In subsection (b), the words “United States Government” are substituted for “United States or any agency of the United States” for consistency and to eliminate unnecessary words.

In subsection (c), the words “bring a civil action” are substituted for “sue” for consistency in the revised title. The words “without respect to the amount in controversy” are omitted because section 1331 of title 28 no longer contains a requirement of any particular amount in controversy for jurisdiction of civil actions arising under the laws of the United States. The words “If the person prevails” are added for clarity.

fare, or charge, that is based in whole or in part on the fact that the persons or property affected are to be transported to, or have been transported from, a port in a territory or possession of the United States or in a foreign country, by a carrier by water in foreign commerce, any lower rate, fare, or charge than the carrier charges, collects, or receives for the transportation of persons or similar property for the same distance, in the same direction, and over the same route, in commerce wholly within the United States, unless the vessel used for the transportation is or was at the time of the transportation documented under the laws of the United States.

(c) TERMINATION OF SUSPENSION.—Whenever the Secretary believes that adequate shipping facilities are being provided to those ports by vessels documented under the laws of the United States, and certifies that fact to the Board, the Board may order the termination of the suspension.
