Section 6(a), (b) of Pub. L. 86-415, Apr. 8, 1960, 74 Stat. 35, provided that:

“(a) Except as provided in subsection (b), service as a commissioned officer in the Regular Corps of the Public Health Service prior to July 1, 1960, shall be considered, for purposes of credit under the Civil Service Retirement Act [this subchapter], other than section 3(f) thereof [section 8333(a) of this title], as civilian service performed by an employee (as defined in such Act [this subchapter]) and commissioned officers of the Reserve Corps of the Public Health Service, subject to the Civil Service Retirement Act [this subchapter] on June 30, 1960, shall be considered as voluntarily separated on that date, with respect to service as such officers, from civilian positions subject to such Act [this subchapter].

“(b) If a commissioned officer of the Regular or Reserve Corps of the Public Health Service is retired after June 30, 1960, and becomes entitled to retired pay from the Public Health Service, all service in the Regular or Reserve Corps of the Public Health Service prior to July 1, 1960, together with any other service which is performed at any time with the Public Health Service, other than as a commissioned officer, and which is credited to the officer for purposes of such retirement, shall be considered as military service for purposes of section 3(b) of the Civil Service Retirement Act [subsecs. § 8333. Eligibility for annuity

(a) An employee must complete at least 5 years of civilian service before he is eligible for an annuity under this subchapter.

(b) An employee or Member must complete, within the last 2 years before any separation from service, except a separation because of death or disability, at least 1 year of creditable civilian service during which he is subject to this subchapter before he or his survivors are eligible for annuity under this subchapter based on the separation. If an employee or Member, except an employee or Member separated from the service because of death or disability, fails to meet the service requirement of the preceding sentence, the amounts deducted from his pay during the service for which no eligibility for annuity is established based on the separation shall be returned to him on the separation. Failure to meet this service requirement does not deprive the individual or his survivors of annuity rights which attached on a previous separation.

(c) A Member or his survivor is eligible for an annuity under this subchapter only if the amounts named by section 8334 of this title have been deducted or deposited with respect to his last 5 years of civilian service, or, in the case of a survivor annuity under section 8341(d) or (e)(1) of this title, with respect to his total service.
