The words “duties and powers . . . that were vested . . . in” are coextensive with, and substituted for, “transferred to, and vested in . . . all functions and authority of” for clarity and to eliminate unnecessary words. The word “regulatory” is omitted as surplus. The words “on October 1, 1977” are added to reflect the effective date of the transfer of the duties and powers to the Federal Energy Regulatory Commission.

ABOLITION OF INTERSTATE COMMERCE COMMISSION AND TRANSFER OF FUNCTIONS

Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104-88, to Surface Transportation Board effective Jan. 1, 1996, by section 1302 of this title, and section 101 of Pub. L. 104-88, set out as a note under section 1301 of this title. References to Interstate Commerce Commission deemed to refer to Surface Transportation Board, a member or employee of the Board, or Secretary of Transportation, as appropriate, see section 205 of Pub. L. 104-88, set out as a note under section 1301 of this title.

§ 60503. Effect of enactment

The enactment of the Act of October 17, 1978 (Public Law 95-473, 92 Stat. 1337), the Act of January 12, 1983 (Public Law 97-449, 96 Stat. 2413), and the Act enacting this section does not repeal, and has no substantive effect on, any right, obligation, liability, or remedy of an oil pipeline, including a right, obligation, liability, or remedy arising under the Interstate Commerce Act or the Act of August 29, 1916 (known as the Pomerene Bills of Lading Act), before any department, agency, or instrumentality of the United States Government, an officer or employee of the Government, or a court of competent jurisdiction.

CHAPTER 701—MULTIMODAL FREIGHT POLICY

Sec.	
70101.	National multimodal freight policy.
70102.	National freight strategic plan.
70103.	National Multimodal Freight Network.

PRIOR PROVISIONS

A prior chapter 701, consisting of sections 70101 to 70121, related to commercial space launch activities, prior to being transferred and renumbered as chapter 509 of Title 51, National and Commercial Space Programs.

§ 70101. National multimodal freight policy

(a) IN GENERAL.—It is the policy of the United States to maintain and improve the condition and performance of the National Multimodal Freight Network established under section 70103 to ensure that the Network provides a foundation for the United States to compete in the global economy and achieve the goals described in subsection (b).

(b) GOALS.—The goals of the national multimodal freight policy are—

(1) to identify infrastructure improvements, policies, and operational innovations that—

(A) strengthen the contribution of the National Multimodal Freight Network to the economic competitiveness of the United States;

(B) reduce congestion and eliminate bottlenecks on the National Multimodal Freight Network; and

(C) increase productivity, particularly for domestic industries and businesses that create high-value jobs;

(2) to improve the safety, security, efficiency, and resiliency of multimodal freight transportation;

(3) to achieve and maintain a state of good repair on the National Multimodal Freight Network;

(4) to use innovation and advanced technology to improve the safety, efficiency, and reliability of the National Multimodal Freight Network;

(5) to improve the economic efficiency and productivity of the National Multimodal Freight Network;

(6) to improve the reliability of freight transportation;

(7) to improve the short- and long-distance movement of goods that—

(A) travel across rural areas between population centers;

(B) travel between rural areas and population centers; and

(C) travel from the Nation's ports, airports, and gateways to the National Multimodal Freight Network;

(8) to improve the flexibility of States to support multi-State corridor planning and the creation of multi-State organizations to increase the ability of States to address multimodal freight connectivity;

(9) to reduce the adverse environmental impacts of freight movement on the National Multimodal Freight Network; and

(10) to pursue the goals described in this subsection in a manner that is not burdensome to State and local governments.

(c) IMPLEMENTATION.—The Under Secretary of Transportation for Policy, who shall be responsible for the oversight and implementation of the national multimodal freight policy, shall—

(1) carry out sections 70102 and 70103;

(2) assist with the coordination of modal freight planning; and

(3) identify interagency data sharing opportunities to promote freight planning and coordination.

(Added Pub. L. 114-94, div. A, title VIII, §8001(a), Dec. 4, 2015, 129 Stat. 1605.)

PRIOR PROVISIONS

A prior section 70101 was transferred and renumbered as section 50901 of Title 51, National and Commercial Space Programs.

EFFECTIVE DATE

Section effective Oct. 1, 2015, see section 1003 of Pub. L. 114-94, set out as an Effective Date of 2015 Amendment note under section 5313 of Title 5, Government Organization and Employees.

§ 70102. National freight strategic plan

(a) IN GENERAL.—Not later than 2 years after the date of enactment of this section, the Under Secretary of Transportation for Policy shall—

(1) develop a national freight strategic plan in accordance with this section; and

(2) publish the plan on the public Internet Web site of the Department of Transportation.

(b) CONTENTS.—The national freight strategic plan shall include—

(1) an assessment of the condition and performance of the National Multimodal Freight Network established under section 70103;

(2) forecasts of freight volumes for the succeeding 5-, 10-, and 20-year periods;

(3) an identification of major trade gateways and national freight corridors that connect major population centers, trade gateways, and other major freight generators;

(4) an identification of bottlenecks on the National Multimodal Freight Network that create significant freight congestion, based on a quantitative methodology developed by the Under Secretary, which shall include, at a minimum—

(A) information from the Freight Analysis Framework of the Federal Highway Administration; and

(B) to the maximum extent practicable, an estimate of the cost of addressing each bottleneck and any operational improvements that could be implemented;

(5) an assessment of statutory, regulatory, technological, institutional, financial, and other barriers to improved freight transportation performance, and a description of opportunities for overcoming the barriers;

(6) a process for addressing multistate projects and encouraging jurisdictions to collaborate;

(7) strategies to improve freight intermodal connectivity;

(8) an identification of corridors providing access to energy exploration, development, installation, or production areas;

(9) an identification of corridors providing access to major areas for manufacturing, agriculture, or natural resources;

(10) an identification of best practices for improving the performance of the National Multimodal Freight Network, including critical commerce corridors and rural and urban access to critical freight corridors; and

(11) an identification of best practices to mitigate the impacts of freight movement on communities.

(c) UPDATES.—Not later than 5 years after the date of completion of the national freight strategic plan under subsection (a), and every 5 years thereafter, the Under Secretary shall update the plan and publish the updated plan on the public Internet Web site of the Department of Transportation.

(d) CONSULTATION.—The Under Secretary shall develop and update the national freight strategic plan—

(1) after providing notice and an opportunity for public comment; and

(2) in consultation with State departments of transportation, metropolitan planning organizations, and other appropriate public and private transportation stakeholders.
