the Executive department, either directly or through a relationship with another organization, including a State, local government, Indian tribe, institution of higher education, business partner or contractor of the Federal Government, and the public;

(ii) the National Aeronautics and Space Administration; or

(iii) the General Services Administration; and

(B) does not include the Department of Defense (including 30 components and agencies performing national missions) or any element of the intelligence community;

(4) the term “GeoPlatform” means the GeoPlatform described in section 2807(a) of this title;

(5) the term “geospatial data”—

(A) means information that is tied to a location on the Earth, including by identifying the geographic location and characteristics of natural or constructed features and boundaries on the Earth, and that is generally represented in vector datasets by points, lines, polygons, or other complex geographic features or phenomena;

(B) may be derived from, among other things, remote sensing, mapping, and surveying technologies;

(C) includes images and raster datasets, aerial photographs, and other forms of geospatial data or datasets in digitized or non-digitized form; and

(D) does not include—

(i) geospatial data and activities of an Indian tribe not carried out, in whole or in part, using Federal funds, as determined by the tribal government;

(ii) classified national security-related geospatial data and activities of the Department of Defense, unless declassified;
