### § 6304. National Transportation Library

(a) PURPOSE AND ESTABLISHMENT.—To support the information management and decision-making needs of transportation officials at the Federal, State, and local levels, there is established in the Bureau a National Transportation Library which shall—

(1) be headed by an individual who is highly qualified in library and information science;

(2) acquire, preserve, and manage transportation information and information products and services for use by the Department, other Federal agencies, and the general public;

(3) provide reference and research assistance;

(4) serve as a central depository for research results and technical publications of the Department;

(5) provide a central clearinghouse for transportation data and information of the Federal Government;

(6) serve as coordinator and policy lead for transportation information access;

(7) provide transportation information and information products and services to—

(A) the Department;

(B) other Federal agencies;

(C) public and private organizations; and

(D) individuals, within the United States and internationally;

(8) coordinate efforts among, and cooperate with, transportation libraries, information providers, and technical assistance centers, in conjunction with private industry and other transportation library and information centers, with the goal of developing a comprehensive transportation information and knowledge network that supports the activities described in section 6302(b)(3)(B)(vi); and

(9) engage in such other activities as the Director determines to be necessary and as the resources of the Library permit.

(b) ACCESS.—The Director shall publicize, facilitate, and promote access to the information products and services described in subsection (a), to improve the ability of the transportation community to share information and the ability of the Director to make statistics and other information readily accessible as required under section 6302(b)(3)(B)(x).

(c) AGREEMENTS.—

(1) IN GENERAL.—To carry out this section, the Director may enter into agreements with, award grants to, and receive amounts from, any—

(A) State or local government;

(B) organization;

(C) business; or

(D) individual.

(2) CONTRACTS, GRANTS, AND AGREEMENTS.—The Library may initiate and support specific information and data management, access, and exchange activities in connection with matters relating to the Department's strategic goals, knowledge networking, and national and international cooperation, by entering into contracts or other agreements or awarding grants for the conduct of such activities.

(3) AMOUNTS.—Any amounts received by the Library as payment for library products and services or other activities shall be made available to the Director to carry out this section, deposited in the Office of the Assistant Secretary for Research and Technology of the Department of Transportation's general fund account, and remain available until expended.

(Added Pub. L. 112–141, div. E, title II, §52011(a), July 6, 2012, 126 Stat. 890; amended Pub. L. 113–76, div. L, title I, Jan. 17, 2014, 128 Stat. 574.)

#### CHANGE OF NAME

“Office of the Assistant Secretary for Research and Technology of the Department of Transportation’s” substituted for “Research and Innovative Technology Administration’s” in subsec. (c)(3) on authority of title I of div. L of Pub. L. 113–76, set out in part as a Transfer of Duties and Powers note under former section 112 of this title.

### § 6305. Advisory council on transportation statistics

(a) IN GENERAL.—The Director shall establish and consult with an advisory council on transportation statistics.

(b) FUNCTION.—The advisory council established under this section shall advise the Director on—

(1) the quality, reliability, consistency, objectivity, and relevance of transportation statistics and analyses collected, supported, or disseminated by the Bureau and the Department; and

(2) methods to encourage cooperation and interoperability of transportation data col-

lected by the Bureau, the operating administrations of the Department, States, local governments, metropolitan planning organizations, and private sector entities.

(c) MEMBERSHIP.—

(1) IN GENERAL.—The advisory council shall be composed of not fewer than 9 and not more than 11 members appointed by the Director.

(2) SELECTION.—In selecting members for the advisory council, the Director shall appoint individuals who—

(A) are not officers or employees of the United States;

(B) possess expertise in—

- (i) transportation data collection, analysis, or application;
- (ii) economics; or
- (iii) transportation safety; and

(C) represent a cross section of transportation stakeholders, to the greatest extent possible.

(d) TERMS OF APPOINTMENT.—

(1) IN GENERAL.—Except as provided in paragraph (2), members of the advisory council shall be appointed to staggered terms not to exceed 3 years.

(2) ADDITIONAL TERMS.—A member may be renominated for 1 additional 3-year term.

(3) CURRENT MEMBERS.—A member serving on an advisory council on transportation statistics on the day before the date of enactment of the Transportation Research and Innovative Technology Act of 2012 shall serve until the end of the appointed term of the member.

(e) APPLICABILITY OF FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act (5 U.S.C. App.) shall apply to the advisory council established under this section, except that section 14 of that Act shall not apply.

(Added Pub. L. 112-141, div. E, title II, § 52011(a), July 6, 2012, 126 Stat. 891.)
