55603. Interagency coordination.
55604. Research on short sea transportation.
55605. Short sea transportation defined.

§ 55601. Short sea transportation program

(a) ESTABLISHMENT.—The Secretary of Transportation shall establish a short sea transportation program and designate short sea transportation projects to be conducted under the program to mitigate landside congestion or to promote short sea transportation.

(b) PROGRAM ELEMENTS.—The program shall encourage the use of short sea transportation through the development and expansion of—

- (1) documented vessels;
- (2) shipper utilization;
- (3) port and landside infrastructure; and
- (4) marine transportation strategies by State and local governments.

(c) SHORT SEA TRANSPORTATION ROUTES.—The Secretary shall designate short sea transportation routes as extensions of the surface transportation system to focus public and private efforts to use the waterways to relieve landside congestion along coastal corridors or to promote short sea transportation. The Secretary may collect and disseminate data for the designation and delineation of short sea transportation routes.

(d) PROJECT DESIGNATION.—The Secretary may designate a project to be a short sea transportation project if the Secretary determines that the project uses documented vessels and—

- (1) mitigates landside congestion; or
- (2) promotes short sea transportation.

(e) ELEMENTS OF PROGRAM.—For a short sea transportation project designated under this section, the Secretary may—

- (1) promote the development of short sea transportation services;
- (2) coordinate, with ports, State departments of transportation, localities, other public agencies, and the private sector and on the development of landside facilities and infrastructure to support short sea transportation services; and
- (3) develop performance measures for the short sea transportation program.

(f) MULTISTATE, STATE AND REGIONAL TRANSPORTATION PLANNING.—The Secretary, in consultation with Federal entities and State and local governments, may develop strategies to encourage the use of short sea transportation for transportation of passengers and cargo. The Secretary may—

- (1) assess the extent to which States and local governments include short sea transportation and other marine transportation solutions in their transportation planning;
- (2) encourage State departments of transportation to develop strategies, where appropriate, to incorporate short sea transportation, ferries, and other marine transportation solutions for regional and interstate transport of freight and passengers in their transportation planning; and
- (3) encourage groups of States and multi-State transportation entities to determine
