(1) IN GENERAL.—The Secretary of Transportation may enter into a cooperative agreement (as that term is described in section 6305 of title 31) with an entity upon such terms and conditions as the Secretary of Transportation determines will fulfill the purpose and requirements of this section and be in the public interest.

(2) REQUIREMENTS.—The cooperative agreement under paragraph (1) shall, at a minimum, require the Secretary of Transportation to—

(ii) to furnish performance and payment bonds in connection with the system in a reasonable amount as determined by the Secretary; and

(F) require the entity to make any investments in technologies necessary over the life of the agreement to meet future requirements for advanced timing resiliency.

(4) AUTHORIZATION TO PURCHASE SERVICES.—The Secretary may not purchase timing system services from the entity for use by the Department of Transportation or for provision to other Federal and non-Federal governmental agencies until the system achieves operational status, and then only if the necessary funds for such purchases are provided for in subsequent yearly appropriations acts made available to the Secretary for each and every year in which such purchases are made.

(5) DETERMINATION REQUIREMENT.—The Secretary may not enter into a cooperative agreement under this subsection unless the Secretary determines that the cooperative agreement is in the best financial interest of the Federal Government. The Secretary shall no-

In the chapter, the words “Secretary of Transportation” and “Secretary” are substituted for “Administrator” in the provisions of the Federal Aviation Act of 1958 (Pub. L. 85-726, 72 Stat. 731) restated in the revised chapter because of the transfer of aviation functions to the Secretary under 49:1655(c)(1).

In subsection (a), the words “may prescribe regulations to carry out the duties and powers” are substituted for “may make such rules and regulations as may be necessary to carry out . . . functions, powers, and duties” for consistency and to eliminate unnecessary words. The text of 49:1657(f) and (g) is omitted as executed because the transfer of personnel, assets, and liabilities, etc., has been accomplished.

In subsection (b), the words “Except where this chapter vests in any administration, agency or board, specific functions, powers, and duties” before “the Secretary may” in 49:1657(e)(1) are omitted because of the specific wording of sections 103, 104, and 106 of the revised title. The words “in addition to the authority to delegate and redelegate contained in any other Act in the exercise of the functions transferred to or vested in the Secretary in this chapter” before “delegate” in 49:1657(e)(1) are omitted because the authority of the Secretary to delegate is consolidated in the subsection. The words “the duties and powers of the Secretary” are substituted for “any of his residual functions, powers, and duties” in 49:1657(e)(1) and “any of the functions transferred to him by this reorganization plan” in section 2 of Reorganization Plan No. 2 of 1968 (eff. July 1, 1968, 82 Stat. 1369), for clarity and consistency. The words “as he may designate” and “of such functions, powers, and duties as he may deem desirable” are omit-
