### § 1822. Authorization of physical searches for foreign intelligence purposes

#### (a) Presidential authorization

(1) Notwithstanding any other provision of law, the President, acting through the Attorney General, may authorize physical searches without a court order under this subchapter to acquire foreign intelligence information for periods of up to one year if—

(A) the Attorney General certifies in writing under oath that—

(i) the physical search is solely directed at premises, information, material, or property used exclusively by, or under the open and exclusive control of, a foreign power or powers (as defined in section 1801(a)(1), (2), or (3) of this title);

(2) A physical search authorized by this subsection may be conducted only in accordance with the certification and minimization procedures adopted by the Attorney General. The Attorney General shall assess compliance with such procedures and shall report such assessments to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate under the provisions of section 1826 of this title.

(3) The Attorney General shall immediately transmit under seal to the Foreign Intelligence Surveillance Court a copy of the certification. Such certification shall be maintained under security measures established by the Chief Justice of the United States with the concurrence of the Attorney General, in consultation with the Director of National Intelligence, and shall remain sealed unless—

(B) the certification is necessary to determine the legality of the physical search under section 1825(g) of this title.

(4)(A) With respect to physical searches authorized by this subsection, the Attorney General may direct a specified landlord, custodian, or other specified person to—

If any judge so designated denies an application for an order authorizing a physical search under this subchapter, such judge shall provide immediately for the record a written statement of each reason for such decision and, on motion of the United States, the record shall be transmitted, under seal, to the court of review established under section 1803(b) of this title.

**(d) Court of review; record; transmittal to Supreme Court**

The court of review established under section 1803(b) of this title shall have jurisdiction to review the denial of any application made under this subchapter.
