AMENDMENT OF SECTION

Pub. L. 115-232, div. A, title XI, §1107(b)(2), (d), Aug. 13, 2018, 132 Stat. 2005, provided that, effective on the date, not later than one year after Aug. 13, 2018, on which the Director of the Office of Personnel Management issues final regulations for implementation, this section is amended by striking “sections 3308-3318” and inserting “sections 3308 through 3319”. See 2018 Amendment note below.

HISTORICAL AND REVISION NOTES

Table with 3 columns: Derivation, U.S. Code, Revised Statutes and Statutes at Large. It lists the origin of sections 858 and 869 from the 1944 Statutes.

Former sections 858 and 869 are combined and restated for clarity and to conform to section 3318(a). The

word “authority” is substituted for “officer” in recognition of the several appointing authorities named in section 2105(a)(1). The words “shall select for appointment to each vacancy in the expected service in the executive branch and in the government of the District of Columbia from the qualified applicants in the same manner and under the same conditions required for the competitive service by sections 3308-3318 of this title” are substituted for “In the unclassified Federal, and District of Columbia, civil service, and in all other positions and employment hereinbefore referred to in (c) of section 851 of this title . . . shall make selection from the qualified applicants in accordance with the provisions of this chapter”. The reference to the excepted service “in the executive branch” is substituted for the exception of the legislative and judicial branches in former section 869. Former section 869 did not prohibit the application of those provisions of the Act of June 27, 1944, which relate to the competitive service in the legislative or judicial branch by reason of the specific provisions of section 311 of the Act of June 10, 1921, as amended (31 U.S.C. 52); 28 U.S.C. 602; and Executive Order No. 67 of June 13, 1895. The reference to appointments of postmasters is omitted from this section since those referred to are in the competitive service. The application of former section 869 to the remainder of the Act of June 27, 1944, is covered by the sections into which the remainder is carried (see Table I).

This section merely continues, and does not in any way change, the requirements in former section 858 relative to the selection of applicants for positions in the excepted service. Under this section, the Federal Bureau of Investigation and other agencies having positions in the excepted service will continue to fill those positions in the same manner that they have been filled under former section 858. Such excepted appointments are appointments authorized to be made without regard to the statutes, rules, and regulations governing appointments in the competitive service and this is not changed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.
